A Note on

I have noted down the points discussed with Col. Bewoor, Director of the National Cadet Corps, first at the room of H.M.(Education) and later in the room of the Secretary, Edn. & P.H. Department.

Col. Bewoor made it clear that the cost of arms, ammunition and equipment - as well as clothing-is to be borne by the Provincial Govt. and the cost of the existing arms, ammunition and equipment with the U.O.T.C. Units, which should be carried over to the N.C.C. Units, will also have to be paid by the Provincial Government. He also stated that in the calculation of costs in the estimates furnished by him to this Government he has worked out the costs on the above footing; the item 'Equipment' in those estimates of costs includes arms and ammunition from outside. But he said that it is open to the Govt. to take up the matter of sharing of their costs with the Govt. of India.

ORGANIZATION:

Senior Division.- One regular Army Officer will be in charge of the Battalion. The point was raised in the course of the discussion that ensued upon this, that Senior Officers in the existing units might not be willing to serve on this footing and even other persons might not be willing to join the offices on this footing. But, Col. Bewoor made it clear that the policy laid down is uniform for all the Provinces and could not be changed.

Junior Division.- There will be an Army Officer placed at the disposal of the Director of Public Instruction to give technical advice on the arrangements relating to the Junior Division throughout the whole Province. The question whether, besides having such an officer for advice, there should be a Provincial officer to help the D.P.I. in making arrangements relating to the Junior Division, was a matter for the Provincial Govt. itself to decide.

In view of the fact that all officers for manning the Units proposed to be raised in the Andhra and Annamalai Universities for the Senior Division, and officers for manning the Junior Division will, if they are sent out for training now, be able to come back only sometime in December and there

387 -2-

will be very little time left in the academic or school year for raising the relevant Units, it was agreed that the officers to be sent out for training ~~or~~ for these Units should take the training only during the summer vacation and the Units ^{must} can be raised early in the next school or academic year. For such expansion as may be contemplated in the scheme for the Senior Division as from the beginning of next year, the officers may similarly be sent out for training during the summer vacation. ^(e. we & above to with we are under the V.S. to replace the U.O.T.C. units. to go in 4 to be taken of allotted to 65 Province by the Director N.C.C.)

Col. Bewoor suggested that it would be desirable that all the persons who are proposed to be sent for selections of persons who are to be sent for training during the summer vacation, the persons proposed should first go through ^{before} their preliminary Board of Selection; for the Senior Division the Board might consist of the Vice-Chancellor of the University concerned, an Army Officer detailed from Area Headquarters, the D.P.I. and the Commandants of existing Units if any; for the Annamalai University Dr. Chakko might also be on the Board. For the Junior Division the Board might consist of the D.P.I., an Army Officer detailed by Area Headquarters, Madras, and the Commandants of the existing Units of the Senior Division.)

The persons proposed for training might be put up before these Boards in November and December. For the Junior Division, arrangements might be made for the Board to go round and interview the persons proposed at the headquarters for a number of appropriate regions.

In respect of the proposal to have for this ^{year} area for the Senior Division a strength corresponding more or less to the previous U.O.T.C. Units in the Madras University, Col. Bewoor is ^{now} ~~not~~ prepared to agree to the suggestion which was already put to him at the instance of the Vice-Chancellor that we may have 2 Infantry Battalions of 4 Companies each and one Engineering Unit. The cost is expected to be slightly less than the cost estimated by Col. Bewoor for the scheme of 3 Infantry Battalions proposed

p 784 LF

p 783-844 LF

(9)

by him previously. On the footing now agreed upon, and having regard to the number of officers already available, it was stated by the Commandants of the Madras and Tiruchirappalli Battalions that 17 officers might have to be sent for training now - 12 from Tiruchirappalli and 5 from Madras. With reference to the decision to have 2 Infantry Battalions of 4 Companies and 1 Engineering Unit, the list previously sent by the Vice-Chancellor of the Madras University may have to be revised. Of the persons proposed for training, some have already been through a Board of Selection in which an Army Officer was also represented; Col. Bewoor agreed that such persons need not go again before the Joint Services Board. The rest will have to go before the Joint Services Board. A list showing both these categories of persons will have to be sent to the Area Headquarters. It would be possible, and it would be desirable, to have the training of the officers commenced on the 15th of September. Area Headquarters will have to be addressed accordingly after the revised list is received from the Vice-Chancellor. Col. Bewoor said he would also be mentioning to the Area Headquarters about this.

When these candidates are sent for training Col. Bewoor suggested that arrangements should be made for placing at the disposal of the Officer in charge of the Training Headquarters sufficient money for the prompt disbursement to the candidates of the amount spent by them as Railway fare and of the amount to be paid to them as Daily allowances.

Sir,

Sub: National Cadet Corps - Organisation of - Revised proposals.

Ref: Your letter No. 7879-B1/48 Ean. dated 30-8-48. *300/15*

With reference to your letter cited above, I am to inform you that it is proposed to organise the Battalion of two Companies allotted to this University as follows:

National Cadet Corps: Senior Division: Location statement of Units:

Unit Nomenclature as in the Gazette of India.	Location of Unit Headquarters Town.	Colleges in which Unit is distributed.	Location of Colleges/Town.	Number allotted to Colleges Officers Cadit.	Remarks.

		ii. University Colleges.	Waltair.	1	
	Cocanada. (Company Headquarters)	P.R.College.	Cocanada.	3	

Facilities for storing arms and ammunition are available at Vizagapatam. The District Superintendent of Police, East Godavary District, has been addressed in regard to facilities available at Cocanada and his reply is awaited, but it may be presumed that as Cocanada is the Headquarters of the District Superintendent of Police, such facilities will be available at that place.

2. In this connection I am to invite attention to D.O.No. 0010/48 NCC dated 19-4-48 from the Ministry of Defence in which the age limit fixed for the selection of Professors as officers of the Senior Division of the Corps has been fixed at 25 to 36 years. While this may be suitable for the rank of officers in general, it is considered that it is too low an age for an officer who has to take the place of Captain, 2nd in Command, at the Battalion Headquarters. It has been suggested that one who is about 40 years of age and not more than 45 years of age would be a more suitable person to take this place. I am therefore directed to request the Government to permit the nomination of a Professor of this age for training with a view to holding this post. Early orders are requested.

since stated that the present armoury at Kakinada is small and that it will not
hold any additional weapons. It will therefore be necessary to build an
additional armoury close to the Police armoury for storing the weapons of the
N.C.C. The question whether, in view of the above difficulty the second company
cannot be stationed in any other place has been examined, but in view of the
restriction that all platoons of a company should be at one place this has not
been found possible.

Ref: Your letter No. 92017-B1/48-2 Edn. dated 20-12-48.

With reference to your letter cited above, I am to state that, as
a reply ^{was} called for by the 29th December, it has not been possible to
consult the heads of colleges in regard to the feasibility or otherwise
of starting artillery, signal or Electrical and Mechanical Engineers
Unit. A copy of the letter together with enclosures has however been
sent to the Principal of the Engineering College, Kakinada, for
information and remarks. This institution being a Government insti-
tution, I am to presume that the question of starting an Electrical and
Mechanical Engineers Unit in that institution will be further considered
by the Government.
(action taken separately in para 1)

2. As regards the selection of teachers for training as officers
of the infantry battalion of two companies allotted to this University,
I am to invite attention to your letter No. 7879-B1.-48-43 Edn. dated
30-8-48 in which it was stated that the Selection Board for the Senior
Division might consist of the Vice-Chancellor, an Army Officer detailed
from Area Headquarters, the Director of Public Instruction and the
Commandants of existing Units, if any. But in letter No. 0179/48/NCC
dated 7-12-48 from the Ministry of Defence, enclosed to your letter
dated 20-12-48, it is stated that the selection Board shall consist of
the Vice-Chancellor or the Director of Public Instruction (Chairman),
a Regular Army Officer and a non-Official. It is presumed that the
latter represents the correct constitution of the Selection Board.

2. ~~35~~ 47 ~~29~~

Proposals for the training of the teachers in the University Colleges, Waltair; Mrs. A.V.N. College, Vizagapatam, and the P.R. College, Kakinada, have been received from the Principals. These have now to be placed before the Selection Board. I am to enquire whether the Government will convene a meeting of the Board and fix the place and date of the meeting. If so, the meeting may kindly be called for and the place and date of the meeting communicated to me as early as possible and sufficiently in advance to enable me to inform the teachers concerned.

3. The candidates who have to appear before the Selection Board for interview will have to be paid travelling expenses. It is presumed that they will be allowed second class fares by rail to and from the place of training as this is the class that will be allowed to them for joining the training centre (vide Mr. Patel's D.O.No. 0010/48/NCC dated 26-4-48). I am to enquire how and when the claims for travelling expenses should be submitted to the Government for payment. It will be convenient if arrangements could be made to issue railway warrants to the teachers.

4. In this connection I am also to invite attention to paragraph 2 of my letter C2.-No.2249/48 dated 11-9-48 and to the concluding portion of your letter No.7879-B1.-48-53 Edn. dated 14-9-48 and to request that early orders may be issued in the matter so that a candidate of the age of 40 to 45 years could also be deputed to interview the Selection Board.

sity concerned or in his absence, the D.P.I. (Chairman), a
Regular Army Officer to be nominated by the Madras Sub-Area
and a non-official member to be nominated by the Provincial
Government for selection for training with Regular Army Units.
The Government have decided that the members of the teaching
staff of the colleges who are required to appear before the
Selection Board should be paid travelling and daily allowances
for their journeys to and from, at the rates admissible to
officers of their grade under the Madras Travelling Allowance
Rules. The Principals of the colleges concerned should
meet the expenditure on payment of travelling and daily
allowances to the teachers in the first instance and then
submit the bill for payment to the Director of Public

Instruction, Madras. The non-official member nominated to the Board by the Government will be paid the allowances ^(as the rule) admissible to the members of Ist Class Committees for the journey to and from the station where the Board meets, in case he is residing outside that station.

3. The Director of Public Instruction is requested to scrutinise the travelling allowance claims and sanction payment. The expenditure should be debited to the head "37. r. NATIONAL CADET CORPS - Senior Division - Raising of Infantry units by the Andhra and Annamalai Universities in 1949 - Selection of officer trainees by a Civil Army Selection Board - Grant of railway fare and daily allowance

From the Registrar, Annamalai University, R.C.No.10503-A1 of 1948 dated the 24th December 1948.

From the Registrar, Andhra University, C2.2249/48 dated the 28th December 1948.

In 1949, it is proposed to raise the following additional infantry units:-

- (i) One Infantry Battalion of two companies in the Andhra University
- (ii) One Independent Company by the Annamalai University.

The Registrars of the Universities have replied that proposals have been received from the Principals of colleges in regard to the teachers to be sent for training as officers of the NCC units. According to the instructions issued by the Director, NCC, the teachers should appear before a Civil Army Selection Board consisting of the Vice-Chancellor or D.P.I. (Chairman), a Regular Army Officer to be nominated by the Officer Commanding the Madras Sub Area and a non-official to be nominated by the Provincial Government. The Vice-Chancellors of the Universities may be asked to convene a selection board at the headquarters Madras Sub Area, will have to be addressed for the setting up of a Civil Army Selection Board. Madras Sub-area as the latter will have to nominate the Army Officer to be on the board. The candidates who have to appear before the Board for interview will have to be paid travelling allowance for their journeys from their stations to the place where the Board meets for this purpose. The Director, NCC, has suggested that Senior Division Officers who are sent up for regular training may be paid second class fares to and from the place of training and daily allowance at Rs.7-8-0 per diem for the period spent with Army Units. The Registrar Andhra University has presumed that the same rates will

allowed to candidates if they have to appear before the Selection Board outside the headquarters. It is for consideration whether the same rates may be allowed or whether the teachers may be permitted to draw travelling allowance and daily allowance admissible to officers of their grade under the Madras Travelling Allowance Rules. In regard to the procedure to be adopted for claiming and payment of the travelling allowance, the Registrar in-charge, Andhra University points out that it would be convenient if arrangements are made to issue railway warrants. In the alternative the Principals of colleges ⁱⁿ which the units are ^{to be} raised, may be asked to meet the travelling allowance claims of teachers in the first instance and then claim payment from Government.

Although this expenditure has not been included in the estimate of cost ^{furnished by the Director, it} is an unavoidable item of expenditure and has therefore to be met. Expenditure on this item will have to be met not only in respect of the two units referred to above, but also in respect of all the additional units to be raised in colleges outside Madras. Finance may therefore be consulted in regard to the procedure to be adopted in this regard.

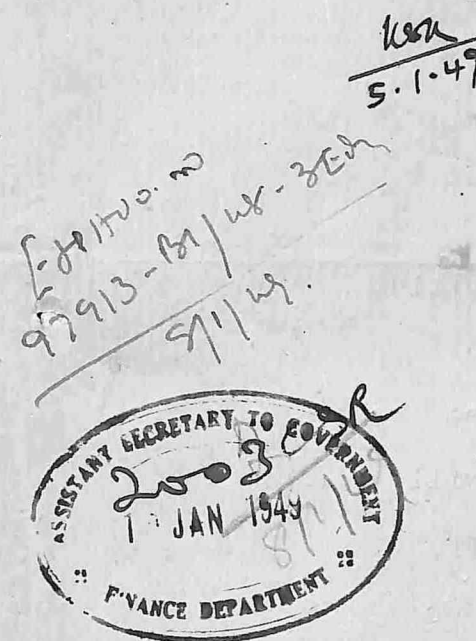

3. In regard to the question of composition of the Selection Board raised in para 2 of the Registrar's letter on page 46 c.f., he may be informed that the composition will be as stated in the latest letter from the Director, NCC, and that in respect of the Senior Division Units, the Vice-Chancellor of the University ^{should} normally be on the Board and the D.P.I. will be asked to serve on the Board only if it is not possible for the Vice Chancellor to be present. ^{The non-official member to serve on the Selection Board may be selected by Govt.} ~~may be asked to suggest the names of two non-officials and may be requested to serve on the Selection Board.~~ The Non-official members ^{will have also} ~~may also~~ to be paid travelling and daily allowances if ^{he has} ~~they~~ ~~have~~ to come from stations outside the centre where the Board meets.

4. Action ^{has} ~~will be~~ taken separately on the point raised in para 4 of the Registrar's ~~letter~~ letter on page 47 c.f.

5. The file may be sent to Finance U.O. for remarks

P.T.O.

with reference to para 2 and 3 above. A reply may be sent to the Registrars on receipt of the file back from Finance.

Finance (C.S.R.) Dept.

Notes on pp.1-3 above may be perused. In connection with the raising of additional Infantry units from the Andhra and Annamalai Universities it is proposed to send teachers for training as officers of the National Cadet Corps Units. The teachers have to appear before a Civil Army Selection Board. The points for consideration relate to the travelling allowances to be paid to the teachers.

E. & P.H. Have proposed:

- (1) that the teachers may be permitted to draw travelling allowance and daily allowance admissible to officers of their grade under the M.T.A. Rules, and
- (2) that the principals of the colleges in which the units are to be raised may be asked to meet the T.A. Claims of the teachers in the first instance and then claim payment from Government.

They have also stated that expenditure on the T.A. will have to be met not only in respect of the two units referred to above but also in respect of all the additional units to be raised in the colleges outside Madras and they have requested this Department to indicate the financial procedure to be adopted.

2. This department may agree to the two proposals referred to above. As regards the financial procedure to be followed, E. & P.H. Department

have not indicated even an approximate estimate on account of the travelling allowance. It may be stated that lumpsum provisions in respect of the National Cadet Corps have been made from the Provincial Budgets as follows:-

	R.E. 1948-49.	B.E. 1949-50
	Rs.	Rs.
Senior Division.	4,55,800	9,16,500
Junior Division		6,42,500

The selection of the teachers by the Army Selection Board was contemplated in the original scheme itself which was treated as a New Service. In the above circumstances no separate procedure need be followed in the present case.

The file may be returned to E. & P.H.

From the Registrar in charge - Andhra University no
C5-2249/48 dt 12.1.49 - H/48-49 of
From the Registrar Annamalai University
no. RC.10503A.1/48 dt 7.1.49 - H/50-51 of.

Please see the remarks of the Finance Deptt on pp 3-4 above. They have agreed to the proposal to grant travelling allowance to the teachers who are willing to undergo training as officers of the recruits for their journeys to appear before the Joint Civil Army Selection Board back at the rates admissible to officers of their grade under the M.T.A. Rules and to the Principals of colleges being asked to send

the claims in the first instance and then claim the amount from Govt. They have not offered any remarks in regard to the grant of travelling allowance to the non-official member to be nominated by Govt to serve on the Selection Board in case he has to come from an out station to attend to meeting of the Board. It is for consideration whether the grant of 1st and 2nd class may be allowed as in the case of members of 1st class Committees or Second class Committees.

3. Attention is directed to the letter from the Registrar (in charge) Andhra University on page 48 of the Director rec has objected to the selection of a candidate of the age of 40 to 45 years to undergo training as an officer of the rec and it has been communicated to the Regn Andhra University separately. The University says that he will suggest one more name in respect of the University College at Waltair.

3. The file may be circulated to HM (Rec) for nomination of a non-official member to serve on the joint Civil Army Selection Board for the selection of teachers to be sent up for training as officers of the rec. The Board will have to meet at the headquarters of the Andhra & Annamalai Universities. This approval may also be obtained to the proposal in para 1 above.

This will apparently depend on the convenience of the Army Officer to be nominated by the Rec officer.

M. B. K. Manandev Reddy
M. C. A. may be appointed

13.2.49

Please see the minutes of HM (Rec) above. It is not

97913/18/48

clear whether it is the intention of HM (Edn) that Sri Porahmananda Reddi M.L.A. should also serve on the Board for the selection of teachers of the Annamalai University also or whether he is to serve on the Board for the selection of teachers for Andhra University. In the latter case another person will have to be selected for Annamalai University. It is not also clear whether the M.L.A. has agreed to serve or whether he is to be consulted before he is nominated to serve on the Board.

In regard to the point raised at X on page 5 ante, as it is proposed to appoint an M.L.A. he will have to be paid Rs. as a member of the 10 class Committee.

The file may be circulated to HM (Edn) for clarification on the points raised at 'P' above.

16.2.49

17/2/49

S. H. (W.)

In page 5 above, it has been said that it will be a Joint Civil Army Selection Board for the selection of teachers in the Andhra and Annamalai Universities and have recommended Mr. Brahmananda Reddi's name. When it is a Joint Selection Board, I presume it is for both the Universities.

26.2.49

Please see the minutes of HM (Edn) above.

2. The word 'Joint' denotes that the Selection Board will consist of both Civil & Army personnel and not a Common Board for both the Universities.

3. The Joint Civilian Army Selection Board should normally meet at the headquarters of the University unless to suit the convenience of the Army Officer the meeting is held at his headquarters. The non-official to be nominated to the board may be separate for the two Universities or common. Orders of HM (Edn) may therefore be taken whether Sri K. Porahmananda Reddi M.L.A. may serve on both the boards or whether another will be nominated for Annamalai University.

4. A draft order & a draft letter are subd. below. The file may be circulated to HM (Edn) for orders on para 1 above.

97913/18/48

This order may also be taken whether the nominee should be consulted whether he is willing to serve before he is nominated.

18/2/49

17/3/49

S. H. (W.)

He has consented

18/3/49

Please see portion marked X on page ante. It is presumed that HM's intention is that Sri K. Brahmananda Reddi M.L.A. should serve as the non-official member to serve on the Selection Boards.

The draft order & the draft letter may now issue.
