No.813-A/49-1, dated 28th February 1949.

Sir,

Sub:- Publication of selections - Additional staff -
Continuance - Sanction - Requested.

In G.O.No.676 Education, dated 25-3-1948, the Government were pleased to sanction the continuance for a period of one year from 1-4-1948 of the temporary post of additional typist in this office; a post which was first sanctioned in G.O.No.589 Education, dated 10-4-1942 for typing the selections from the records of the period 1800 to 1858. This sanction expires on 31-3-1949.

2. I have pointed out in my letter No.305-A/48, dated 11-2-1948, disposed of in G.O.No.676, Education, dated 25-3-48 cited above, that the work of preparing the selections from the records

records will be carried on by one of the Office Assistants after the abolition of the Special Assistant's post originally sanctioned for that purpose in G.O.No.589 Education, dated 10-4-1942. The Special Assistant's post was abolished with effect from 1-4-1948, as a measure of retrenchment, under the orders contained in G.O.No.440 Education, dated 4-3-1948, but the work of preparing the selections has been carried on by one of the Office Assistants, as stated in my letter referred to above and the selected matter is being typed by the temporary typist. Since the selections will have to be prepared and published from a large mass of records of various departments covering the entire period 1800 to 1858, the work is of a permanent nature and the continuance of the typist's post is essential for the work. I may also point out that the post has been in existence for nearly 7 years past and that it satisfies the conditions laid down in Finance Department memorandum No.16708-EII/48-3, dated 15-2-1949 for the permanent retention of temporary posts.

3. I therefore request that the Government may kindly sanction the permanent retention of the typist's post. The necessary provision for the post has been made in the Budget Estimate of this office for 1949-50.

Yours faithfully,

M. M. M. M.

~~Finance may see for remarks.~~
as at M above is not correct. The
Govt have not passed final orders
on the question of the 12 1/2 p.c. cut
in his office. This is still under con-
sideration. ~~Though~~ ^{Pending final}
orders on this question it will
suffice if the continuance of the

One year is fairly a
long period. The temporary
post may be continued
for six months from
