No. Skr/1D/49.

Dated 15-2-1949.

Sir,

Sub: Bicycle - Purchase of - Sanction requested.

I have to state that out of 4 "Hind" bicycles supplied by the General Superintendent, Public Works Workshops, Madras in 1946, the frame of one bicycle is broken and the parts are wornout. It is therefore considered that it is more economical to condemn it and purchase a new one than to get that bicycle repaired and renew the frame and other parts even in which case it is doubtful whether the cycle could give fairly long service. Quotation has therefore been called for from the local bicycle companies and the quotation of the English Cycle & Motor Importing Co., Ltd., Madras - Rs.187-1-0 including Sales Tax for one "Phillips" 22" cycle with saddle, bell, oil lamp, carrier, stand and reflector is lowest. I request Government to accord sanction for a sum not exceeding Rs.190/- for incurring the expenditure towards the cost of a "Phillips" bicycle.

The expenditure will be met under "56 Stationery and Printing - d. Government Presses (Madras) - F. Other expenditure 3 Renewals and replacements from Depreciation Fund".
