Rc.2612B2/47 dated 10th March '49

Sir,

Sub:--ELEMENTARY EDUCATION--Aided Schools--Building
grant--Avvai Home and Orphanage, Adyar.

Ref:--1. Go.No.Ms.475 Edn. dated 21-2-49
2. My letter Rc.2612B2/47 dated 1-3-49

With reference to para 2 of G.O. No.2980 Edn. dated 26-11-48 and in continuation of my letter referred to above, I am submitting herewith the estimates of cost (both original and a revised one) relating to the scheme, together with a copy of the Joint Consulting Architect's remarks dated 7-3-49 recommending the acceptance of the revised cost and to state that in view of the remarks contained therein the revised estimate viz. Rs.80,440/- may be approved and a half grant sanctioned on the above basis.

2 In this connection I invite the attention of Government to para 1 of the G.O. referred to above, wherein Government have permitted me to sanction the payment of balance of the grant of Rs.19,500/- on the production of proper vouchers. In view of the fact that payment has to be made in the current year itself and in view of the fact that it may not be possible for me to disburse the grant before the end of March '49 the title of the management has to be examined by the Government Solicitor and a mortgage deed got executed by the management as required under the rules before the payment is made, I request to be informed whether I may sanction the payment of the grant of Rs.19,500/- on receipt of proper vouchers pending the execution of mortgage deed after the Government Solicitor is satisfied with the title of the management which may be done in due course.

3 I request that Government may be pleased to issue orders at a very early date so as to enable me to disburse the grant before the end of the current financial year.

Yours faithfully,

D. P. Sankaranarayanan

Avvai Home & ~~Orphanage~~, Adyar--Constn of a School building

The original estimate seems to have been prepared in 1946
as per rates obtaining then. The revised estimate has been prepared
as per 1949 rates. The work seems to have been completed as per the
revised estimate which is the actual expenditure. The increase in the
revised estimate is only reasonable, due to the rise in prices of materials
and labour. The revised estimate for Rs.80,439-4-0 may be approved
for grant purposes.
