Additional Supply - Sanction - Requested.

Dated 22-2-49.

From

V.S. Hejmadi Esq., I.C.S.,
Commissioner of Civil Supplies.

N.S. Mani Esquire, I.C.S.,
Secretary to the Commissioner of Civil Supplies.

Read: G.O. No. Ms. 140, Education, dated 14-3-1947.

In the G.O. cited, the Government sanctioned the supply of 700 flat file cases, I sort, as against 1000 asked for by the Board of Revenue (Civil Supplies). At present, only about 1500 flat file cases are in good condition in the Board's office and they are hardly sufficient for the purpose. The work in the Office has increased to a very great extent consequent on the reintroduction of controls, and new sections have also been formed to cope with the increase of work. Further, the Board of Revenue (Civil Supplies) has also to meet the immediate demands of its subordinate offices like Milk Factory, Provincial Road Transport Officer's Office and the existing supply is very inadequate. Under para 135 of the Stationery Manual, the Board (Land Revenue) can replenish the stock of flat file cases whenever necessary and without obtaining Government sanction but the Board (Civil Supplies) has not been specially empowered in this regard. The Government only have been sanctioning the supply so far. In these circumstances, the Board (Civil Supplies) requests that sanction may be accorded for the supply of 2000 flat file cases (1000 ordinary and 1000 urgent) for use in Board's office.

2. In view of the pressing need for flat file cases, the Board requests very early orders of the Government.

Sir,

Sub: Stationery - Flat file cases- Office of the
Board of Revenue (C.S.), Madras- additional
supply -

Ref: Government Endorsement No. 14412-1C2/Edn. dated 26-
-2 -49 on Board Commissioner's Ref. No.
P. 23330/49-C.S dated 22-2-49.

If the existing stock of flat file cases in the
Board's (Civil Supplies) office is only 1500, there does not
seem to be a case for increasing it to 3500. There does not
seem to have been so much increase in work. At the most, a supply
of 1000 flat file cases would seem to be sufficient.
