-E@E-

I have the honour to submit herewith a copy of the
minutes of the meeting of the Further Education Board held on
20/11/1948.

2. I request that the Resolution IV may be approved. The
two years' interval prescribed by the Board previously is reckoned
from the date of the soldier's release from the army. By
reckoning this it happens that the limit of two years' interval
is exceeded when the candidate actually join the college. E.G.
A candidate given admission in July of a year but the limit
of two years interval ~~has~~ lapses in June when the college is
not opened. In such cases there is hardship. The present reso-
lution of the Board is intended to mitigate such hardship.

Yours faithfully,

K. S. Hanumanth

for Director of Public Instruction.

Board recommends that the rule may be relaxed and instead of two calendar years two consecutive chances for gaining admission may be taken into account.

while in the case of professional colleges where there may be difficulty for seats, this concession may be justifiable ~~there~~ does not appear to be any case for relaxing the existing rules in the case of those seeking admission in Arts and Law Colleges.
