Sir,

Sub: Madras Educational Service - Lt. Col.S.Paul - Additional charge of the post of Principal, College of Engineering, Guindy - Grant of charge allowance.

(P) / cf. 16

With reference to Government endorsement No.24517-A5/Edn., dated 17-5-1948 Lt. Col. Sri S.Paul was regularly appointed as officiating Principal of the College with effect from 15-6-1948 - vide para 3 of G.O.No.1561 Edn., dated 15-6-1948. He now requests that he may be granted charge allowance, as a special case, for the period from 28-5-48 to 14-6-48 through the number of working days during this period does not exceed 14. A copy of his letter Rc.1-15 A/48 dated 4-10-1948 is submitted herewith.

2. According to instruction 2 under F.R.49 no additional pay should be granted unless the period of additional charge exceeds fourteen working days. In this case the Engineering College was closed for the summer vacation till 5-7-48. Apart from the vacation the number of working days during the period from 28-5-48 to 14-6-48, comes to fourteen only and Sri Paul is not therefore eligible for the grant of additional pay as a matter of course. But having regard to the circumstances explained in his letter dated 4-10-1948 and the heavy work he had during the period of additional charge, I recommend that Government may kindly grant to Sri Paul, as a special case, an additional pay equal to one-fifth of his substantive pay for the period from 28-5-48 to 14-6-48 (i.e. 18 days), relaxing the subsidiary instruction 2 cited above.

Yours faithfully,

It was ordered in Endorsement No.24517/A-5 dated 17-5-1948 of the Government of Madras (Edn.Dept.), communicated in your Pros. Rc.No.1560-C.1/48 dated 18-5-48 that I should be in full charge of the post of the Principal of this college in addition to my own duties as Professor, since the services of Dr. J.J.Rudra were lent to Bihar Government. Dr. Rudra handed over charge to me on the afternoon of 27-5-1948 - please vide certificate of transfer of charge, a copy of which was also submitted to you on 27-5-48. Thus I was in full charge of the post of the Principal from 28-5-48 till the date from which I was appointed as Principal i.e. upto the end of 14-6-1948. The total number of working days during the period from 28-5-48 to 14-6-1948 works upto 14-days. I attended the office on all the days including holidays during this period and even worked overtime to overtake the arrears of work left by Dr. Rudra and to attend to the preliminaries connected with the consolidation of applications for admission and admission of candidates into the four Engineering Colleges in the Presidency which is done in this college. I had to also attend to the shifting of the College of Engineering, Anantapur from Guindy

to Anantapur which was very urgent.

In these circumstances, I request that Government may kindly be addressed for sanctioning me the charge allowance for the period from 28-5-48 to 14-6-48 i.e., for 18 days, as a special case.

The proposal is to relax the subsidiary
instruction under F.R.49 and to sanction to Sri Paul
as a special case, an additional pay equal to 1/5
of his substantive pay for the period from 28-5-48 to
14-6-48 during which he was placed in full additional
charge of the post of Principal, College of Engineering
Guindy in addition to his duties as Officiating
Professor of Mechanical Engineering.

Under subsidiary instruction under F.R.49
no additional pay should be granted unless the period
of additional charge exceeds 14 working days. In the
present case apart from the vacation the number of
working days during the period from 28-5-48 to 14-6-48
comes to 14 days only, and therefore he is not eligible
for the grant of additional pay under the rules.
However in view of the reasons stated at 'Z' on p.1 C.F.
the

p35 BR 157

the D.P.I. recommends and the E.& P.H. support the proposal to relax the rule and sanction the additional pay asked for.

It is submitted that as the rules stand at present the request for additional pay is inadmissible. The mere fact that he attended office on all the days including the holidays and even worked overtime to clear the arrears is not sufficient reason to grant additional pay in relaxation of the rules. As the relaxation of the rule in the present case may create an inconvenient precedent, Finance may advise against the proposal.

~~FINANCE~~

A reasonable case in which to relax the rules. In fact many more than 14 days extra hard work appear to have been done. E-PH should let C.S. see, & Oth to H.M (Fin) & H.Pr.
