QUESTIONS AND ANSWERS

457

22nd January 1949]

M. A. MUHAMMAD IBRAHIM SAHIB BAHADUR:—" May I know, Sir, whether the Government are really acting up to the recommendations of the Prohibition Enquiry Committee in this matter?"

THE HON. DR. S. GURUBATHAM:—" Yes, Sir. As I answered two days ago, we have taken two questions and the third question is under consideration."

Proposal to establish an Arts College in the Nilgiris district.

* 588 Q.—SRI K. BOKKAI GOWDER: Will the Hon. the Minister for Education be pleased to state whether any representation has been sent by the public of the Nilgiris for establishing an Arts College in the Nilgiris district, and if so, what action has been taken on the representation?

THE HON. SRI B. GOPALA REDDI (on behalf of the Hon. the Minister for Education):—" The Government have decided that the proposal to open a Government College in the Nilgiris district may be deferred."

SRI K. BOKKAI GOWDER:—" In spite of the declared ^{3 p.m.} policy of the Government to have at least one college for every district, may I know why they have deferred the proposal to open a college in the Nilgiris district, especially when its population consists mostly of backward classes and hill tribes?"

THE HON. SRI B. GOPALA REDDI:—" The hon. Member has not understood the policy of the Government properly. The policy is to see that there is at least one college for every district. It does not mean that they themselves are going to start a college in every district."

SRI V. I. MUNISWAMY PILLAY:—" Since the Government have recently ordered the stoppage of exodus to the Nilgiris, will they at least consider the desirability of opening a college there so that people from various parts of the country may come to learn and at the same time enjoy the bracing climate?"

THE HON. SRI B. GOPALA REDDI:—" I have already answered that the proposal for opening a Government college has been deferred."

ABDUL HAMEED KHAN SAHIB BAHADUR:—" Is it not the duty of the Government to start a college themselves especially in a backward district where the people are poor and cannot afford to maintain a college?"

THE HON. SRI B. GOPALA REDDI:—" While it is desirable to give preferential treatment to backward areas it must be consistent with the financial position of the Government."

SRI V. I. MUNISWAMY PILLAY:—" If the Government are not in a position to start a college themselves, may I know the conditions under which private agencies will be allowed to start a college?"

P.T.O.

P.T.O.

[22nd January 1949]

THE HON. SRI B. GOPALA REDDI:—"There are no conditions."

SRI K. BOKKAI GOWDER:—"Is it not a fact that the Hon. Minister for Education asked for one lakh of rupees from the public to enable the Government to open a college?"

THE HON. SRI B. GOPALA REDDI:—"I am not aware of it. If he had asked for one lakh of rupees and if it had been given, perhaps the Government would have considered the question. But was that given?"

SRI T. VISWANATHAM:—"If the Government deferred the proposal for want of finance, will they consider the raising of funds by levying a tax on all people who visit Ootacamund during summer?"

THE HON. SRI B. GOPALA REDDI:—"Since the Government are not moving to the hill stations, many people are not going there even at present. The levy of a tax will complete the process and nobody will go to the Nilgiris."

SRI K. BOKKAI GOWDER:—"Are the Government aware that the Government of West Bengal have opened a college exclusively for backward classes, and as the Nilgiris also is populated mostly by backward classes and hill tribes, is it not the duty of the Government to open a college there?"

THE HON. SRI B. GOPALA REDDI:—"After considering all aspects, the Government thought that the proposal could safely be deferred."

Land allotted to political sufferers.

* 589 Q.—SRI M. KANNIAPPAN (on behalf of Sri R. Subbier): Will the Hon. the Minister for Land Revenue be pleased to state—

(a) in how many districts lands have been assigned to political sufferers and to how many; and

(b) whether it is a fact that the Collector of Chingleput has raised objections to the assignment of lands already allotted to political sufferers by previous Collectors, and if so, on what grounds?

THE HON. SRI B. GOPALA REDDI (on behalf of the Hon. the Minister for Land Revenue):—" (a) Up to the end of October 1948, 1,152 political sufferers in all had been assigned lands either permanently or provisionally in the several districts of the province excepting Vizagapatnam, Coimbatore, Malabar and South Kanara.

" (b) The Collector of Chingleput had in some cases to cancel the provisional allotment made by the previous Collector. This became necessary as further inquiries revealed the
