Sir,

Sub: Establishment-Office of the Director of
Public Instruction, Madras-Strengthening of the
Audit Section-Additional staff-continuance-
Requesting.

-@@-

In their Order No. 813 Education, dated 7-4-1948, the Government were pleased to sanction the following staff for a period of one year in my office for the work connected with the inspection and audit of accounts of the Government colleges under my control.

- 1 Junior Superintendent (II Grade) on Rs. 140-5-190.
- 1 Upper Division clerk on Rs. 80-3-95-5-125.
- 1 Lower Division clerk on Rs. 45-3-60-2-90

The sanction was given effect to on 10-4-1948. As the sanction expires on the afternoon of 9-4-1949, I request that Govt. may be pleased to sanction the continuance of the staff for another year from 10-4-49 in the circumstances explained in my letter C.No. 636-F/47 dated 2/7/1947 disposed of in the Government order referred to above and in the following circumstances.

2. At present there are 21 Government Colleges under my control-Vide enclosed list. The accounts mainly relating to the year 1947-48 of number 1 to 12 have been inspected and audited so far and it is proposed to do the same in respect of Nos. 13 to 17 before the close of the first year of audit viz. 9-4-1949. As the following 4 colleges have not completed one full year of their existence their audit and inspection of accounts will be taken up next year commencing from 10-4-1949.

College of Engineering, Anantapur--completes one academic year in June 1949 after its shifting to Anantapur from Guindy.

Government College for women, Guntur--Completes one/academic year in June 1949 under Government control.

Government Arts College, Cuddapah--Opened in July 1948.

Maharajah's college, Pudukottah--Brought under the control of Madras Government in 1948.

in 1949-50 the audit of accounts of 21 colleges for the year 1948-49 will have to be undertaken and completed.

3. It has been possible for the staff to go through the accounts Public and Quasi-public of each Government College closely and point out several defects for rectification by means of audit reports forwarded to the Principals concerned at the end of audit of each college. The inspection of accounts is intended to see whether the revenues are properly realised and brought to public and quasi-public accounts promptly; and in regard to expenditure, whether the rules relating to purchase,

receipt and issue, custody, stock-taking of stores etc., are properly carried into effect. The audit of Government colleges has served the purpose for which it is intended and I, therefore, recommend the continuance of the staff for another year.

3. Necessary appropriation for the continuance of the staff beyond the present sanction has been included in Part I of my estimates for 1949-50 under "37(0)-Education-General-Direction".

Yours faithfully,

hsmh

Please see the note of the Fin dept on the previous page. The Cabinet decided that the Edn. dept should not be excluded from the purview of the 12½ cut and that H.M.(Edn) should try to effect retrenchment as far as possible; the file has been subd. to H.M.(Edn). It is not likely that a final decision in the matter will be taken before the expiry of the present sanction for these appointments. 10.4.49. H.M. may like to consult the D.P. and he in turn may like to consult some of his subordinates. Further, the staff in the present case was sanctioned for a special purpose viz audit of govt. educational institutions. Both H.M.(Edn) and H.M.(Fin) have pointed out that proper audit is quite necessary.

In these circumstances the Fin dept may be requested to agree to the continuance of the staff in the present case without waiting for a decision on the 12½ per cent cut question.
