Sir,

Sub:- Representation to Government to convert the
extraordinary leave for four months sanctioned in
G.O. No.2883-Edn. dated 16th November '48.

Ref:- Your D.O. letter No. 2348-A/49-4 Edn., dated
3rd March 1949.

I have the honour to state as follows in connection with
my request to Government to be pleased to convert the extra-
ordinary leave into medical leave:-

1. When the leave sanctioned first was about
to expire on 31-10-'48, I informed the High Commissioner that
I had been under medical treatment in London and would like
to go before the Medical Board. The Medical Board accordingly
examined me and recommended two months leave from 1st November
to 31st December 1948.

2. On the 21st December '48 I again went up
before the Medical Board to point out that my treatment had
not completed but the Board thought me fit to return to duty
and owing to what seemed to me to be a misunderstanding of
the case, they said that whatever treatment I wanted would
be available in India, not taking into account that I could
not come to India and continue treatment without further
medical leave. They did not also take into account the fact
that there was just one week in which I had to get back and
resume duty. In the circumstances I felt that their opinion
was most unreasonable. It was then open to me to appeal
against their opinion, but just at that time I had two attacks
of Flu in succession, accompanied by bronchial complications
for which I was under separate treatment for three weeks.

These matters are testified to by the two medical certificates
which I had submitted already to Government, one from Dr. N.

81 Harley Street, and the other from the Officer Commandi

28
Queen Alexandria Royal Military Hospital, Mill Bank, London.

There was also difficulty in securing passage but as I was coming by Air, I took the earliest opportunity to travel as soon as I was well enough to do so.

3. In these circumstances I would request Government to be pleased to convert the period from 1-1-49 to 21-2-49 into medical leave. I should state in this connection that no medical leave has been taken by me at any time in my service before.

Yours faithfully,

Madras

In G.O.No.2883-Edn., dated 16-11-1948, Lt. Col. Hamid was granted extension of extraordinary leave for 4 months from 1-11-1948. From the last pay certificate now produced by him it is seen that the High Commissioner had granted him leave on Medical Certificate on quarter ^{average} pay from 1-11-1948 to 31-12-1948. Lt. Col. Hamid has requested that he may be granted extension of leave on Medical Certificate from 1-1-1949 to date of rejoining duty, in modification of ^{the} G.O. referred to above. He has also produced 2 Medical Certificates (1) from Dr.A.N.Nanda of Harley Street, dated 26-1-1949, to the effect that he had been under the Doctor's treatment from 16-10-48 to date; //and (2) from the Queen Alexandra Military Hospital, Millbank to the effect that he has been attending the Hospital for debility and that he attended the hospital last on 26-1-1949. // Lt. Col. Hamid was examined by the Medical Board on 19-2-49 and the Medical Board certified that he ^{was} fit to resume duty. He is joining duty to-day (22-2-1949) as Jt. D.P.I. From the Endorsement of the A.G. No.G4.Edn.16, dated 22-12-48, it will ~~be~~ seem that there is no objection to leave already granted to Lt. Col. Hamid being converted into one of Medical Leave on quarter average pay from 1-11-48 to 21-2-1949. The A.G. may however be requested u.o. to advise whether this may be done. The Officer has now applied for the

Para 1 of the A.G.'s letter on p.1 ante:

When the Govt. granted Lt.Col.Hamid extended leave on m.e. from 1-1-49 to 21-2-49, the fact that the India House Medical Board had found him fit to resume duty even on 1-1-49, was before them. No revision of the order passed, is therefore necessary.

Para 2 of the letter:

As the extension of the leave was sanctioned by Govt. only after Lt.Col.Hamid came to India, he was not responsible for his salary for the period ^{subsequent} to 1-1-49 not having been drawn in sterling. There is justification therefore for the Govt. to authorize the payment to him in rupee of his salary for that period of his leave subsequent to 1-1-49 which was ~~xxx~~ spent by him outside Asia.
