No.69/HC/SBC.48-49.

Dated:- 23-11-1948.

Sir,

Sub:- Sri T.G. Munuswamy - Compositor - Government Press, Madras -
Alteration in date of birth - requested.

I have to state that Sri T.G. Munuswamy, a permanent compositor of this office has applied to me to have his date of birth altered in his Service Book from 1-7-1895 to 19-9-1898. He has produced a copy of the Birth certificate from the Corporation of Madras in support of his application. *page 3 infra*

2. He was first entertained as a temporary piecework compositor in this office on 5-11-1920 and was confirmed on 1-10-1923. He states that his father Govinda Mudaliar had four issues, out of which he is the third issue, the second one being his brother Sri T. Narayanaswamy (now a permanent compositor of this office) who is older to him by three years and whose date of birth as per the Corporation certificate now produced is 28-10-1895 but entered in the Service Register as 1-7-1895. The first issue was a male who died and the last T. Rajaratnam by name also a male issue is now alive.

3. On verification of the Service registers of T. Narayanaswamy and T.G. Munuswamy, it is seen that their dates of birth are recorded as one and the same date viz. 1-7-1895, this cannot be unless they are twins. The corporation certificates produced in the case of the two brothers show different dates.

4. The applicant has further stated that he has not insured his life with any Life Insurance Company and that he never sat for any Government Technical Examination.

5. As I am convinced by the personal appearance of the two brothers that T. Narayanaswamy is older of the two, and of the fact that the date of birth recorded in the Service Register in favour of T. Narayanaswamy is 1-7-1895 it shows beyond doubt that the date of birth produced by the applicant T.G. Munuswamy should be the same as the one recorded in the Corporation certificate viz. 19-9-1898.

In the circumstances stated above, I request that Government would be pleased to alter the date of birth from 1-7-1895 to 19-9-1898 as required under para 6 of Annexure II Part III Subsidiary Rules under Rule 74 (a) - IV of Fundamental Rules.
