Sir,

Honours course--Revision of tuition fees

Ref:--Government Memorandum No.45214-A/48-2
Education dated 4-8-48.

In reply to Government Memorandum quoted above,
I have the honour to state that information is not
readily traceable from the records in this Office to
answer the query raised regarding the different rates
of fees fixed for Harijans and other classes of students.
There is, however, no objection to the rates being made
uniform for Harijans and other classes of students studying
in Govt. Arts Colleges since the Harijan pupils are
eligible for full fee concessions in Colleges and the
concessional rates of fees fixed for them in Government
Colleges (Rule 89 B. M.E.R) do not therefore appear to
be necessary.

Yours faithfully,

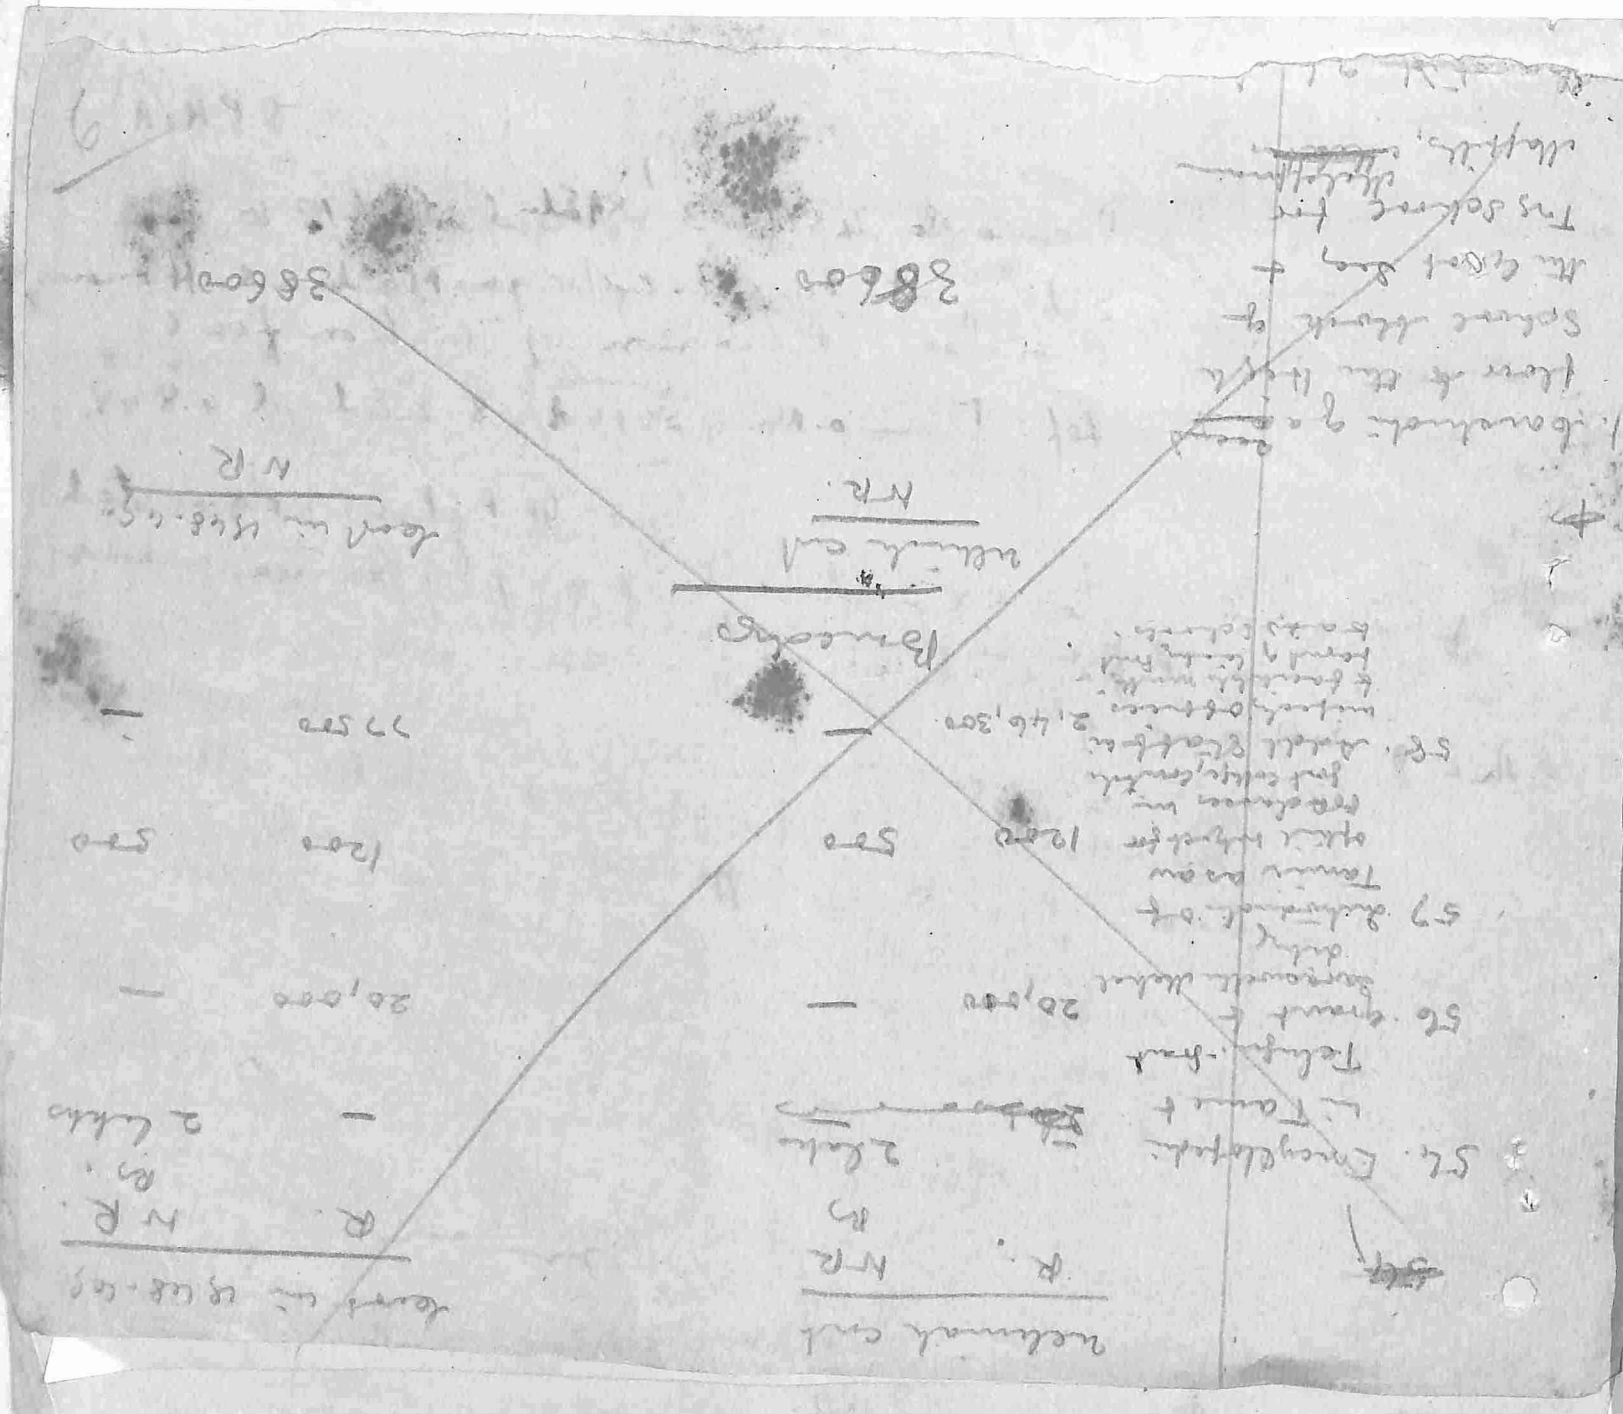

Joint Director of Public Instruction

Please see rule 89 a of M.E.R. in which rates of fees
to be levied in non-Government colleges have been given. There
are no differentials in rates of fees to be levied in these
colleges between Harijans and non-harijans as in the case of
Government Arts colleges. Hence the question raised in the
above L.M. does not arise.

College - Govt. Muslim, Madras - Hons. Course
- levy of tuition fees
C.V. 45216 A/48, From the DPI No. 1338-E. 4/10/48

The following are the rates of tuition fees collected for the Hons. Course in the Presidency College and the Govt. Muslim College, Madras.

Presidency College.				Govt. Muslim College.			
Hajiyam		Others		Hajiyam		Others	
In advance	In two equal instalments	In advance	In two equal instalments	In advance	In two equal instalments	In advance	In two equal instalments
64	66	80	82	69 ^x	71 ^x	69	71

The DPI now recommends that the rate of fees collected from the Hons. students of the Presidency College may be made applicable in the case of the Hons. students in the Govt. Muslim College as well as for all the other Govt. Colleges. Only the Presidency and the Govt. Muslim Colleges have Honours Courses. There seems to be no objection to accepting the Director's proposal in the matter.

The DPI also recommends that the rates suggested above may be enforced from the current academic year and that the fees from the fourth and fifth honours students in the College may be collected at the old rates till they complete their course. These recommendations may also be accepted.

A draft order is submitted for approval. The draft includes a draft amendment to Rule 89 B of the M.E.R. Also. Fin. may see before circulation.

All Harijans are not exempted from the payment of fees. Only poor Harijans are exempted from fees. If the fees for Harijans are raised to those for others the compensation payable by Govt. towards the loss in fee income by the admission of poor Harijans will increase.

Ans to answer what people who are not eligible for exemption are to be higher.

From the D.P.G. P.C. of T.M. No. 1338 E4/48 d. 6.1.49.

A.H.'s minute on p. 13:- It is not clear how a difference came to be made in the rates of tuition fees leviable from Harijans and others in Govt. colleges. Neither the D.P.G. nor the H.R.O., Chittoor, have been able to throw any light on this point.

2. The D.P.G. however states that he has no objection to the rates of tuition fees leviable in Govt. colleges being made uniform for Harijans and other classes of students. He also states that as Harijans are eligible for full fee concessions, the concessional rates for them do not appear to be necessary. In these circumstances, the rates of tuition fees in Govt. colleges may be made uniform for all. (This will not lead to any increase in the compensation payable by Govt. to aided colleges towards loss in fee income as a result of fee concessions to Harijans, as there is no difference made in the tuition fees charged from Harijans and others in aided colleges and as the present proposal is in respect of Govt. colleges.) And for this purpose, the columns with the heading "for Harijans" may be omitted in the table occurring in Rule 89B of the M.E.R. The revised rates may come into force from the beginning of the academic year 1949-50. A revised draft order is submitted for approval. Finance may see before circulation.
