Explanatory Note

In 1947, the D.P.I. proposed that the posts of 115 teachers (108 Secondary Grade and 7 pandits) in Govt. Training Schools might be replaced by B.T. or B.Ed. Assistants, the replacement being made gradually in the course of 4 years. He considered that both from the point of general and professional education, the secondary grade teachers are not persons fit to be on the staff of training schools and that they should be replaced by B.T. or B.Ed. Assistants in all training schools in the interests of efficiency and better training of elementary grade candidates and also in order to make provision for the better teaching of languages than at present in these schools. The Govt. approved in principle the proposal of the Director. To begin with they sanctioned the

conversion during 1948-49 of 27 posts of secondary grade teachers and two posts of pandits into those of B. T. or B.Ed. Assistants. The Director has now proposed the employment of 29 B.T. or B.Ed. Assistants in the place of 29 secondary grade teachers in Govt. Training Schools. It has been ^{agreed} ~~accepted~~ in circulation that the proposal may be considered as a Part II Scheme for 1949-50. This Dept. recommends that provision may be made in the B.E. for 1949-50 for this ~~proposal~~ as shown in the summary at the top.

Govt. Training Schools - Employment of B.T. Assistants in lieu of Secondary grade teachers - Part II scheme
From the D.P.I., No. 8019-K3/46, dated 11-9-1948.

In 1947, the D.P.I. proposed that the posts of 115 teachers (108 Secondary grade and 7 pandits) in Govt. Training Schools may be replaced by B.T. or B.Ed. Assts. the replacement being made gradually in the course of 4 years. He considered that both from the point of general and professional education the secondary grade teachers are not persons fit to be on the staff of training schools and that they should be replaced by B.T. or B.Ed. Assistants in all the Training schools in the interests of efficiency and better training of Elementary grade candidates and also in order to make provision for the better teaching of languages than at present in these schools. To begin with the Director recommended that 29 B.T. or B.Ed. Assistants might be appointed during 1948-49 in the place of 27 secondary grade teachers and 2 pandits. The proposal was approved in G.O. No. 893, Edn., dated 15-4-48 after

being considered as Part II Scheme.

The Director has now proposed the employment of B.T. or B.Ed. Assistants in lieu of 29 secondary grade teachers in the Govt. Training schools mentioned in his letter at pp. 1-3 c.f. Since the principle of replacing secondary grade teachers by B.T. or B.Ed. Assistants in the course of 4 years beginning with 1948-49 has been already approved the Director's present proposal may be accepted. The addl. cost involved will be Rs. 12,000 for 1949-50 and Rs. 26,000 ultimate.

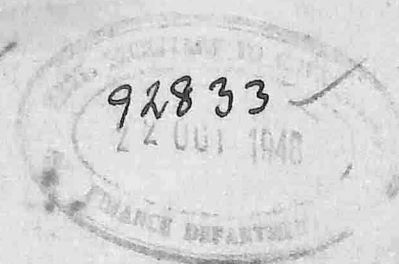

The proposal may be treated as a Part II Scheme for 1949-50. Finance may see for remarks before execution.
