Roc.No.B3-4370/48 dated 31-10-1948.

Sir,

Education - Secondary - Municipal High School,
enhancement of school fees - sanctioned - requested.

G.O.No.2437 Edn., dated 24-9-48.
Council resolution No.393 dated 20-10-48.

The rates of school fees as sanctioned by the council in its resolution No.104 dated 27-5-48 for which sanction of Government was applied for are being collected from the beginning of the current school year. But the Government in their order sanctioned the levy of a different rates of school fees which may be collected only with effect from the second term of the school year 1948-49. The Municipal Council while considering the Government Order under reference at its meeting held on 20-10-48 has resolved to request the Government to sanction the collection of fees at the rates sanctioned by the council during the first term of the current school year as the fees at the enhanced rates have already been collected and at the rates sanctioned by the Government from the second term. i.e. from 1-1-49. Further in the Budget estimate of this Municipality as approved by Government, enhanced rates of fees as sanctioned by the council has been taken credit. If the rates as sanctioned by the Government now have to be given effect to only from the 2nd term of the school year, there will be a fall in the income of the school to the extent of about Rs.13,000/- while the expenditure remains the same. This will much affect the financial administration.

In the circumstances explained above I request that the Government may be pleased to ratify the collection of the school fees made at the following rates during the first term of the school year 48-49 in anticipation of the sanction of Government. A copy of the Council resolution No.393 dated 20-10-1948 is enclosed for reference.
