No. Rc. 4599 Cl/47

dated 21st May 1948.

Sir,

Sub:--Madras Educational Service--Appointment by transfer--Qualifications--Legislative Assembly question;
Ref:--Government Memo. No. 18230 A2/dated 19.4.48.

With reference to the Memo. cited, I have the honour to state that in practice, only candidates who have both teaching experience as School Assistants and administrative experience as Dy. Inspectors of schools are ordinarily recommended to the Madras Public Service Commission for selection for appointment by transfer to the Administrative Section of the Madras Educational Service. In order to keep the subordinate officers informed of the above practice a Circular was issued in Proceedings Rc. No. 4599 Cl/47 dated 9.10.47 (copy enclosed) to the effect that for purposes of recruitment by transfer to the posts of Dt. Educational Officers in the Madras Educational Service only such persons as have served as teachers in a training or Secondary school for at least 2 years and have put in a total service of at least one year as Dy. Inspectors of Schools would be considered in future. I consider that in view of the fact that persons with both teaching and inspecting experience would be in a better position to discharge the duties as Dt. Educational Officers than those who have not had such experience, it is preferable to amend the special rules for the Madras Educational Service as suggested in the Government Memo. Accordingly, I submit the following draft amendment to the Special Rules for the Madras Educational Service.

Draft amendment.

In Rule 2 (a) of the Special Rules relating to the Madras Educational Service, for item (ii) in column (2), against category 4- District Educational Officers- of Class II, the following shall be substituted, namely:

ii. recruitment by transfer from the category of Deputy Inspectors of schools (Senior scale) or of schools Assistants and Headmasters in the Madras Educational Subordinate Service or from the Superintendents of the Office of the Director of Public Instruction in the Madras Ministerial service.

provided that no person who has not served as teacher in a training or Secondary School for at least two years and has not put in a total service of at least one year as Deputy Inspector of schools shall be eligible for appointment to the category of District Educational Officers by transfer.

In this connection I may point out that it is not practicable to prescribe a period of experience as school Asst. in Secondary schools and training schools separately, as the number of Government Secondary Schools for Boys is small.

I am to say that while according to draft amendment (1) none
of the three classes of persons who may be recruited by transfer to
the post of District Educational Officer is eligible for such recruit-
ment unless he has served as a teacher and Deputy Inspector for
specified periods, draft amendment (2) prescribes such minimum service
for recruitment by transfer to the post of Inspector of European
Schools, only in the case of Deputy Inspectors and School Assistants
and Headmasters, but not in the case of Superintendents of the office
of the Director of Public Instruction. This distinction seems to be
unintentional. I am therefore to suggest that the minimum service
as teacher and Deputy Inspector be prescribed in draft amendment (2)
in the case of Superintendents of the office of the Director of
Public Instruction also.

2. The Commission has no other remarks to offer.

ME 5 Rule 2 (a)
B.K. 113

Recruitment by transfer/among Dy. Insprs. of Schools (Senior scale) and School Assts. & Headmasters, among others, is admissible to the M.E.S. - as P.A. to the DPI, D.E.Os., Inspr. of European Schools, Secy. to the CGE, Headmaster of the Govt. Madrasa-i-Azam and Lecturer in Edn. There is no specific rule prescribing that a person is eligible for appt. only if he had served both as a Dy. Inspr. and as a School Asst. Under the rules, therefore, strictly, a School Asst. cannot be debarred ~~from~~ for promotion to the M.E.S., for the reason that he had no experience as a Dy. Inspr., and vice versa. In the Assembly Question below (which is an unstarred question), the Hon. Member evidently refers to the existence of a statutory rule on the subject [cf. clause (e)].

The answer to clause (a) may therefore be: "No"; and the answer to the other clauses: "The questions do not arise".

In practice, however, the DPI may not consider either a person ~~who~~ who has absolutely no teaching experience or

another who has absolutely no administrative experience, suitable for a D.E.O.'s post, and may not recommend such a man to the Commission for being approved for appt. In this practice, is involved a certain amount of fortuitiousness: how, will be seen explained in para 2 of the Memo. at p.78 C.F. of "S" in File II. That is why it was ~~never~~ suggested in ~~the~~ File III that a specific minimum period of work in each of the 3 lines--(1) subordinate Inspectorate (as Dy.Insprs.), (2) Secy. schools (as Assts.), and (3) training schools (also as Assts.)-- may be prescribed statutorily - so that the officers may get qualified in sufficient time and need not, for faults not lying with them, be overlooked for promotion. But, that suggestion was not favoured in circn. by H.M.(Edn.).

SM
6/4/48

From the D.P.I., No.4599-C1/47, dated 21-5-48.

In June 1947, the Govt. amended the Special Rules for the M.E.S. prescribing that only those Supdts. in the T.'s Office who had put in 2 years' service in secy. or

17

trg. schools and (b) one year's service as Dy.Insprs. of Schools, would be eligible for appt. by transfer as D.E.Os. The D.P.I., of his own accord, issued a proceedings, on the analogy of that G.O., saying that the requirement expected of the Supdts. would apply to all persons competing for recruitment by transfer as D.E.Os. (i.e., to Dy.Insprs., School Assts. and Headmasters also). The Hon.M.L.A. in whose name the question at p.1 C.F. stood, had apparently in mind the Dir.'s proceedings. As the Assembly was pro-rogued, the question automatically lapsed and it need not be answered now.

p.6

f. C.F.

C.F.

by

But, w.r.t. X on p.2 ante, the Dir. considers that persons with both teaching expce. and inspecting expce. would be in a better position to discharge the D.E.O.'s duties, and therefore recommends that it may be specifically prescribed in the rules, by an amendment, that no person (either a Supdt. in the DPI's Office or a School Asst. or a Dy.Inspr.) who has not served (a) as a teacher in a trg. or secy. school for at least 2 years, and (b) as a Dy.Inspr. for a total period of ^{at least} one year, shall be eligible for 'promotion' as D.E.O. He says that, as the no. of secy. schools for boys is small, it is not practicable to lay down expce. as School Asst. in secy. schools and expce. as School Asst. in trg. schools separately (as suggested in the Memo. at C.F.3-4). In other words, the Dir.'s view is that his procs. refd. to at "Y" above be given statutory effect to. That may be done. But the rule should not be brought into force all on a sudden. If it is, persons who are hitherto retained, in the interest of the dept., either in the teaching line throughout or in the inspectorate throughout, and who, otherwise, are about to be promoted, will become ineligible to compete for the next/recruitments because of the introduction of the rule. Compare clause (e) of the L.A. question on p.1 C.F. That result, ^{to put it differently,} in other words, is a perpetuation of the 'fortuitiousness', refd. to at p.2 ante, for two or three years. To avoid it, a note may be added to the rule to the effect that the new requirement will come into effect only

I do not think that we should say that the new rule must come into effect after 2 years. It is open to the D.P.I. to point out, whenever occasion arises, for consideration.

TSR

It is true that the D.P.I. can consider and bring to notice hard cases and make his recommendations in respect of them. But, that would not be the proper procedure to adopt to give redress to deserving candidates. The proposed rule re: experience would have to be relaxed in favour of the individual concerned.

The standing instruction of the Pub.(Ser.) dept. is that relaxation of rules shd. be resorted to only very rarely and where any rule comes in for relaxation frequently the proper thing to do is to amend it.

Cases that may will arise for relaxation of the rule proposed to be introduced in this file.

is not likely to be very few. Applying the instruction refd. to, therefore, subd. that a Note as indicated in the note above shd. appropriately be incorporated in the rule.

That course will also make all persons eligible to compete, without the discretion of choosing between cases being left to the Director. if, despite the Note, the Dir. considers a person unfit, and if the Comm. and the Govt. agree with him, such a person will not be 'promoted'.

Pub.(Ser.) may see before further circn. (to H.Pr. also).

I have had a talk with the D.P.I. over this matter. He thinks the rule may come into effect immediately. We framed this rule so that people may have both administrative and

training school experience and so, will be really qualified for promotion as D.E.Os. I don't see any reason why the benefit of this rule should be postponed by two years as suggested by the department, especially in view of the fact that the D.P.I. thinks that no hardship will be caused. The D.P.I. tells me that he has already made arrangements for people to have both these experiences. And so, the rule may come into effect immediately.

I think an account of this rule only the existing Deputy Inspectors of Schools have chance. It is not going to improve the efficiency of the Administration or improving the Education of the province unless we are bringing new people from the trainees teachers. C.P.R. 14/10

In view of H.M. (Edn.)'s minutes on p.6 ante, particularly N there, the proposed rule may be allowed to have effect from the date of its issue.

W.r.t. H.Pr.'s minutes, it is subd. that in practice, even now, only those persons in the dept. who have experience both in the inspectorate and in the scholastic line are promoted as D.E.Os. and that the proposal in the file is just to give statutory effect to that practice. Deptl. men were eligible for promotion to 3 out of every 4 ^{substantive} vacancies arising in the Administrative Section of the M.E.S. (non-Govt.) Recently, w.e.f. 7.4.48, that no. (3) has been reduced to 2, and the one vacancy thus saved has been thrown open to qualified teachers employed in recognized non-Govt. secy. schools. This change is likely to bring into the dept. in course of time honest and efficient persons from the ranks of non-Govt. school teachers.

A draft letter to the M.P.S.C. is subd.

Draft letter

CF. 13

from the S. M.P.S.C., no. 201-C1/49-1, dt. 21.1.49. CF. 14

The reason for making, in the draft amendments, the distinction refd. to by the Commission at CF 14 is this: whereas the present method of recruitment (ii) against the "D.E.Os." prescribes the condition about minm. service in each sphere for the D.S.'s Office Supds., the corresponding method of recruitment [(iii)] against "Inspector of schools" does not impose that condition.

Rule 2(a)
BK. 113

But that reason need not stand in the way of accepting the Commn.'s suggestion.

If any of the D.S.'s Office Supds. compete for the post of Insp. of European Schools, the expec. shd. be insisted on in their case also.

The draft has accordingly been amended. legal may see it again before issue.
