Sir,

Sub: Madras Educational Service - Sri G. Ramachandra Ayyar
Officiating Lecturer in Mathematics - Application for
leave.

REF: Endorsement R.R.C.No.864/48 dated 30-10-1948 of the
Principal, Government College, Kumbakonam,

In submitting herewith a copy of the application for
leave dated 29-10-1948 from Sri G. Ramachandra Ayyar, Officiating
Lecturer in Mathematics, Government College, Kumbakonam, I have
the honour to state that the grant of the various periods of leave
as applied for by him will cause unnecessary dislocation of work
and will be detrimental to the interests of the students as no
satisfactory substitute arrangements could be made. If he were
to be granted the leave, as applied for, it would virtually mean
that he would be absent on leave or enjoying holidays or vacations
from the middle of November 1948 till the date of his retirement
(for nearly 7½ months) except for brief periods of active duty as
indicated below:-

From 6th to 9th January 1949. 4 days.
From 2nd to 4th April 1949. 3 days.
From 27th to 30th June 1949. 4 days.

In this connection the attention of Government is invited to
G.O.No.406 Finance dated 21-7-1932 according to which the appli-
cation for leave of this kind, is against the spirit of the leave
rules. I, therefore, request that Government may inform G. Rama-
chandra Ayyar that, if he so desires, such leave as he is eligible
for under the rules, will be granted to him preparatory to this
retirement.

Yours faithfully,

for Director of Public Instruction.

SUB:- Application for leave on full average salary:

I wish to avail of the entire leave on full average salary to my credit, in view of the fact that my date of superannuation is 1st July 1949.

During the period of my service I have availed of 17 days of leave on full average salary.

While I was Assistant Lecturer, Presidency College, Madras I have done A.R.P. Work during the summer vacation of 1942 (April) for which I was given an allowance. This work will entitle me for compensatory leave on average salary. In calculating the total leave to my credit, I request that directions may be issued to take this also into account. The Principal, Presidency College, may be referred to make a record of this work in my service register, if it has not been already done.

I desire to avail of 82 days after the re-opening of the college after Christmas vacation i.e. from 10th January 1949 to 1st April 1949. The college closes for midsummer vacation on 4th April 1949.

Besides, whatever period of leave still stands to my credit i.e. the total period to my credit minus 82 may kindly be made available to me in December 1948 prefixing the same to the Christmas vacation 1948. The college closes for Xmas vacation on 16th December 1948 and re-opens on 6th Jan. 1949.

I request that you will be so good as to recommend to the Government for the sanction of the entire period of leave on average salary to my credit, as requested by me in the previous paragraphs.

N.R.C.No.864/48

Dated 30th October 1948.

Submitted to the Director of Public Instruction, Madras with the following remarks.

1. In view of the present policy of the Government to prevent changes of staff in colleges in the middle of academic year even in the case of retirement of persons by re-employing them till the end of the academic year, I consider that I will not be in order in recommending the grant of leave in the middle of academic year merely to exhaust the leave at credit before retirement.

2. The refusal of this request will entitle him to take leave after retirement. There is no objection to his taking leave from the date of his superannuation 1st July 1949. He may therefore be granted all the leave after retirement in case he claims that privilege.

He may be allowed to take all his leave in continuation of the summer vacation of 1949 in case the usual rule prescribing the limit of leave on full average pay that can be combined with summer vacation is not applicable to special cases like the present.

Sri G. Ramachandra Ayyar, Lecturer in Maths., Govt. College, Kumbakonam, has applied for leave. His appln. and the Principal's recommendation thereon are at p.2 C.F.

cf. 1

The D.P.I. says that the grant to the officer of leave for various periods as requested by him will unnecessarily dislocate work and will be detrimental to the interests of the students as no satisfactory 'substitute arrangements' can be made and will also be against the spirit of the leave rules. His proposal is that the Lecturer may be told that, if he so desires, he will be sanctioned eligible leave at a stretch prop. to retirement on 1-7-49.

Unit. is against X changes in middle of a yr. V.C. has written about this more than once before. This report also disalt Comm. of certain other cases, similar procedure was followed. P. 59. B.K. M. A

Nat. 1

Supposing the ~~the~~ course suggested by the Dir. is followed, ^{after obtaining the officer's consent} there would still occur a change in the post during the middle of the college year 1948-9. It is desirable to avoid this change, if possible. The Principal's recommendation - C.F.2 - that the leave be refused and be treated as one refused under F.R.86(a) seems, therefore, be the more appropriate one to ^{accept} ~~adopt~~. In that case, the Lecturer can take the leave after his retirement subject to a maximum of 6 months - L.A.P. 4 months and L.H.P. 2 months. The college re-opens after the summer vacation on 27-6-49. The new Lecturer can take charge from 1-7-49, the date of Sri Ramachandra Ayyar's superannuation.
