No.B.1.10593/48 dated 7-3-49.

Sir,

TYPEWRITERS Hermes Baby portable - dead stock disposal by
public auction - Government sanction - requested.

19114

13 Hermes Baby portable typewriters are lying in my stores for
a long time without any demand from any officer. Nobody likes to take
them even for temporary use. They are only 4½ years old. Reference is
solicited to G.O., Ms.1131 Education, dated 1-8-44 of Education and
Public Health Department, wherein sanction was accorded for the purchase
They were purchased at a time when portable typewriters were scarce.

On a reference made to the Typewriter and Office Appliances
(India) Co., Ltd., Madras, they offered to take the machines at
Rs.100/- each but with a condition that a standard Smith Corona
typewriter of either foolscap, brief or policy size ~~mk~~ should be
purchased against each portable machine taken by them.

The original cost of a Hermes Baby portable typewriter is
Rs.260/-

Condemned machines of other patterns which served for more
than 10 years fetched Rs.150/- on an average in the auction held in
September 1948.

The price offered by the Typewriter and Office Appliances
(India) Co., Ltd., Madras, is therefore not advantageous and there
is a possibility of the machines fetching higher prices if put up
in auction.

I therefore request that Government may be pleased to
sanction the sale of the 13 machines in public auction.
