Sub:- Budget Estimate - 1949-50 - Elementary Education Fund - District Board, South Kanara.

Ref:- From the D.P.I. No. 24-B3/48-49, dated 7-1-1949.

The D.P.I. has forwarded with his remarks the P.E. for 1948-49 and B.E. for 1949-50 of the Ele. Edn. Fund under the control of the Dt. Bd., South Kanara. The estimates are examined below.

2. Provision has been made in the Budget for the expenditure connected with the scheme of compulsory ele. edn. Credit has been taken for a subsidy from Provincial funds towards the cost of the scheme. The transactions relating to this special scheme are noted on in para 7 below.

Excluding the transactions relating to the scheme of compulsory ele. edn. the normal receipts and charges of the Ele. Edn. Fund of the Dt. Bd. are as shown below:-

	R.E. for 1948-49	Proposed B.E. for 1949-50
Opening Balance	95420	- 250140
Receipts ordinary	10,02,180	752720
Receipts capital	60720	40000
Total	11,62,220	5,41,980
Charges Ordinary	13,67,740	14,07,070
Charges capital	60720	40000
Total	14,12,460	14,47,070
Closing balance	- 250140	- 899020

1. Revised Estimate: - The revised estimate will close with a deficit of Rs. 2.50 lakhs though it opened with a balance of Rs. 95,420. The deficit is due to the following:-

1) The Board has been put to an addl. expenditure of Rs. 4.04 lakhs on the grant of d.a. to teachers (against a subsidy of Rs. 2.74 lakhs so far paid).

2) The normal increase in expenditure over receipts (leaving out of account the expenditure on d.a.) were presumably on account of opening of new schools, employment of addl. teachers, introduction of revised scales

443 - 60
+ 111 + 11

1718 (K)

of pay, grant of increments to teachers, etc. It appears that a subsidy of Rs.1.30 lakhs should now be sanctioned towards the deficit anticipated (Total subsidy admissible Rs.4.04 lakhs & subsidy already sanctioned 2.74 lakhs). The Board may be asked to avoid the remaining deficits by curtailing the expenditure to the extent necessary. *Attention - selected to the condition of the 5.0% letter on p. 49.*

5. Budget Estimate:- Here again the charges exceed receipts and there is a recurring deficit of Rs.6.30 lakhs. Against this a sum of Rs.4.40 lakhs represents the expenditure on d.a. Leaving this out of account, the normal deficit will be about Rs.2 lakhs. Provision has been made in the Budget for the addl. expenditure on opening of new schools, employment of addl. teachers, etc. But from the actuals of 1947-48 it is seen that the Board does not generally incur the expenditure which is provided for in the budget, on the assumption that the deficit of Rs.2 lakhs anticipated may not arise, if a subsidy to cover the entire expenditure on d.a. is paid to the district Board.

6. The Board has provided for a capital expenditure of Rs.40,000/- and has taken credit for the grant of Rs.20,000/- from Provincial funds. The expenditure is intended for the following items:-

(1) Construction of buildings for school Rs.25,000/-

(2) Construction of septic tank & latrine Rs.15,000/-

Proposals for building grants are treated as Part II schemes.

It does not appear that the dt. bd. has already applied for a grant. In the circumstances and in view of the fact that there is a large deficit in the budget the provision of capital expenditure may be deleted.

7. As already noted the ordinary charges in the Ele. Edn. Fund exceed the ordinary receipts. It is partly due to the fact that the Board has been put to an expenditure on the grant of d.a. to teachers at Govt. rates. The scheme of d.a. was introduced in 1942 and the rates of allowance are being increased year by year. The last increase was sanctioned from 1-1-1948. The Govt. undertook to sanction a subsidy to local bodies towards the deficit ^{covered} in the E.E. Fund on account of the grant of d.a. to teachers

at Govt. rates. The Fin. Dept. have recently questioned the necessity of Govt. sanctioning such a subsidy to local bodies. They have pointed out that the rate of education tax should be raised to as high level as possible so as to minimise the liability of the Govt. The whole question of levy of education tax by district boards has been raised separately and the matter was placed before the Cabinet. It was ordered at the Cabinet meeting that the subject should be examined by a Cabinet Sub-Committee appointed for the purpose. Though the Committee met twice this month it did not perhaps consider the subject of levy of education tax by dt. bds. The matter is being specifically brought to the notice of the Cabinet.

8. It appears that orders may now be passed on the Budget leaving a deficit and the S.O. asked to report the actual closing balance on 31-3-49. On receipt of the report the question of what subsidy may be paid to the dt. bd. towards the deficit may be considered. By the time the Govt. may have passed orders on the question of the conventional maximum up to which rate of education tax can be raised.

9. Compulsory ele. education:- As the Govt. have undertaken to sanction a full subsidy towards the cost of the scheme the transactions relating to this scheme will not affect the position of the E.E. Fund. For the present the expenditure provided for and the subsidy taken credit may be allowed. *provisionally*

10. L.A. and Finance may see for remarks. L.A. may be requested to indicate the additional contribution with which can be made from the general fund towards the deficit in the E.E. fund.

The question of permitting the Board to adjust the A.T.C. to the E.E. Acct. may however be considered after the actual closing balance under the General Account for 1948-49 is known.
