Sir,

Ref:- Seeking re-employment after retirement -- G.O. No. Ms.
15, dated 5-1-49 (Finance Department).
=====

I am to retire by superannuation on 14th April 1949. I have a large family to support and have been able to put by only little. My pension also will work out only at about Rs.195/- per mensem. As I feel fit for a further period of work, I desire to be employed for sometime after retirement. Had it not been for the fact that the Government think of re-employment of superannuated persons only in very exceptional cases, I would have sought re-employment under the Government itself.

The G.O. mentioned above was received at this college only yesterday. Two weeks ago I have, in ignorance of the existence of the said G.O., applied through the Director of Public Instruction for the place of the Principal in the First Grade College proposed to be started at Coorg from the ensuing academic year. I request that this bonafide action on my part may be approved and further I may be generally permitted to seek and accept any decent job that comes my way. I can assure the Government that, during the period I am employed after retirement, I shall act with the dignity expected of a retired Gazetted Officer and shall do nothing prejudicial to the interests of the Government.

I request that favourable orders may be passed in my case and the same communicated to me at an early date as I have only about two months more to retire.

Yours faithfully,

C. S. Narayanaswamy.

Submitted to the Director of Public Instruction, Madras. The facts stated in this petition are known to me personally. If he is prevented from taking up some suitable work after retirement he will be placed financially in a very uncomfortable position. Hence my recommendation for favourable consideration and the proposal of his petition.

Please see the draft order on p1 above. There seems to be no objection in allowing Sri. C.S. Narayanaswami Ayyar to take up employment as Principal, First Grade College, Mercara after the date of his retirement. Though

I think such general permission should be avoided. Govt. may find itself in opposition to a private educational institution.

a general permission, as provided in the draft order, is not usually accorded, yet in view of A on p2 above, Finance may perhaps accept the draft order.

19/2/49 19/2/49 Is not Principal, First Grade College, Mercara, a government appointment under the Govt. of India? If so, it is not a matter of seeking private employment, but one of reemployment of a person by the Govt. of India. What is the rule then?

19/2.

Mercara is a centrally administered area of the Government of India (Commissioner's province). It is not known whether the college in Mercara is a Government college or a private one.
