REF. No. 537

14456

Dear Sir,

We propose to hold the 1st Bombay Provincial Physical Education Conference in Bombay on 26th and 28th March 1949. This Conference was first scheduled to be held in Feb. 1948, but had unavoidably to be postponed on account of Education Departmental reasons.

His Excellency the Governor of Bombay has very kindly consented to inaugurate the Conference and Mahamahopadhyaya Kane, the Vice-Chancellor of the University of Bombay, Hon'ble Sjt. Morarji Desai, Hon'ble Dr. Gilder, Hon'ble Sjt. L.M. Patil and many other high personages have agreed to inaugurate different sections of the Conference.

I have pleasure in sending separately three copies of our Revised Bulletin we have issued recently which will give you an idea of the scope, genesis and the ideals we have in view in this Conference.

I am aware that your Province is making earnest efforts in the direction of Physical Education and we shall consider it the highest honour if you could send 2 delegates to our Conference to advise us, to guide us and to read any papers that may have in view. I would also request them to make suggestions for the success of our Conference, after taking into consideration our views as expressed in the Bulletin. Subjects of papers in different sections are given in para 21 on page 13 of the Bulletin.

I would like to mention that this Conference is held under the auspices of Bombay Government and the grant that we receive from Government is somewhat inadequate for the ambitious programme that we have in view. I request you to realise my difficulties and send your delegates at the expense of your Government. I shall be very glad to offer all help re: Boarding and Lodging.

I earnestly appeal to you to give us all the help you can for the success of Physical Education for which the whole of India is sadly crying out.

Yours faithfully,

K. S. Mhaskar

Copy of letter Rec.No.126/49 dated 28-2-1949 from the Chief Inspector of Physical Education, Madras to the Director of Public Instruction, Madras.

In resubmitting herewith your N.R.C.No.347-E2/49, dated 17-2-49 I have the honour to state as follows:--

2. The First Bombay Provincial Physical Edn.conference which is to be held from the 26th to 29th March 1949 is being held under the auspices of the Government of Bombay. It seems therefore desirable to reciprocate the request of the Chairman of the Executive Committee by deputing as requested two delegates from the Madras Government to this Conference. It is needless to say that much gain will result therefrom in-as-much as the delegates of the Madras Government to the Conference will be able to learn at first hand as to what is being done in Bombay and also to make personal contacts with leaders in Physical Education in that Province. The Demonstrations and Exhibitions at this Conference should also be of great value in giving an insight to the types of activities that are being encouraged in that Province. The information and knowledge thus gained is bound to be of great value to the delegates who may be deputed from this Government as they may be able to use it for the betterment of the programme of Physical Education in this Province.

3. I suggest therefore that the Director may be pleased to recommend to Government that the Chief Inspector of Physical Education and Mr. R.V.Satyanarayana Raju, Regional Inspector of Physical Education, Rajahmundry may be deputed as delegates of this Government to this Conference. The delegates may be granted Travelling Allowance and Daily Allowance according to the Travelling Allowance Rules in force. The Chief Inspector of Physical Education may be permitted to take his peon along with him.

4. Early orders may kindly be issued on this subject.

5. The Bulletin said to have been sent by the Chairman has not been received in this office. This may kindly be sent to enable the Chief Inspector of Physical Education to read a paper at the Conference and to make suggestions regarding the Conference which have been requested by the Chairman.

No 10 B.D.D. Chandel Chandel Delhi Rd. Bombay

Sir,

The 1st Bombay Provincial P.E. Conference for letter No 537 D. 10.2.49

I am directed to forward a copy of G.O.

No. 816 com. 22-3-49 in connection with despatch

Dr. G.F. Andrews, Chief Inspector of Physical Education Madras.

As a representative of this Govt. at the 1st Bombay Provincial P.E. Conference.

19/3/49

21-3-49

Yours faithfully

From the D.P.I.
No. 347.E2/49
d/9-3-1949.

From the Chairman, Executive Committee, The First Bombay
Provincial Physical Edn. Conference Ref.No.537 d/10th
Febv.1949.

The Chairman of the Executive Committee of the
Bombay Provincial Physical Education Conference requests
this Govt. to send two delegates to the Conference from
this Province and to meet the expenditure on the travel-
ling of the two delegates from the provincial funds.

The D.P.I. for the reasons stated by the Chief
Inspector of Physical Education in para 2 of his letter
on p.3 c.f. recommends that Dr. G.F. Andrews may be
deputed to attend the Conference in Bombay.

It is for orders whether any representative
should be sent. If it is decided to send any repre-
sentative it is for orders whether as recommended by
the Chief Inspector of Physical Education, two representa-
tives may be sent for the Conference or only one as
recommended by the D.P.I. If it is decided to send only
one representative it is for orders whether Dr. G.F. Andrews
may be deputed as recommended by the D.P.I. In this
connection it may be stated that Dr. Andrews has been
attending too many of these Conferences outside the
Presidency. He was deputed to attend the All India
Physical Education Conference at ~~Amroli~~ ^{Anuroli} in Oct. 1946.
In April 1947 he was nominated as a representative of
this Government on the Provincial Council of the
National Association of Physical Education and he was
permitted to take with him his peon while attending the
meetings of the Council and to draw T.A. for himself and
his peon. In May 1948 he was appointed to the Committee
constituted by the Govt. of India in connection with the
establishment of a College of Physical Education.
Dr. Andrews went to attend the Committee at Delhi.
In September 1948 Dr. Andrews was permitted to serve on
the All India Physical Education Committee and its sub-
committee at Delhi. He was also permitted to visit
Sevagram, Wardha on his way back after attending a

P.T.O.

a meeting of the committee in Septr. Dr. Andrews was again permitted to attend a meeting of the working committee of the Provisional National Council of the National Association of Physical Education and Recreation, India, on the 9th and 10th Dec. 1948. The D.P.I. (5) has now recommended the deputation of Dr. Andrews as a delegate to the Bombay Provincial Physical Education Conference to be held on the 26th and 28th March. From

From the above it will be seen that Dr. Andrews has been frequently going out of the Province on some Conference work or other and it is not ~~seen~~ whether his work as Chief Inspector of Phl. Education does not suffer in consequence. It is also for consideration whether some body else may not be sent this time so that that officer may also gain the knowledge referred to in para 2 of the Chief Inspector's letter on p.3 c.f.

If it is decided to depute Dr. Andrews to the Conference it is for orders whether he may be paid the Travelling and Daily allowances and permitted to take his peon with him.

Finance may see for remarks.

Dr. Andrews may be permitted to attend the conf. and to draw T.A and S.A. He may also be allowed to take his peon.
