Sub: Grants-in-aid - Grants given in connection with Kallar and Korava reclamation
Recommendations of the Retrenchment and Re-organisation Committee.

The Retrenchment and Re-organisation Committee have recommended that the grants given in connection with the administration of the criminal Tribes Act and Reclamation of Criminal tribes to the District Board, Madura, for the loss of fee income from Kallar pupils studying in the Board High School, Usilampatti, Madura District cannot be justified and that it ought to come under the Educational Code, as it is in lieu of loss of fee income. The Committee have also recommended that boarding grants given to Korava pupils in Tiruchirapalli District should be discontinued. The Deputy Inspector-General of Police has reported that there will be a saving of Rs.2,200/- per annum in the Labour Budget as detailed in the annexure if the Committee's recommendations are accepted. The Director of Public Instruction is requested to offer his remarks on the Committee's recommendations. If he agrees that the grants should be made by the Education Department he is requested to report the heads under which the grant should be provided for.

Ref:- Government Memorandum No.51845-B1/48-1 Edn. dated 17-7-48.

A separate report will be submitted on the recommendations of the Retrenchment Reorganisation Committee for the transfer of grant-in-aid on account of the loss of fee income to the District Board from Kallar pupils studying in the Board High School, Usilampatti from the Labour to Education Department Budget.

As regards Boarding grants to Korava pupil, it is presumed that they are being granted as part of Government's policy of reclaiming members of this community. Before these grants are, therefore, abolished the Police Department may be consulted as to the advisability of such a course, which would appear to be to the detriment of the interests of the Community. If Government feel that members of this Community need special help for sometime longer, I would recommend that grants to these pupils may continue to ~~be~~ be given through the labour department as recently ordered in G.O.No.2960 H.Ome dated 2nd August 1948.

Sub: Grants in aid - Grants given in connection with
Kallar - reclamation - Recommendation of the
Retrenchment and Reorganisation committee.
Ref: Govt. Memo. No. 51846-B1/48-1 Edn. dated 17/7/48.

According to the report received from
the Special Officer, Dt. Board, Madura it is observed that
every year a list of Kallar pupils who are admitted free in the
Board High School Usilampatti is drawn up by the Headmaster
of the school and sent to the Dt. Superintendent of Police,
Madura South who scrutinises the list and issues a certificate
to the effect that the Kallar pupils in question have been ad-
mitted free on his recommendation. He then authorises the payment
of the subsidy due to the Dt. Board with reference to G.O.No.814
P.W. and Labour dated 5/4/1934 and the amount of Rs. 1200/-
per annum though a contingent bill the amount of which is adjusted
to the credit of the Dt. Board and the expenditure is debited
to the Labour Budget.

The suggestion of the committee that the provision
should be made in the Educational Budget seems acceptable. It
may be accepted and provision for this lumpsum subsidy of Rs. 1200/-
made under "37.h. Education - Secondary - Grants to Local Bodies
in Secondary Education - L.A. Teaching". The payment of grant

to the Dt. Board may be authorised by the Director of Public Instruction, every year, on receipt of an application from the Dt. Board together with the usual certificate of the Dt. Superintendent of Police, Madura South issued with reference to the provisions of G.O.No.814 & P.W. & Labour dated 5/4/1934.

A separate reply has already been sent to Government in regard to the Boarding grant to Korava pupils in Tiruchirapalli District.

The alteration indicated in pencil in the draft order may be accepted. The recommendation of the Retrenchment and Reorganisation Committee which is proposed to be accepted does not involve any saving in the expenditure now incurred from Provincial funds on the payment of grants but only a change in the

head of debit. It is therefore for consideration whether the matter should be placed before the Cabinet:

Seems unnecessary
