War - Further Education and Training of demobilised personnel - All India Institute of Hygiene and Public Health, Calcutta - Short special courses in Industrial Hygiene, Nutrition and M & C.W. and Diploma course in M & C.W.

From the Govt. of India, No.F.7-5/48-PR dated 19-11-48 and No.F.7-1/48 PR dated 8-12-1948.
From the S.G., In.P.No. 161-M1/48 dated 21-12-48 and 7-1-49.

The nature and extent of the financial concessions proposed to be granted to the demobilised medical personnel of this Province who wish to take up special short courses of studies of three months' duration in Industrial Hygiene, Nutrition and M & C.W. and the Diploma course in M & C.W. in the All India Institute of Hygiene and Public Health, Calcutta., are set forth in pages 1-2 c.f. and pp. 9-11 c.f. Half the expenditure incurred on the students from this Province will be borne by the Govt. of India. This Province will have to meet the other half. The S.G. recommends that the proposals contained in the Govt. of India's letters may be accepted. This may be agreed to.

The maintenance allowance originally allowed to each student in the Lake Medical College at Calcutta is Rs.55 p.m. In G.O. No. 594 Edn., dated 20-3-1948 Govt. increased this rate to Rs.75 p.m. each on account of the increased cost of living. On an objection received from the Director-General of Health Services that the Govt. of India will not agree to this increased rate, this Govt. have addressed the Govt. of India on the feasibility of having a uniform rate of maintenance allowance for all the candidates in the different institutions in Calcutta. It may be pointed out that the maintenance allowance sanctioned to the students who undergo the D.T.M. course in Calcutta is Rs.75 p.m. each. The reply from the Govt. of India is
