Subject.

Elementary Education--Aided Schools in Pudukottah Territory
Relaxation from imposition of Statutory cut in grants--Recommended.

REFERENCE:-

Letter Roc.No.A-3-1659/48 dated 24.1.1949 of the District
Educational Officer, Tiruchirapalli.

Copy submitted to the Secretary to the Government of
Madras, Education and Public Health Department, Fort St. George,
Madras and recommended that in the circumstances explained by the
District Educational Officer the schools in Pudukottah Territory
may be granted relaxation from the application of the statutory
cut for disproportionate strength between standards I and IV and
V referred to in Rule 4(6) of the rules for aid as a special case
for a period of 3 years from 1.1.1948 the date from which the

Copy of letter R.C.No.A3-1659 of 1948 dated 24.1.1949 of the District
Educational Officer, ~~Tir~~ Tiruchirapalli.

Sub:-Sanction of grants--Pudukkottai--Aided Schools--Statutory cut--
Rule to be waived for 1948.

While clarifying the conditions of Recognition and Aid for the
Aided Elementary Schools in the Pudukkottai territory, the rule imposing
the Statutory Cut was not clarified till now. Most of the schools are
situated in backward areas having students upto III or IV standards in
some cases and not classified as feeder as is the practice in the
dominion areas. These cases have to be determined in future, as during
1948, the Madras rules were explained to the schools in the territory after
August 1948 - viz. the posting of the Assistant Special Officer to
Pudukkottai and therefore they were not in a position to satisfy the
Statutory cut rule - especially as several schools were inspected before
August 1948.

I therefore request urgent orders exempting the Pudukkottai Aided Schools from the operation of the Statutory Cut rule for a period of 3 years from 1.1.1948 to enable them to come in a line with the schools in the dominion as the teaching grant statements are being checked. I request the favour of very urgent orders so that the final grant for 1948 may be paid as early as possible.
