SCHOLARSHIPS FOR ADVANCED STUDIES OVERSEAS
1947-48 - MADRAS GOVERNMENT SCHEME - SUPPLEMENTARY SELECTION.

.....

Sir,

In continuation of this Department letter of even number dated the 24th June 1947 on the subject mentioned above, I am directed to forward herewith the application and other documents mentioned against the following additional Madras Government sponsored scholar who has been awarded Overseas Scholarship 1947-48:-

Sl.No.	Name	Subject	Exact branch of subject.	Nature and duration of training.	Institution and country where admission desired.	Documents forwarded.
1.	Mr. Abdullah Muhammad Ali Khan Ghorl.	Industrial and Applied Chemistry.	Tanning Curry-ing and Leather Technology.	M.Sc. Degree two years	1. Leeds University. 2. Manchester University 3. Leather Sellers' Co's (Hons) Technical College, Town Bridge, Road to Bermendgey, London S.E.1.	1. P F size photo 2. B. 11

2. Copies of Mr. Ghorl's S.S.L.C. and Intermediate Certificates will follow.

3. The award of a Provincial Overseas Scholarship 1948 to Mr. M.A.K. Ghorl is conditional on the availability his admission abroad this year. The Provincial Government

have been informed that while every effort will be made to secure his admission abroad during this year, in case it is not possible in view of the precarious position of admissions to foreign educational institutions. The Scholarships provisionally awarded to him will lapse and he will have to apply a fresh next year, if he so desires, provided that the Overseas Scholarships scheme is continued for that year. I am therefore, to request that every endeavour may kindly be made to secure a place for Mr. Ghori at any of the institutions mentioned above during this year.

4. To facilitate reference, it is requested that this letter may kindly be quoted while intimating this Department the admission of the scholar mentioned herein.

Kindly acknowledge receipt of this letter.

I have the honour to be,
Sir,
Your most obedient servant,

(Mrs. P. Johari)
FOR SECRETARY

No.F.4-2/47-OD.IV

Copy forwarded for information to:-

1. His Excellency the Ambassador for India, in the United States of America, Educational Department, Indian Embassy Washington D.C.8.

✓ 2. The Secretary to the Government of Madras, Education and Public Health Department, Madras with reference to his letter No.24551C2/47-7Edn dated the 18th July 1947.

3. Overseas Division V.

By order,

(Mrs. P. Johari)
FOR SECRETARY

"GLD"

he is in their permanent employment or is in their temporary employment and eligible for study leave.

4. It is observed from the United Kingdom statement showing particulars of the courses of studies etc., in respect of their overseas Scholarships 1947-48 forwarded by the Provincial Government under their letter No.55453c2/46-20-Edn dated the 6th February 1947 that they desire training to be arranged at any of the institutions in the United Kingdom suggested therein for the ~~M.Sc.~~ M.Sc. Degree in the subject "Industrial and Applied Chemistry Tanning Currying and Leather Technology" covering a period of two years and one year practical.

5. In connection with the duration of training abroad reference is invited to paragraph 13 of this Department letter No.F.5-15/46-OD.IV dated the 25th October 1946. The average duration of courses for advanced studies abroad is two years as normally candidates are selected for postgraduate courses. It is therefore presumed that the Provincial Government will agree to limit the duration of training of Mr. Ghori to the normal period of two years. Kindly wire confirmation. The High Commissioner for India, London, is being advised accordingly.

6. Copies of Mr. Ghori's S.S.L.C. and Intermediate certificates which do not appear to have been received in this Department along with his application may kindly be forwarded in duplicate at a very early date for onward transmission abroad.

I have the honour to be,
Sir,
Your most obedient servant,

(Mrs. P. Johari)

Mr. Abdullah Mohamed Ali

Khan Shori is informed that it has not been possible to secure facilities for his training in "Industrial and Applied Chemistry - Tanning Currying and Leather Technology" in the U.K. owing to lack of accommodation. His papers are therefore being diverted from the U.K. to the U.S.A. The Ed. Liaison officer in America will arrange for his admission in a suitable institution in that country. The Candidate is asked to apply to the Secy to Govt, Home Dept, Madras and to get his passport endorsed for entry into the U.S.A. When a seat is secured for him in America, a certificate in the prescribed form will be furnished to him for obtaining a visa from the American Consulate.

A copy of an apply form for admission to an Ed. institution in the U.S.A. is enclosed. Mr. Shori is requested to fill in the form and send it to Govt at a very early date.

.....

I have been selected by the Madras Government early in 1947, for undergoing Post-Graduate training in leather Technology, Tanning and Currying, in the United States of America. This selection has also been approved by the Central Government.

It is nearly a year since I was selected, but I have not received any information regarding my admission in any of the Educational Institutions in America for which the Government have been trying. I have been wholly depending on this selection all this time, as under the present circumstances in which I am placed, I am in a position to seek employment either in Government Department or in private undertakings only for the reason that my stay in India is quite uncertain; I have been expecting the Government intimation on my admission in the U.S.A. at any moment especially the Government have informed me more than once to prepare myself ready for sailing to that country at a short notice. In view of this the private companies hesitate to take me on employment as at any time I may have to leave them on receipt of Government orders; neither can I start any private enterprise of my own because of this reason. So I have been all long idling away my time with the result that I am losing my knowledge of the subject. If this state of affairs continues, I am afraid in the course of some more time, I may find myself to be in no better position than a layman especially on the practical side.

Hence I request you to kindly recommend for my appointment in any suitable capacity befitting my qualifications and experience in the Central Research Institute for Leather pending orders from the Government on the result of my Overseas selection.

I again request you to kindly review my case favourably and pass early orders for which I shall ever be grateful

Sir,

I am a Govt. overseas scholar selected by the Provencial Govt. for 1947-48 for undergoing specialised training in Industrial and applied chemistry - Leather Technology, in foriegn universities.

41116 Orders are being awaited by the Madras Govt. for securing a seat for me in the American universities. Till the receipt of ordres I may be given a suitable job befitting my qualifications and experience so that I may not lose touch in the subject.

As regards my qualifications I am a B.Sc. (Hons.) graduate in chemistry and also a B.Sc. (Tech.) graduate of the A.C. College of Tech. Guindy. In the post graduate technology course we are taught industrial and applied chemistry, general chemical technology and industrial economics, besides the special subject which is leather technology for me

With these qualifications and experience I am fully confident of taking up any responsible appointment connected with Industrial and applied chemistry and also chemical technology. I therefore humbly request to appoint me in any of the responsible posts.

Yours obediently

Sir,

I am a B.Sc(Hons) in Chemistry and B.Sc(Tech) in Leather Technology of the University of Madras. I have been awarded the Scholarship for Higher Studies Overseas in Leather Technology by the Govt. of Madras for the year 1947-48.

I understand that the Senior Chemist in the Institute of Leather Technology one of the Overseas Scholars has secured admission in U.S.A. and is leaving shortly. Since I am to specialise in Leather Technology I will be very much benefitted if I were given the opportunity to work as Senior Chemist in the Institute of Leather Technology until I secure a seat in U.S.A.

This will keep me in touch with the subject and will also be a sort foundation for my further work in U.S.A.

Yours faithfully.

Dr. Tara Chand M.A., D.Phil.

To
The Chief Secretary,
Government of Madras.
MADRAS.

Sir,

I am directed to refer to the correspondence resting with your/this Ministry letter No. of even number dt. 22nd Oct '48 regarding Mr. Abdullah Mohd. Ali Khan Ghorl sponsored scholar for Tanning, Currying and Leather Technology.

2. As the Provincial Government are aware efforts were first made to secure admission for this scholar in the U.K./U.S.A., and when this proved unsuccessful, the papers were diverted to the U.S.A./U.K., but here, too, sustained efforts have proved of no avail and the position now is that admission for this scholar cannot be obtained in either the U.S.A. or the U.K.

3. Experience in the working of the O.S. Scheme, in so far as it concerns the employment of scholars on their return from abroad on the completion of this studies, has shown that scheme has not achieved the success anticipated: Several of the Provincial Governments have reported their inability to find employment for their scholars and have sought the aid of the Government of India in this behalf. This is clearly not a very satisfactory position, from the point of view of Government, taking into account the monies spent on the training of the scholars abroad, as also from the point of view of the scholars themselves, as it leads to a sense of frustration.

4. In view of the above facts that Government of India have, in furtherance of the decision to continue the Overseas Scheme, given special consideration to the

86
the employment aspect of it and it is anticipated that in this regard a definite point will be made that only such scholars should be sent abroad as could be absorbed in specific undertakings, in operation or planned.

5. As admission has not been secured for

Mr. AM. ALI KHAN GHORI the Government of India are of the opinion that further consideration of his case should be in the light of the above remarks. If the Provincial Government are in a position to give an assurance that the scholar will be suitably employed on his return in a specific undertaking in operation or planned, further steps will be taken to try for his admission. In the event of the Provincial Government not being able to give such an assurance, the Government of India would like to consider if the scholarship is to be cancelled.

6. I am to request that the decision of the Provincial Government in this matter may be communicated to this Ministry at an early date.

Dear Mr. D'Rozario:

Relative to yours of January 7th addressed to Dean Hibshman: /This has been referred to me and concerns the Government of India sponsored scholarships of Messrs. A.M.A.K. Ghori and Q.S. Saifuddin.

According to the records of these gentlemen, many courses for which they have already received credit are included in our curriculum; kindly refer to enclosed bulletin.

For these students to attend this school and repeat such courses would be a waste of time, therefore, we suggest that if they are interested, we arrange a special one year course devoted principally to the subject of Tanning. At present, we have several students for whom we have made similar accommodations, and they are completing the Tanning course in one year instead of the usual two years.

We are also enclosing two application blanks for admission to this school. Since we have the students' scholastic record, it will not be necessary for them to fill in the third page of this form. Receipt of these applications will be necessary before acceptance of the students is final.

Please be advised that the tuition fee for foreign students is \$1,000.00 per year.

We shall be only too happy to answer any other inquiries you may wish to make relative to the foregoing.

Yours truly,

A.W. Goetz.

To
The Secretary to Government,
Education Department,
Secretariat,
Fort St. George,
Madras.

Sir,

I am a candidate selected by the Madras Government in 1947 with reference to the Memo. No. 65912 C2/47-3, Education, dated 3rd October 1947 for undergoing overseas training in Leather Technology under the scheme sponsored by the Government of India. In my case the Government of Madras and the Government of India had together to meet in full the expenditure involved in prosecuting my studies abroad. As instructed by the Madras Government from time to time I was keeping myself in readiness since the last two years to perform the journey to U.S.A. at any moment I was called upon to do so. But to my great disappointment, I received a copy of the letter Ms. No. 757, Education, dated 17th March 1949 from the Madras Government to the Central Government cancelling my candidature for the overseas training as "a suitable job cannot be provided for him, on his return under the present circumstances". This was a severe blow for me as I had all along been solely depending on this selection and could not, in the full hope of leaving India at any time, fix myself up with any job or business.

2. Now, the Government Memo. No. 35068-E2/49-1, Education, dated 19th May 1949 has been received intimating that the admission in the Pratt Institute is still open and asking me whether I am prepared to proceed to U.S.A. as a private candidate.

3. My father, Janab Abdullah Khan Ghorl Saheb is retired as a District Judge. Since his retirement in 1943 our family is very much handicapped financially owing to illness and other causes. His pension of about Rs. 300 is barely sufficient to maintain the family in these days of high cost of living especially so when he has to meet the expenditure of education of his last two sons (my younger brothers) who are still studying in the Medical and Arts Colleges. However, had he continued to be in service now, he would certainly have found no difficulty in sending me as a private candidate.

4. The Government of India, as sponsorers of the scheme have with great difficulty managed to secure admission for me in the Pratt Institute, U.S.A. The fact that the admission is still kept open, and I am asked about my preparedness to take up the course as a private candidate, makes me believe that the Government are still interested in the Scheme and that after a period of two years of study when I return, the circumstances that might be prevailing then, may afford many opportunities of service for me, which cannot be foreseen at present.

5. Since the Madras Government are doubtful of utilising my services after my return from U.S.A. and as the Government of India were prepared to meet 50% of the total expenses I

106
-2-
request that I may be considered as a candidate sponsored by the Government of India who may be requested to meet the full costs of my studies. If, however, the Government of India do not agree to make a full grant for the course of study and if they are prepared to meet half the cost, I beg to suggest that the Government of India or the Government of Madras may advance to me, as a loan, an amount equivalent to half the cost, to be repaid in monthly instalments after my return from abroad as directed by the Government.

6 I shall execute a bond on the terms and conditions laid down by the Government, binding myself inter-alia to take up any appointment anywhere in India either in the Government or private institutions as directed by the Government and to take up that post if called upon to do so within a period of five years from my return,

7 In these circumstances, I request that the question of sending me abroad by a full grant or half grant and half loan may please be reconsidered and my case recommended favourably to the Government of India.

Thanking you,

Yours obediently,

A. Md. Ali Khan Ghor

MR. A.M.A.K. GHORI.

Sir,

In continuation of this Ministry letter of even number dated the 4th May, 1949, on the subject mentioned above I am directed to state that the Indian Embassy, Washington, have since informed this Ministry that the admission of Mr. Ghor in the school of Leather and Tanning Technology, Pratt Institute, shall be kept open in September, 1949, entering class as long as possible. Your reply to this Ministry letter quoted above may please be expedited.

From the Government of India, Department of Education, No. F.4-2/47-ODIV dated 8-8-47.

Overseas Scholarships - 1947-48 -
Mr. A. Muhammad Ali Khan Ghori.

In sending the recommendations to the Government of India in respect of the overseas scholarships for 1947-48 this Government had placed Mr. A. Muhammad Ali Khan Ghori as first in the order of merit for the subject "Tanning, Currying and Leather Technology". Before arriving at a decision regarding the selection of a candidate for the subject, the Government of India wanted to know whether Mr. Ghori had passed the B.Sc. (Tech.) Degree examination held in April 1947 for which he had stated in his application he was going to appear. The Government of India were informed that Mr. Ghori ~~had~~ ^{passed the} B.Sc. (Tech) degree ^{exam} in second class. In their letter on ~~xxx~~ pages 3-4 c.f. that Govt. have agreed to Mr. Ghori's selection ^{for} the scholarship. The following remarks are called for on the letter.

Para 2 of India's letter: The condition mentioned in this paragraph ~~was also~~ ^{has been} stipulated in respect of all other scholarships awarded this year. Please see in this connection ~~the~~ para. 8 of the note on page 22 n.f. and para 3 of the letter to the G. of India on pages 129-131 c.f. of linked file.

Para 3 of India's letter: The Govt. of India may be informed that Mr. Ghori is ~~not~~ ^{neither} in the permanent employ of this Govt. nor ~~is~~ in their temporary employment and eligible for study leave.

Paras ~~xxx~~ 4 and 5 of India's letter: In 1946-47 one candidate was sponsored by the Govt. ~~of~~ for undergoing advanced studies in "Leather Technology". ~~That~~ The candidate has now gone to America for a two year course. It seems there will be no objection to restricting the period of scholarship for Mr. Ghori to two years. A draft telegram to the G. of India is put up. Devt. may see for acceptance.

Para 6 of India's letter: A draft memo. to the candidate is put up for approval.

The Govt. has cancelled the scholarship awarded to Mr. Ghori and for this on their contents were not required by him on return. This decision was taken on account of his difficulty experienced in finding suitable employment for his relatives returning from abroad after completion of his studies. If Mr. Ghori's case is to be re-considered on the ground that admission in the U.S.A. is still open, the cases of his other two relatives will also have to be re-considered. Mr. Md. Ali Khan Lahore is a
Candidate selected in 1947-48 for the
award of a scholarship in "Industrial &

Technology". Admission was fixed for him in
some of the institutions of Lk. but without
success. His papers have therefore been transferred

may be secured as early as possible in view
of the conditional award of scholarships in 1947-48.
So far no offer of admission has been received.

The scholar has applied to the C.G.D.
that during the period of waiting he may be
recommended for employment in the Central Research
Institute for Leather. The C.G.D. have forwarded
his appln. to this Govt. for such action as
may be considered necessary. There seems to be
no objection to allowing the scholar to take up
any employment for the period of waiting
provided his employer are willing to
release him as soon as admission is ready.
So far as the Central Research Institute
for Leather is concerned, the Madras Centre has

by

not begun to function. The foundation stone has just been laid only.

3. The scholar has also sent a letter to his host requesting that during the period of waiting he may be given a suitable job fitting his qualifications & experience so that he may not be out of touch with his subject. His subject of research being 'Health Technology' an attempt may perhaps be made to get employment for him in the Institute of Health Technology, Washermanpet, Cnc. 1945 scholar, Sri Pralanganamurti, is already employed there temporarily as Senior Chemist until he gets admission in the U.S.A. Mr. Pralanganamurti may have to be relieved shortly as he (Govt) have intimations that admission is being secured for him in the Utah University, U.S.A. Mr. Ashok may be employed temporarily in that vacancy when it arises or in any other vacancy, if available. Dev may be requested to offer his remarks in the matter.

scholar, Mr T. Rajagopal Rao, for advanced
studies in this subject and he is expected to
return in August '49. If there is any suitable
post under Govt, this scholar will have to
be appointed first. In the circumstances Mr
Ghori's scholarship may perhaps be cancelled
if the draft letter submitted below is for
approval for return as to cancellation.

Perhaps, we may await a
decision in the file re. Mr. D.V.
Rao on the legality of cancelling
his scholarship in the same
case.

The Govt have since decided not
to send abroad scholar detained in India
for want of admission and passage. Of the
seven scholars detained in India, the scholarship
of six have been cancelled. The 7th scholar is
Mr Ghori. The Govt have now ~~informed~~ that this
scholar has been offered admission for one year's
advanced course in Leather Technology at the
Pratt Institute, Brooklyn, New York and enquire
whether the admission will be accepted by the
Govt. There is no suitable post for the scholar
and as the Govt have decided
not to send further scholars abroad, his scholarship
may be cancelled.

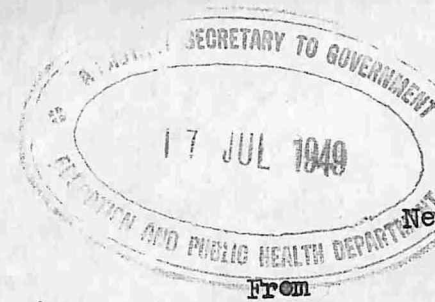

A draft letter to the Govt is submitted
for approval.

SUBJECT:-SCHOLARSHIPS FOR ADVANCED STUDIES OVERSEAS 1947-48 MADRAS
GOVERNMENT SPONSORED SCHOLAR MR. MD. ALI KHAN GHORI.

Sir,

I am directed to refer to your letter No. 35068E2/49-2 Edu dated 15th June, 1949, on the above subject and to say that the Government of India regret that they do not accept the Scholar's proposal that he should be sent abroad as a central Scholar and meet the entire expenditure on his studies abroad, nor are they prepared to agree to his alternative proposal that the Government of India should meet half the expenses and advance him a loan equivalent to the other half. The Provincial Government may, however consider granting a loan to the scholar to enable him to meet all his expenses abroad.

2. I am to request that this Ministry may please be informed within one month of the date of receipt of this letter if Mr. Ghori would like to go abroad entirely at his own cost as a private candidate even if no loan is granted to him by Provincial Government. It is necessary that Indian Embassy, Washington should be informed as soon as possible whether or not the admission at the P. I. Institute is to be availed of.

Yours faithfully,

Vikram Singh

Overseas Scholarships - 1946-1947 - Mr. Md. Ali Khan - Ghorai.

From the Govt. of India, Ministry of Education No. F.4-2/S-12/47 - S2 dated 14-7-49.
oOo

Mr. Md. Ali Khan Ghorai was selected in 1946-7 as a sponsored scholar for advanced studies in Leather Technology under the Overseas Scholarships Scheme with the intention to absorb him in Industries (Govt. or private industries) on return. As he could not get admission to a University at the proper time ^{and} as it was found that the Govt. could not offer him a suitable post according to the terms of the bond on his return from studies, his scholarship was cancelled. The scholarships awarded to six other candidates were also cancelled under similar circumstances. Subsequently, admission was ~~secured~~ ^{secured} for him in the Pratt Institute, U.S.A. and the Govt. of India enquired whether the candidate would go to the U.S.A. as a private candidate ~~in~~ meeting the entire expenditure himself. The candidate was consulted and his reply is at pp 105-106 of ^{60 Lr. 757 dated 17/3/49} (A). He stated his difficulties about going abroad as a private candidate and requested that he might be considered as a candidate sponsored by the G. of India and that they might therefore meet the entire cost of his studies. If the G. of I did not agree to that, he suggested that 50% of the cost might be met by ~~them~~ ^{him} and that for the balance, a loan might be advanced to him either by the Govt. of India or the Madras Govt., repayable in monthly instalments after his return to India. The candidate was prepared to execute a bond to serve the Govt. on return.

2. The candidate's reply was referred to the G. of I who do not agree to either of ^{his} ~~the~~ requests. The G. of India suggest that this Govt. may consider ^{the granting of} a loan to the scholar to enable him to meet all his expenses abroad. They desire to know whether the candidate would like to go abroad entirely at his own cost as a private candidate if no loan is granted by the Madras Govt.

Candidate, I am to request, that the Indian Embassy may be informed ~~to get~~ ^{that} the admission ~~at~~ ⁱⁿ Pratt Institute, cancelled.

3. The duration of the course of studies abroad is ordinarily ~~two~~ two years and the expenditure for this period is about Rs.15,000, on the basis of the amount spent by Govt. on their scholars. If a loan of this amount is paid to ~~be~~ the scholar he will repay the amount in monthly instalments only after his return from abroad, i.e. about 3 years after the loan is advanced to him, and it will ^{be} ~~take~~ some years before the entire amount is repaid. This Govt. do not require the services of the scholar. His scholarship was cancelled along with those awarded to some other scholars and there seems to be no justification for the Govt. to take any special interest in this candidate. There seems to be no ^{justification} ~~ground~~ to give him any loan. For orders.

4. The candidate has already stated his difficulties to meet the entire cost and go abroad as a private candidate - vide para 3 of his letter on p-105 of (A). It does not, therefore, seem necessary to ask him again whether he would like to go abroad entirely at his own cost, ~~as suggested by the G. of India~~. The G. of India may be requested to inform the Embassy to cancel the admission at the Pratt Institute. For orders.

Finance may see. *for remarks.*
