Copy of letter of the Secretary dated 18th Feb. 1949 of

In acknowledging receipt of the proceedings of the Director of Public Instruction, Kc.No.993-D2/47 dated 11th Feb. 1949 and expressing our thanks for the same I beg to submit the following for favour of your kind ~~and~~ consideration-

As the sanction for this additional grant of Rs.5,000/- is received fairly late in the year we are afraid there may not be funds with the Director of Public Instruction, to pay us the said sum ~~immediately~~ during the current official year. May we most respectfully suggest to you to be so good enough as to apply to Government on our behalf immediately for an additional provision for the said sum of Rs.5,000 so that it may be possible for you to pay us the said amount before the close of the official year 1948-49. We are making this request, as at present ~~moment~~ when our building construction is about to be completed the said amount will go a great way towards enabling us to pay the bills of the Contractors so that the work may be completed as we expect in time to shift the High School classes in June 1949. We have to state that 75 per cent of the work is over now costing nearly 1,40,000/- and work to the value of Rs.35,000/- more is still to be executed and the contractors assure us that with the prompt payment of their bills they should be ~~able~~ able to complete the building.

not recd.

We are herewith sending a copy of the letter dated 14th December 1948, which we have submitted to the Government.

We hereby undertake that the remaining work as per sanction of our scheme will be completed by us without any further financial embarrassment to the Government.

Thanking you ~~once~~ again.

Grant - Building - National High School (Girls) Triplicane -
Increased grant - Payment during the year 1948-49.

From the B.P.G. Re. No. 993 B2/49. d/1-3-49.

In G.O. No. 152 Edn. d/21-1-49, the maximum grant payable towards the cost of construction of a building for the National High School (Girls), Triplicane was raised from Rs 30,000/- to Rs 35,000/-. The management of the school have now requested that the increase in the building grant viz Rs 5,000/- may be disbursed in the current year itself. As the request was made very late, the B.P.G. reports that arrangements for making the necessary provision for the grant could not be made. However taking into consideration the pressing need furtherance of the management, he recommends that the disbursement may be made in the current year.

2. Finance may be requested to state whether ~~the~~ ^{sum} ~~is any saving from which this additional grant of Rs 5,000/- required for payment in may be met during the current year itself.~~ can be provided by reappropriation from savings under other heads. The D.P.G. has already proposed reappropriation of funds to provide an addl. sum of Rs 43,300 under "37. G. Education, Secondary Direct grants to non-Govt Secondary schools A-General - 3 Buildings - Voted." It is proposed to move a supplementary estimate for a token sum of Rs 100 only under this head.

11/3/49
Action has been taken to provide the addl. sum of Rs 5000/- by reappropriation from savings within the grant. This may be returned to E & P.H.
