Enclosures: No. Roc 317 B3/46 dated 14-3-1949.

Sir,

Sub:-- Elementary Education--Buildings--District Board, North Arcot--Construction of buildings for the Board Elementary schools at Thellar and Matam--final payment of subsidy--recommended.

A grant of Rs. 9,600/- on half grant basis was sanctioned in G.O. No. 644 Edn. dated 5-5-1942 for the construction of two elementary school buildings at Thellar and Matam at the rate of Rs. 4,800/- for each school. The following amounts have been sanctioned so far to the Board:--

Rs. 1,759 in G.O. No. 39 Edn. dated 8-1-1943.
 Rs. 1,320 in G.O. No. 601 Edn. dated 15-3-1946.
 Rs. 3,993 in G.O. No. 2550 Edn. dated 7-10-1948.
 Rs. 7,072

2. The total payment so far made for the two schemes is Rs. 7,072/- and a balance of Rs. 2,528/- (Rs. 9,600 - 7,072) is due to the District Board.

3. Of the two schemes the construction of the building for the Elementary school at Matam has already been completed and a report has also been made to Government in my letter Roc No. 317 B3/46 dated 19-3-48.

4. As regards the building for the Elementary school at Thellar the Special Officer reports that the construction of the building has been completed and that the completion certificate cannot be given as the compound wall, well etc. have not yet been put up.

5. He requests that Government may be addressed for sanctioning the balance of grant as the actual expenditure already incurred even upto 31-3-48 in respect of the Thellar Elementary school is Rs. 11,130/- which is more than twice the amount of grant to be sanctioned by Govt.

6. In the circumstances reported by the Special Officer and in as much as the main building has been constructed at Thellar I recommend the sanction of the balance subsidy of Rs. 2,528/- in respect of both the schemes. The Special Officer may be asked to furnish the completion certificate after putting up the compound Wall etc. in due course.

Yours faithfully,

D. S. Pantanahil
