Submitted in the Supplement to Part I B of 12-4-1949

To The D.P.I. The S.G.P. for publication of the notification in the 2nd St. Gazette

Subj:- Elementary Education - Amalgamation of Boys and Girls' Ranges - Consequential amendments to Rules relating to Grant of Recognition and Aid to Elementary Schools.

C.No. 58730/45/C; From the D. P. I., R.O. No. 2301-B2/48, dated 31.7.1948.

In para. 1 of the letter at pages 1-3 of, the D.P.I. has proposed amendments to the Elementary School Rules, designed to delete from the ^{Item} ~~concerned~~ rules the references therein to "Inspectress" or the "Sub- Assistant Inspectress". He has stated that these deletions are necessary in view of the amalgamation of the Boys' and Girls' Ranges in the inspecting agency of elementary schools. One point, however, arises for consideration in this connection:-

It has been ^{decided} ~~proposed~~ separately that the previous sub-ast. inspectresses should be designated as "Deputy Inspectress (Women)" (and the D.P.I. has been asked, in that connection, to submit draft amendments to Spl. Service Rules). It is not known whether the D.P.I. had kept this decision in mind when he submitted the proposals in para 1 at pages 1-3 of. It may perhaps be consulted about it and asked to consider whether in view of the above decision of Govt., the proposals in para 1 or pages 1-3 of will require any modification. A draft memo. is ruled below for approval.

2. In para. 2 on pages 3-4 of, the D.P.I. has suggested certain draft amendments to rules 6 and 23 of the Rules for Aid to Elementary Schools. His proposals appear prima facie acceptable. For orders whether they may be approved. If it is considered that this part of the D.P.I.'s proposals need not await a decision on the proposals mentioned in para 1 above, the file may be circulated to H.M. for orders on this para after issue of the draft memo. below.
