Sir,

Sub: EDUCATION--Secondary--Establishment--District Board, North Arcot--
Appointment--Secondary Grade Assistants with Intermediate qualifi-
cations--to do duty in L.T., Vacancies--Sanction requested.

...OooOooO...

The District Board maintains 10 High schools and three Middle schools. There are twenty-one temporary sections in Higher forms. Early in May 1948 an advertisement was made in news papers inviting applications from L.T. candidates. A few candidates who responded did not join duty on appointments made. The several vacancies had to be filled up only by appointing graduates who were available readily to accept the post. In view of the difficulty to secure the services of even graduates, I have appointed the following secondary grade teachers with intermediate qualifications to handle the Higher forms on payment of a special pay of Rs.15 per month subject to the conditions laid down in G. O. No. Ms. 2900, Education, dated 13-9-1947 in respect of similar arrangements made during the year 1947-48. I request the proposals may be approved for the current year in view of the dearth of trained or untrained graduates subject to the same conditions.
