Re. No. 8165-B2/46 dated 20.1.1949.

Sir,

Sub:- ELEMENTARY EDUCATION - Aided Schools - Building Grant Schemes - Construction of a pucca building and additional building for the Olcott Memorial School, Adyar - Payment of increased grant - Sanction requested -

5928

In G.O. No. Ms. 853 Education dated 26-4-47; Government have sanctioned a full grant not exceeding Rs.5000/- to the management of the Olcott Memorial School, Adyar, towards the cost for the construction of a pucca tiled shed in the place of the thatched shed destroyed by fire in September 1946.

The construction of the above building has been completed and the payment of the grant of Rs.5000/- was sanctioned by me in February 1948, exempting the management from the execution of the mortgage deed. The Correspondent now states that the actual expenditure for the construction has increased Rs.9281/- i.e. Rs.4281/- over and above the sanctioned amount of Rs.5000/- sanctioned in the G.O. aforesaid, and requests that the increased amount may kindly be paid to the management. The vouchers with reference to which the actual cost has been worked out, has been scrutinised by the Joint Consulting Architect to Government and he has recommended that the increased amount may be admitted.

I therefore request that an additional grant of Rs.4281/- in respect of this scheme may be sanctioned, and that I may be permitted to sanction the payment of the amount, the expenditure being met from the current year's allotment under "Building Grants for Aided Elementary Schools" and additional allotment being applied for later, if necessary.

I have also approved the scheme for the construction of an additional block for the above school at an estimated cost of Rs.2642/- and have included that scheme in the list of approved works in March 1947. The construction has been completed and the management have submitted necessary vouchers and request the payment of grant. The management have been exempted from the execution of the mortgage deed in this case also. It is submitted in this connection, that while Government have in G.O. No. 835 Edn., dated 9.4.48 sanctioned a grant not exceeding Rs.1321/- only towards the scheme. While submitting completion certificate and vouchers, the Correspondent reports that the expenditure has risen up to Rs.3947.12.6 and request the sanction of a half grant based on the actual expenditure. The Joint Consulting Architect to Government has scrutinised the above vouchers also and recommends that the revised estimate of cost may be accepted.

Hence, I request that Government may be pleased to sanction Rs.1973-14-3 or (Rs.1974/- in round figures) instead of Rs.1321/- originally sanctioned in respect of this scheme.

Yours faithfully,

J. S. Sankaranarayanan

Payment of increased grant.

From the D.P.I No 8/65-B2/46 dated 20-1-'49

S/71EP

In September, 1946 the management of the Oblett Memorial School, Adyar, applied for a grant of Rs 7,000/- towards the cost of construction of a pucca tiled shed in the place of the thatched shed destroyed by fire. It was first considered that it was for the Labour Dept to sanction the grant in question as the school was mainly run for the benefit of Harijan children. But in view of the useful work done by the school ^{the Govt sanctioned to the Management} in G.O. No 825 Edn dated 26-4-47 the Govt have sanctioned a full grant not exceeding Rs 5,000/- to the management of the Oblett Memorial school towards the cost of construction of a pucca tiled shed. The D.P.I now reports that the construction of the above building has been completed and the payment of the grant of Rs 5,000 was sanctioned by him in February, 1948. exempting the management of from the execution of the mortgage deed and that the actual expenditure for the construction has increased to Rs 9,281 i.e. Rs 4,281 over and above the sanctioned amount of Rs 5,000. He also states that the Joint Consultant Architect to Govt has recommended that the increased amount may be admitted and requests that an additional amount of Rs 4,281 in respect of this scheme may be sanctioned. His proposal may be approved.
