No. RC 543 F1/47 dated 1-3-1949.

Sir,

Sub:-- Establishment--Office of the Director of Public Instruction, Madras--Additional staff--Further continuance of--from 1-4-49--sanction--Requesting.

Ref:-- G.O. No. Ms. 3342 Edn. dated 29-12-1948.

The sanction accorded for the continuance of the temporary staff in the G.O. referred to above expires on 31-3-1949.

2. With reference to para 2 of the G.O., I have to inform Government that during the year 1948, (1-1-1948 to 31-12-48) 1,15,461** currents were received in my office. This statistics exclude the number of financial statements received for Grant-in-Aid, Monthly statements of expenditure received from department officers in connection with the control of expenditure and accounts annual returns received for the preparation of the Public Instruction Report.

3. In this connection I may inform Government that scrutiny of financial statements from colleges, schools etc. for assessment of grant-in-aid takes a long time and I have already explained to Government about this in my letter RC No. 543 F1/47 dated 16-7-1947. Consequent on the rapid increase of work in my office specially after the war, I am repeatedly requesting Government to strengthen the staff in my office to cope with the increase in work and in this connection only I submitted proposals to Government for sanction of additional staff under Part II scheme but Government have turned down the same Vide. G.O. No. 3138 Edn. dated 9-12-48.

4. Consequent on the re-organisation of secondary education opening of more Basic and Adult schools, the work in my office is bound to be increased further. It is likely that this year, the number of applications to be received for recognition to secondary schools--Aided and Local Board--will be much larger than the previous years and to dispose of all these applications promptly, it is necessary that there should be sufficient staff.

5. The work done in the two sections for which the staff in question was sanctioned is of an important nature and the same cannot be transferred to other sections as no section in my office is lightly worked. All possible methods of re-distribution of work among sections have been done and the present arrangement in this regard leaves no room for improvement.

6. In the circumstances and with a view to cope up with the increasing work, I request the Government may be pleased to sanction the continuance of the staff for a further period of one year from 1-4-1949.

7. Necessary provision for the continuance of the establishment has already been made in the Budget Estimate for 1949-50.

* 72,269 upto 31-8-48.
43,192 from 1-9-48 to
31-12-48.

Yours faithfully,
