Sir,

Sub:- Education - Elementary - Prevocational subjects in  
Higher Elementary Schools Introduction - Pay of artisans  
Increased grant - Payment requested.

Prevocational subjects in Spinning and Weaving and in  
Mat weaving have been introduced in all the Higher Elementary Schools  
under this Board. As qualified instructors are not available, only  
artisans are employed on a salary of Rs. 10/- p.m. Half their salary  
is met from the Government grant and the other half from the Board  
funds. These instructors are also paid dearness allowance as they are  
engaged on full time basis. So, each artisan gets Rs. 26/- p.m.

2. The salary paid to these artisans is very low when compared  
with the work turned out by them. Even an ordinary labourer gets Rs. 5/-  
as daily wages. A peon's pay under this Board is Rs. 16/- plus a D.A.  
of Rs. 16/- But the Pre-vocational Instructor gets less than the  
Peon though his work is of a high order and beneficial to the nation.  
So, it is but meet that these artisans are given at least a salary of  
Rs. 20/-

3. In this connection, I am to point out that the pay  
of these artisans was fixed at Rs. 10/-p.m. during the pre-war days  
when the cost of living was comparatively very low. The qualified  
instructors were then given only a salary of Rs. 20/ p.m. the  
minimum pay of a Higher Grade teacher. Now that the pay of the  
Higher Grade teacher has been fixed at Rs. 30/- p.m. the pay of  
these artisans also needs to be refixed atleast Rs. 20/- p.m.

4. Further, these artisans are paid only for 10 months  
in a year. As they are engaged on a full time basis, they need to be  
paid all the 12 months in the year.

5. In the circumstances, I request that the Government  
may be pleased to sanction the pay of the artisans at Rs. 20/- p.m.  
and also sanction the payment of increased subsidy for pre-vocational  
instructors at Rs. 120/- per annum from 1948--49 if only artisans are  
employed, calculated at half their pay for 12 months in a year instead  
of Rs. 50/- per annum given at present.

2. According to G.O. No. 1914 Edn dated 1-9-47, instructors  
who do not possess any qualifications, either general educational  
or technical, but are only proficient in the subject are eligible  
only for a salary of Rs. 100/- per year - the same as that prescri-  
bed for part-time instructors -- except that in the case of full  
time instructors they are eligible for D.A. also.

3. The contention of the Special Officer that the pay of  
these artisans should be raised is of course reasonable.

4. Attention is in this connection invited to the Government  
U.O. Note 66125-C.1/47-1 dated 1-9-47 and my reply thereto R.C.  
2709-B.2/47 dated 2-10-47 wherein it has been recommended that  
full time prevocational instructors employed in aided elementary  
schools, who are proficient in the subject, but do not possess  
either the technical or the general educational qualification,  
may be assessed grant at Rs. 180/- per annum (at the rate of Rs. 15/-  
p.m. allowed for untrained Higher Elementary grade teachers)

5. On the above analogy, the full time unqualified pro-  
vocational instructors (artisans) employed in the Elementary  
Schools under Local bodies may also be given a salary of Rs. 20/-  
p.m. - the revised salary fixed for untrained Higher Elementary  
grade teachers - for all the 12 months.

6. Regarding the request of the Special Officer for increased  
subsidy calculated at the enhanced rate, the question does not  
arise, as Government in their G.O. No. Ms. 204, Edn dated 28-1-1948  
have deferred the proposal to sanction subsidies to Local bodies  
for the introduction of prevocational training in Higher elementary  
schools.

R.C.NO.935 B2/48.

Sir,

Subject:- Elementary Education -- Prevocational  
Instruction -- prevocational / Instructors  
in Local Body Higher Elementary School,  
Pay of artisans -- increase of .

Reference:- Govt. Memo. 32694-B2/48-Edn., dated  
20--7--1948.

1) With reference to the Government Memorandum cited above, I have the honour to submit that the estimate of additional expenditure that will be involved to government towards increased subsidy to local bodies for the payment of increased rate of pay of Rs.20/- per mensem to artisans (full time) in Local Bodies would be as follows:-

2) From the particulars received from the Local Bodies the number of unqualified prevocational instructors (Artisans) part-time and full time employed are 135 and 101 respectively.

3) As regards, the full time instructors, since they were till now paid at Rs.100/- per mensem with reference to G.O.No.1914 Education, dated 1-9-1947 the expenditure to government by way of subsidy is

For 100 instructors  $101 \times \frac{100}{2} = 5050$  a year.

4) If the proposal to pay the full time artisans at Rs.20/- per mensem for all the 12 months is approved the expenditure to government by way of subsidy will be

For 101 instructors  $101 \times \frac{240}{2} = 12120/-$  a year.

5) Thus the additional expenditure that will be involved to government towards increased subsidy to Local Bodies for the payment of increased rate of pay of Rs.20/- per mensem to full time artisans would be Rs.12,120 minus Rs.5,050 = Rs.7,070/-

6) It is submitted in this connection that in the event of the salary of the full time Prevocational Instructors (Artisans) being increased to Rs.20/- per mensem for 12 months, it seems necessary that the salary of the artisans who are employed as part-time instructors is also increased to a certain extent. It is therefore suggested that the salary of artisans employed as part-time instructors may also be fixed at Rs.20/- per mensem for 10 months. If this is accepted, the extra cost to government by way of subsidy to Local Bodies, in this regard, would be

P.T.O.

V.R.H.

32694  
-2-  
Rs.135 X  $\frac{20-10}{2}$  X 10 = 135 X 50 = 6,750/- per annum.

By adopting the above proposals, the position regarding rate of salary for unqualified Prevocational instructors (Artisans) employed in Local Body Elementary Schools will be as follows:-

Full time instructors Salary @ Rs.20 p.m. for 12 months + D.A.

Part time Instructors -do- for 10 months without D.A.

8) It may also be mentioned here that in another connection the payment of half the Dearness Allowance for 10 months for part-time instructors has been recommended to Government. Vide My Rc.No.1339 B2/47 dated 23-2-1948. I may also state that in regard to part-time instructors, if my proposal to pay the Dearness Allowance is approved by Government it is not necessary to approve the above proposal to pay them at Rs.20/- per mensem.

I request orders of Government on the above proposals.

Yours faithfully

Roc.No.186-E2-48 dated 5th February 1949.

Sir,

Sub: ESTABLISHMENT--Elementary--Education--Unqualified Full Time Prevocational Instructors--Payment of dearness allowance--Clarification requested.

Ref: G.O.No.1914, Education, dated 1-9-1947.

...000...

In G.O. No. 1914, Education, dated 1-9-1947, the Government were pleased to prescribe the scales of pay of the Prevocational Instructors in the Elementary schools under the Local Boards. According to this, the pay fixed for proficient Prevocational Instructors without general educational qualification is Rs.100/- per year. As there are no clear instructions regarding the mode of payment of this amount, it is paid in 10 monthly instalments of Rs.10/- each excluding May and December in each year plus usual dearness allowance, as all the unqualified artisans are appointed as full time instructors. As no payment is made during the months of May and December, dearness allowance also is not paid for these 2 months, though the Instructors attend the school.

(2) Further, the present rate of Rs.100/- per year does not attract any artisan, as he is able to earn more wages elsewhere. Therefore, only those who are not able to work elsewhere for some reason or other seek employment under the District Board as Artisans. Even these instructors stop away abruptly whenever they get better wages, because there is nothing attractive to make them stick to District Board service whereas even a peon (unskilled) is paid Rs.16/- per month plus dearness allowance.

(3) Therefore, the following suggestion is made to the Government for their kind consideration and orders. The pay of full time artisans may be fixed on a monthly salary of at least Rs.20/- per month like an untrained teacher of the Higher Grade instead of an annual lease now existing. The rate of pay may also be revised as suggested above so that there may not be difficulty in securing the services of skilled full-time artisans without general qualification.

For Director of Public Instruction.

To the

Copy of letter Roc.No.A1-5310-1/48 dated 6-11-48 from the Municipal Commissioner, Udipi to the Secretary to the Govt. of Madras, Education and Public Health Department, Madras.

Sub:- Education -- Elementary - Local Bodies-Pay of part time Prevocational Instructor.

I submit herewith a copy of this Council's resolution No.10 dated 16-10-48 requesting Govt. to enhance the pay of part time prevocational instructors under this council to Rs.15/- per month.

Rs.100 per year is the pay fixed for part time prevocational instructors in G.O.No.1914 Education dated 1-9-47. It is found very difficult to secure even unqualified persons for this remuneration. The prevocational Instructress under the council is a qualified hand having passed the Lower Grade Examination in Needle work and Dress Making; she has 23 periods of work in a week in the Higher Elementary School in which she is employed. The council considering these circumstances felt that an increase of pay to Rs.15/- per month is justified.

I request that Govt. may be pleased to sanction the council's proposal.

2. According to G.O.1914-Education dated 1.9.1947, instructors who  
do not possess any qualifications, either general educational or  
technical, but are only proficient in the subject are eligible only  
for a salary of Rs.100/- per year - the same as that prescribed for  
part-time instructors - except that in the case of full time  
instructors they are eligible for D.A. also.

3. The contention of the Special Officer that the pay of these  
artisans should be raised is of course reasonable.

4. Attention is, in this connection, invited to the Government U.O.  
note 66125-C1/47-1 dated 1.9.1947 and my reply thereto R.C.2709-B2/47  
dated 2.10.1947 wherein it has been recommended that full time pre-  
vocational instructors employed in aided elementary schools who are  
proficient in the subject, but do not possess either the technical or the  
general educational qualification, may be assessed a grant at Rs.180/-  
per annum (at the rate of Rs.15/- per mensem allowed for untrained Higher  
Elementary Grade teachers).

5. On the above analogy, the full time unqualified prevocational  
Instructors (artisans) employed in the Elementary schools under Local  
Bodies may also be given a salary of Rs.20/- per mensem - the revised

Salary fixed for

6. Regarding the request of the Special Officer for increased subsidy calculated at the enhanced rate, the question does not arise, as Government, in their G.O.Ms.204-Education dated 28.1.1948 have deferred the proposal to sanction subsidies to Local Bodies for the introduction of prevocational training in Higher Elementary Schools.

of their pay and payment of dearness allowance -  
requested.

Ref: R.O.C.No. 186 E2 of 48 dated 5--2--49 of the  
Special Officer, District Board, North Arcot.

The difficulties experienced by the Special Officer,  
District Board, North Arcot, expressed in his reference quoted  
above in securing the services of artisans to work as part-  
time prevocational instructors in schools on a salary of  
Rs. 100/- for ten months in a year are being experienced by  
this district board also. There are several higher elementary  
schools under the control of this board in which no prevocational  
instruction is being imparted at present for want of qualified  
instructors or local artisans.

I therefore request Government may be pleased to issue  
orders permitting the employment of artisans on a full-time  
basis even in higher elementary schools where the number of  
sections in the higher elementary standards does not justify  
the employment of Prevocational Instructor's on such a basis  
and fixing their pay at Rs. 20/- per mensem.
