~~the Budget Committee has been notified by the Legislature. The D.P. I. may therefore be inquired of the provision made in the Budget for construction of buildings for basic schools as at 'H' on page 21 of the Bill. But no definite order have been passed on the points raised in para. 3 of the report summarizing note at pages 18-19 and, presumably, all the proposals mentioned therein have been approved. Appropriate orders may, however, be taken now, before asking the D. P. I. for proposals for the utilization of the sums provided. The names may be before circulation.~~
