From Sri C.V.Narasimhan I.C.S., Collector, Salem. To The Secretary to Government, Education & Public Health Department MADRAS.

Rec. 32. 19369-48 D.16.2.49.

Sir,

The Executive Engineer, P.W.D.Salem applied for the acquisition of the building and the site in a portion of S.No. 365, village site poramboke of Namakkal town for the construction of a new building for locating the Government secondary and Training school for women at Namakkal.

2.The building and the vacant site applied for acquisition lie in S.No. 365, village site poramboke measuring 80.42 acres. The portions proposed to be acquired have been tentatively sub divided according to the enjoyment and ownership as S.Nos. 365/2, 3 and 4 measuring 0.14, 0.02, and 0.01 acres respectively. Out of the above S.Nos, S.No. 365/4 measuring 0.01 acre forms part of S.No. 70, through which the Namakkal Sendamangalam road runs. It is a road margin and it is not actually required for the road. This portion has to be excluded from the operation of the Madras Local Board's Act of 1920 and a declaration issued under Sec. 20 A of the Estates Land Act. Hence the acquisition of this portion is not necessary. The portions now to be acquired are S.Nos. 365/2 and 3 measuring 0.14 and 0.02 acres respectively.

3. S.No. 365/2 measuring 0.14 acres was purchased with the existing building by one Veerammal w/o Talamalai Chetti in the year 1947 for Rs. 15000/- The building situated in the land is reported to be partly tiled and partly thatched. A Boarding and lodging hotel called the "New Pasupathi Lodge" is now located in the building. There exist a square draw well, two Elava trees and Pappali tree on this land.

4. S.No. 365/3 measuring 0.02 acres is owned by Sri P.B.K. Thyagaraja Reddier, Mittadar of Thusur west at Muthupatti. There are a tiled building, a motor garage and a draw well in this S.No. This site was purchased by him on 4.8.47 for Rs. 2000/- with the building etc. mentioned above.

5. VALUATION:- The Rev. Divl.Officer reports that there were no recent sales on which the valuation can be arrived at. He reports that the purchase price of the sites may safely be adopted for purposes of valuation. The total cost of acquisition including the 15% solatium comes to Rs. 19550/- The Director of Public Instruction, Madras, is being informed of this and asked whether any provision has been made in the budget for meeting this expenditure.

6. S.No. 365/2 is reported to be mortgaged to one Annayappa gounder of Vagurampatti for Rs. 5000/- There are no encumbrances on the other land S.No. 365/3. Namakkal is a proprietary village surveyed by the proprietor through Government Agency. Notice under Sec. 5 & 17 (b) (ii) of Survey and Boundaries Act is being submitted separately

1. The first thing I noticed when I stepped
 out of the car was the smell of the sea.
 It was a fresh, salty scent that I had never
 experienced before. The air was cool and
 invigorating. I took a deep breath and
 felt a sense of peace wash over me.

2. The second thing I noticed was the
 sound of the waves crashing against the shore.
 It was a rhythmic, soothing sound that
 seemed to lull me into a state of relaxation.
 I closed my eyes and listened to the ocean
 for a moment, feeling a sense of connection
 to the natural world.

3. The third thing I noticed was the
 sight of the sun setting over the horizon.
 The sky was a mix of orange, red, and
 purple, creating a beautiful spectacle. I
 stood there for a while, watching the sun
 disappear below the water. It was a truly
 breathtaking moment.

4. The fourth thing I noticed was the
 feeling of sand under my feet. It was soft
 and warm, a stark contrast to the cool
 pavement of the city. I walked barefoot
 along the beach, feeling a sense of freedom
 and release.

5. The fifth thing I noticed was the
 taste of the salt water. It was a sharp,
 briny taste that I had never experienced
 before. I took a small sip and felt a
 tingling sensation on my tongue. It was
 a reminder of the power of nature.
