Enclosures. One file of forms

FROM

THE ACCOUNTANT-GENERAL,

MADRAS,

TO

The Secretary to the Government,
Education and Public Health Department,
Madras.

SIR,

Sub: Printing of forms required for use in connection
with the accounting of Provident Fund Accounts
relating to Madras Government.

I have the honour to invite a reference to G.O.
Ms.No.847 Edm. dated 9.4.48 in which Government have
agreed to bear the cost of stationary forms used in this
office in connection with the accounting of Provident
Fund transactions relating to them. It has been decided
to adopt with effect from the accounts for April 49 the
front feed machine method of posting and proving the
monthly balances of Provident funds, and for this purpose
the specimen forms enclosed and listed in the annexure
to this letter have to be printed.

Although these forms have yet to be standardised
they are absolutely essential for use in connection with
the ~~provident fund~~ machines and the incidence of their
cost has to be borne by the provincial Government in ac-
cordance with the accepted principle. The Superintendent
Government Press, Madras to whom one of these forms was
sent could not comply with the request. If the Government
approve, this office may arrange for the printing of these
forms by local private presses and then debit the cost
to the Madras Government. But it is considered that work
can be expected to be executed at cheaper cost if it is
arranged through the Superintendent, Government Press.

In the circumstances set forth in paragraph 2 above I would suggest that arrangements may be made by the Superintendent, Government Press, Madras to print and supply the forms mentioned in the annexure to this letter according to the specimens attached and number required either on or before 1st June 1949. If on any account the work cannot be executed in the Government Press, the Superintendent Government Press may be requested to arrange for getting the work done by any local private press and ensure that the forms are supplied to this office not later than 1.6.49. It is necessary that the size of the form and the colour of paper should conform to the specimen forms attached.

The form specified in serial No.10 of the annexure was sent to the Superintendent Government Press, for printing, but the indent was not complied with. As this form is urgently required in connection with current accounting, arrangements may kindly be caused to be made to print and supply at least 6000 of these forms on or before 1st April 1949.

It is requested that this letter may kindly be treated as urgent and early orders of Government issued to the Superintendent Government Press under intimation to this office.

Yours faithfully,

T. K. Subramanian
Assistant Accountant General.(G)
