With reference to the rules relating to building grants for aided elementary schools, grants are to be paid only after the completion of the buildings and after the production of the necessary completion certificates as required in the rules and after the execution of the mortgage deed in cases where no exemption from the execution of such deed has been granted. There is no provision for part-payment or advance payment of grants for buildings which are not fully completed.

Attention is, however, invited in this connection, to G.O.No.367 Edn., dated 25-2-1948 in which Government have recently amended the rules in the Grant-in-aid Code making provision for part-payment of sanctioned grants in respect of works in progress on the production of certain documents in the case of aided secondary schools and colleges.

I am of the opinion that in the case of building grants for aided elementary schools also provision should be made for part-payment for works in progress as in the case of aided secondary schools and colleges.

If the above proposal is approved, I shall submit suitable amendment to the rules in the "Rules for aid for elementary schools" on receipt of orders from Government.

E.P.H. (G3).

Note: Extracts of paras 2 to 4 of the Director's letter may be given to C1 section for considering the general question of part-payment of building grants for aided elementary schools in respect of works which are in progress.

Under rule 6 read with rule 3(ii) of the Rules in Chapter III - Rules relating to Grants for School Building, Building-sites and Playgrounds" in respect of Elementary Schools, building grants can be paid to the managements concerned ^{only} after the completion of the buildings. In G.O. No. 2374, Edw., dt 5.11.47, the Govt. however sanctioned part payment of building grants to aided secondary schools ~~and~~ in respect of works in progress and the Grant-in-Aide Code ~~for Secondary Schools~~ was also duly amended in G.O. No. 367, Edw., dated 25.2.1948. The D.P.I. now requests that similar provision may be made in respect of aided elementary schools also. There seems to be no objection to acceding to the Director's request. Recently, such a part-payment was permitted in ^{the case} ~~the case~~ of the Arunai Home and Orphanage for Ailing.
