DATED 16/7/1948.

Sir,

ESTABLISHMENT - Municipal College, Salem - Sri
P.Thangarajan, Lecturer in Physics - Additional
duties as Physical Director - Charge Allowance
payment of.

Sri C.V.Bhoovarahamurthi, a qualified Physical Director was working in the Municipal College, Salem, till 19-3-47. He was discharged from the service for having misbehaved towards the Principal of the College. No qualified Physical Director applied for the post when advertisement was made in May 1947. The College could not be left without Physical activities. Hence the Principal of the College deputed Sri P.Thangarajan, Lecturer in Physics of the College to discharge the duties of the Physical Director in addition to his own. The University authorities did not raise any objection to the arrangement made by the Principal when the matter was reported to them. When an advertisement was made again in October 1947, to fill up the vacancy of the Physical Director, Mr.P.P.Devassy, B.A., and a qualified Physical Director applied for the post. He could not be appointed straight-away as he is a subject of the Cochin State. The Government have accorded sanction to employ Mr.P.P.Devassy temporarily in G.O. No.1410 Education dated 31st May 1948 and orders have been issued to him to join duty immediately. He has not yet joined duty.

Mr.P.Thangarajan, has been discharging the duties of the Principal Physical Director in addition to his own throughout last year and he continues to do the work. He has requested to pay him a charge allowance at Rs.50/- p.m. for the additional duties discharged by him. The appointment committee of the Municipal Council, Salem, has approved to pay Sri P.Thangarajan a charge allowance at one fifth of his substantive pay. Sri P.Thangarajan is paid salary at Rs.130/- p.m. as Lecturer in Physics and he has to be paid a charge allowance at Rs.26/- p.m. in view of the above facts, I request that the Government may be pleased to accord sanction for the payment of the Charge Allowance to Sri P.Thangarajan at one fifth of his substantive pay from 23-6-47, the date of the re-opening of the College, till he is relieved of the additional duties of the Physical Director.

2. As it is reported by the Commissioner, Salem Municipality in his letter R.C.No.C.3-22030/47 dated 25-8-48 (copy enclosed) that Mr. Thangarajan is doing 8 hours of work of lecturing and 8 hours of Practical work in Physics for week and in addition 10 hours of work as Physical Director and as the appointment Committee of Municipal Council has decided not to pay him any charge allowance for the summer vacation it is reasonable to allow him an allowance equal to ~~1/5~~ 1/5 of his substantive pay for doing additional duties as Physical Director. In view of the above, Government may be pleased to sanction the payment to Mr. P. Thangarajan, Physics Lecturer, a charge allowance at one fifth of his substantive pay for discharging the duties of the Physical Director with effect from 23-6-1947 till he is relieved of his additional duties as Physical Director exclusive of the period of summer vacation.

According to instruction 1 under

under Fundamental Rule 49 the amount of additional pay and allowances to be granted should be specified by the competent authority who appoints a Government servant to hold a second post in addition to his own and under delegation 1 under Fundamental Rule 49 read with rule 11 (2) of the rules relating to establishments under municipal councils the sanction of Government is not necessary for appointments under F.R.49 - VIDE also paragraph 4 of Education and Public Health Department Memorandum No. 9796/47-3, H.I. P.H., dated 30th June 1947. The sanction of Government will not, therefore be ORDINARILY necessary for the payment of charge allowance.

It is however observed that charge allowances are in some cases being sanctioned by Government - VIDE paragraph 1 of Education and Public Health Department Memorandum No.9796

47-3 H. I. P.H., dated 30-6-47, Local Administration Department Memo No.18789-8F., dated 3-1-49 and G.O.No.Ms. 25, Edn., dated 4-1-49 - apparently because the individuals appointed to hold charge of an additional post did not possess the requisite qualifications. In the case on hand also the Lecturer appointed to hold charge of the Post of Physical Director does not possess the requisite qualifications and the sanction of Government appears therefore to have been applied for.

If a charge allowance is to be allowed in this case a reference is invited to the orders in G.O.Ms.No.1229, Finance (C.S.R.) dated 22-12-1948.

subted in the matter states that ~~ordinarily~~ in such cases, the sanction of Govt is not necessary, but that as the person appointed to hold additional charge as Physical Director does not possess the requisite qualification, the sanction of Govt appears to have been applied for. He however invites attention to G.O. No. 1229 Ms. Fin (C.S.R.) dt 22/12/48, whereby the the drawal of additional pay should not normally be allowed ~~only~~ for a period exceeding three months. The allowance proposed in this case is for an indefinitely long period (i.e. from June 1947) and it appears that ~~that it need not be~~ for the entire period, but restricted to 3 months. The Commissioner may be informed accordingly and he may be asked to take steps to recruit a person urgently. L.A. and Finance may see the case for remarks on the Commissioner's proposal.

(B)

It would appear that this go should be applied in respect of claims arising after the date of this go. Having extracted the work from the lecturer, it may not be fair to restrict the charge allowance to three months.

As the college will be closed for the summer vacation early in April next, the existing arrangement which is cheaper, will apparently have to be continued.

taken up only now the orders in G.O.No.1229, Fin. dated 22-12-48 would apply in respect of claims arising prior to the date of orders. The Lecturer has been holding additional charge of the post of Physical Director for a long time from 23-6-47 which clearly shows that the need for the post has ceased to exist. In the circumstances Finance may strongly advise against the proposal to pay additional charge allowance for the entire period and suggest that it may be restricted to 3 months as contemplated in G.O.No.1229, Fin. dated 22-12-48.

(This Deptt. notes on p.p.1-2 ante, L.A. Deptt. notes on p.2 ante and Finance Deptt. notes on p.p.2-3 ante may be perused). The file relates to the proposal of the Commissioner, Salem Municipality, to pay additional charge allowance under F.R.49 to Sri P. Thangarajan, Physics Lecturer of the Salem College, for doing the duties of the Physical Director, in addition to his own, from 23.6.1947. The D.P.I. recommends the payment of the allowance to him at one-fifth of his substantive pay for the period exclusive of the summer vacation. The Exr. of L.F. Accts, invites attention to G.O.No.1229 Ms. Fin(C.S.R.) dated 22-12.48 restricting the payment of additional charge allowance to a maximum period of 3 months. As the above G.O. does not specify retrospective effect to it, and as it was considered that it would be unfair to limit the period of payment of allowance to 3 months, having extracted work from the lecturer for the entire period, this Deptt. suggests that the allowance may be paid to the lecturer at one-fifth of his substantive pay for the entire period excluding summer vacation, the Commissioner of the Municipality being asked to take urgent steps to recruit a regular candidate and to terminate the arrangement. Finance Deptt. state the orders in G.O.No.1229 Fin, dated 22.12.48 would apply to the present case and that the fact the

the lecturer has been holding additional charge of the post for a long period shows that the need for the post has ceased to exist. They therefore advise against the ^{payment of Rs} charge allowance ~~being~~ to the teacher ~~for~~ for the entire period of additional charge from 23.6.1947 and suggest that it be restricted to a period of 3 months in accordance with the orders in the G.O. cited above. It is for consideration whether this Deptt. will press its views or whether the Finance Department's suggestion may be accepted. May be ~~circulated~~ circulated to H.M.(Edn).

Para 1 of the Commissioner's letter on page 1 of shows the steps taken to secure the services of a qualified Physical Director for the Salem College. Probably on account of the low scale (Rs 70-10/2-120), none has come forward to accept the post. There is a proposal to increase the scales of pay of the members of the Salem College staff. When the revision is given effect to, it is likely that a qualified person will become available for appointment as Physical Director from the next academic year. Sri Manjappa has been doing the duties of Physical Director from 23.6.47 in addition to his normal work as lecturer in Physics. As recommended by the D.P.S., it would seem fair to allow charge allowance (Rs 26 a month) to the lecturer, exclusive of the period of summer vacation and not to restrict payment to three months only as suggested by Finance
