G.O. No. 910, 29th March 1949

Schools—Secondary—Local bodies—Hindustani teachers—Deputation to undergo Pracharak training, Physical training and B. T. or B. Ed. training from the funds of local bodies—Permitted.

READ—the following papers :—

Correspondence ending with the letter from the Director of Public Instruction,
Re. No. 898-G2/47, dated 18th December 1948.

Order—No. 910, Education, dated 29th March 1949.

The Government have considered the representations made by Hindustani teachers employed in secondary schools under local bodies in regard to the facilities to be afforded to them to undergo training and obtain the Hindustani Pracharak Diploma and they have decided that district boards and municipal councils should be authorized to incur expenditure on the deputation of teachers in their employ for undergoing training as Hindustani Pracharaks if they can afford to meet the expenditure involved entirely from their own funds. As in the case of teachers deputed for training as Physical Training Instructors, etc., the period of absence of Hindustani teachers in connection with Pracharak training may be treated as duty and they may be allowed to draw during the period of training half the substantive pay or half the pay they were drawing immediately before proceeding for Pracharak training as the case may be and dearness allowance at the rates admissible to them. They may also be paid

travelling allowance for their journeys to and from the place of training at the rates admissible under the Madras Travelling Allowance Rules and also a sum of Rs. 130 towards incidental charges as detailed below :—

	RS.	A.	P.
(1) Registration (application) fee	1	0	0
(2) Examination fees	7	0	0
(3) Students' Association fees	2	0	0
(4) Mess charges for three months at Rs. 35 105 0 0 per mensem.	35	105	0
(5) Books	15	0	0
	130	0	0

2. Before incurring expenditure on the training of a Hindustani teacher as Pracharak he should be required to execute a bond binding himself to serve the local body

Further papers.

Memo NO 4701 B/50-3 Edn. d/11-7-50.

as a Hindustani teacher for a period of atleast two years after completion of the training. The bond should be signed by one or two sureties and should include a penalty clause providing for the refund of the expenses incurred by the local body in case the teacher fails to fulfil the terms of the bond.

3. The concessions referred to in paragraph 1 above will be admissible only to the teachers who may be deputed

for training after the issue of this order. The order will have no retrospective effect.

4. The expenditure incurred by local bodies on training of Hindustani teachers as Pracharaks will not be admitted for purposes of assessment of teaching grants. This decision will also hold good in respect of expenditure incurred on the deputation of teachers for B. T. or B. Ed. training and for training as Physical Training Instructors.

We beg to submit the following facts for your kind consideration:

We, the following Hindi Teachers who are working in the Secondary Schools under various managements, have come to undergo the "Pracharak Training" of the Dakshina Bharat Hindi Prachar Sabha, as the Government in their orders Nos. 1754 dated 11.9.46 and 2098 dated 2.11.46 insisted that all the Hindi teachers should possess "Hindi Pracharak Training Diploma" of the Dakshina Bharat Hindi Prachar Sabha, Madras.

In this connection we beg to state that the salary of the Hindustani Teachers at present is too low and that the Hindustani Teachers are not in a position to bear the expenses in these hard days. Therefore we request your honour to kindly sanction us the following relief:

All the Hindustani Teachers who are undergoing the Pracharak Training should be declared eligible for a study leave on full average pay during the period of training, and they are also to be given a stipend or a city allowance of Rs.20/- per month by the managements under which the teachers are working.

Sub: Hindustani Teachers - leave with salary
for the period of training - city
allowance requested.

Honoured Sir,

I beg to submit the following few facts for your kind
consideration and favourable orders.

I have been working in the Board High School, Alur (Bellary)
According to the recent G.O. 1754 of 11.9.'46 I am compelled to
get myself qualified by obtaining the Hindustani Pracharak
Diploma within two years of appointment. So I have come here
to undergo the training. But I am asked to undergo the train-
ing at my own cost. Thereby I have to lose my salary on the
one hand and the period of absence from the school is to be
counted a break in service as per the memo of the Dt. Board on
the other. Moreover, it is very expensive to live in a city
like Madras in these hard days. Hence, I request your Honour
to kindly sanction me the following relief.

I should be declared eligible for study leave on full
pay during the period of training and be sanctioned a city
allowance of Rs. 20/- per month.

Sir,

Sub:- Hindustani Teachers - Undergoing training in
Pracharek Vidyalaya - Madras - Payment of Salary-
etc., - Orders solicited.

76481

In forwarding herewith the petition dated 11-8-47 of
Sri. V. Venkataraman, Hindi Teacher of R.S. Board High School
Paramakudi under this District Board, who is now undergoing
the Pracharak's training at Madras as per G.O. No. 1754
(Education) dated 11-9-46, I have to state as follows.

The petitioner was appointed as Hindi Teacher under this
District Board on 1-11-1943 and is working continuously in the
R.S. Board High School, Paramakudi. Since he is not a fully
qualified teacher as per G.O. No. 1754 (Education) dated 11-9-46.,
he was not confirmed.

2. I solicit orders from Government, as to how the
period of this present training is to be treated and also regarding
the payment of salary and allowance to such candidates who are
undergoing training to qualify themselves for the post within
the period of 2 years allowed to them as per G.O. quoted above.

The reference received with the endorsement No. 78176 B1/47 dated 18th October 1947 was returned with this office endorsement L.F.No. 6088 dated 29th November 1947. In view of the fact that the possession of the Hindi Pracharaka diploma is made compulsory for the existing teachers and that a direction has been issued in G.O. No. 2098 Edn. dated 2nd November 1946 that teachers already in service who do not possess that qualification shall obtain the same by undergoing training, there seems to be no objection to allow them the concessions allowed to Physical Training Instructors or Instructresses, in G.O. Schools - Secondary - Local Bodies - Hindustani teachers -
Expenditure in giving Pracharall training to be admitted
for assessment of teaching grant - Estimate of extra cost
From the D.D. No. 898/25 & 26/27
Memo No. 4202/B1/45-12 dated 15/11/34
Under the existing orders, the expenditure on the
deputation of teachers for undergoing training as
Physical Training Instructors should be met entirely
from the funds of the local bodies and only the
expenditure on payment of salaries to the substitutes
employed in the place of teachers deputed for the
training can be admitted for purposes of
assessment of teaching grant. The D.D. has
recommended that the expenditure that may be
incurred by local bodies in giving Pracharall
training to the existing Hindustani teachers

28
2
who have not undergone that training may be treated as an approved item of expenditure for purposes of assessment of teaching grant. - If this is allowed, ^{valued in the} local bodies may claim that expenditure on deputation of teachers for Physical & Technical training should also be taken into account for assessment of teaching grant. - The Director is therefore requested to ~~consider and report whether~~ ^{it is} really necessary to treat the expenditure on the training of Hindustani teachers as an approved item of expenditure for purposes of assessment of teaching grant and if so to report the number of existing Hindustani teachers who will have to be deputed for Pracharall training and to furnish an approximate estimate of the additional expenditure to govt by way of teaching grant by ~~counting~~ ^{calling into account} the expenditure on the training of the teachers as an approved item of expenditure for assessment of grant.

2. The Director is also requested to report separately whether it will not be necessary to extend the same concession to Hindustani teachers in Aided Secondary

schools and what will be the extra cost to govt on the basis of two thirds net cost if the expenditure on giving Pracharall training to Hindustani teachers in aided schools is treated as an approved item of expenditure.

Enclosures: R.O. No. 721 G2/48 dated 15th May 1948.

Sir,

SUB: SECONDARY SCHOOLS - Local bodies - Expenditure on deputation of teachers for undergoing training as Physical Training Instructors - admissibility for purposes of grant.

In their memorandum No. 42021 B1/47-12 Edn., dated 1.5.48, Government have stated that under the existing orders, the expenditure on the deputation of teachers for undergoing training as Physical Training Instructors should be met entirely from the Local bodies and only the expenditure on payment of salaries to the substitutes employed in the place of teachers deputed for the training can be admitted for purposes of assessment of teaching grant. The question of taking into account the expenditure on the deputation of teachers for undergoing Physical Training for purposes of teaching grant did not arise so far, as local bodies were hitherto paid only lump sum subsidies under the block grant system. Now that government have revised their policy in G.O. No. 975 Edn., dated 10-5-47 and have ordered that grants should be paid to local bodies on half net cost basis. With reference to Rule 32 of the Grant-in-Aid Code in respect of all recognised secondary schools under their management, it has not to be considered whether the expenditure in question should be treated as an admissible expenditure or not, for purposes of teaching grant in respect of secondary schools under local bodies.

In the case of secondary schools under private management, the expenditure under the following two items is treated as admissible expenditure for purposes of grant.

1) In the case of Secondary grade teachers undergoing L.T. or B.Ed. training, half the salary admissible to Government servants of similar grade is taken into account.

2) In the case of teachers undergoing Physical Training in the Y.M.C.A. College of Physical Education, their full salary on the rates admissible

P.T.O.

Government servants of similar grade together with an additional expenditure not exceeding Rs.250/- (tuition fees, cost of books etc) is taken into account.

Since the teaching grant to Secondary schools under local bodies has also to be assessed with reference to Rule 32 of the Grant-in-Aid Code, it seems desirable that expenditure in respect of the above two items should be reckoned as admissible expenditure for purposes of teaching grants from 1947-48 onwards, in the case of secondary schools under Local bodies. I request early orders of Government, as this has to be incorporated in the instructions to be issued to Local bodies for the preparation of financial statement.

2) I also request orders of Government in regard to the statement of staff to be prepared by Local bodies and forwarded along with financial statements. Unlike the case of teachers in secondary schools under private management, the fixation of pay of teachers in secondary schools under local bodies with reference to their qualification and ^{service} ~~since~~ is governed by the Fundamental Rule and other rules and orders of Government issued from time to time and their pay bills are audited by the Staff of the Local Fund audit Department. There is therefore no need for the Director to scrutinise the rate of pay allowed to a teacher or the pay drawn and disbursed by a local body for a particular period, or these will fall within the purview of the audit department. The Director will have to examine whether there is no superfluity of staff, with reference to the subjects taught and the number of periods of work allotted etc., and in accordance with the provisions of the M.E.R. I therefore propose to call for the following particulars only in the Statement of staff:-

- 1) Total number of work periods for the school per week.
- 2) The average duration of each period.
- 3) No. of sections in (a) Classes I to V
(b) Forms I to III
(c) Forms IV to VI.
- 4) Optional subjects taught in the school.
- 5) Serial No. and Designation of the post.
- 6) Name of the incumbent.
- 7) Total No. of periods of work allotted.
- 8) Qualifications - General and Professional.
- 9) Salary actually paid for the year.
- 10) D.A. -do- -do-
- 11) Age of the incumbent as it stood on the 1st April of the year of grant.
- 12) No. and date of the G.O. sanctioning the re-employment in respect of superannuated teachers.

I request that Government may be pleased to approve of my proposal.

I invite your attention to Director's letter Rc. 731-G2/48 dated 15th May 1948 addressed to Government wherein it has been suggested that the expenditure incurred by the Local Bodies on the deputation of Physical Training Instructors may also be taken into consideration for the purpose of assessing teaching grants to the Local Body Secondary Schools just as in the case of aided Secondary Schools. Orders of Government on this question are awaited. If Government were to approve of this suggestion it would naturally follow that the expenditure incurred by the Local Bodies for the purpose under reference (i.e.) deputation of Hindustani teachers for Pracharak training can be admitted as an approved item of expenditure and on this assumption the approximate Estimate of cost required by the Government is furnished below:-

There are 169 Hindustani teachers in the Secondary Schools under the control of Local Bodies possessing Vidwan and Visharad qualification and these teachers will have to acquire Pracharak qualification and the cost of their deputation will be as follows:-

Pay - (1/2 of Rs.41-8-0 which is = 20-12-0 x 169 x 3 = 10,520 4 0
(they will be allowed only half of their pay while on deputation)
Incidental charges = 130 x 169 .. 21,970 0
T.A. (assuming Rs.20/- on the average). 20 x 169 3,380 0
35,870 4 0

The expenditure to Government on this account will be half of this amount (i.e.) Rs.17,935/- nearly.

I may also add, that it is necessary to extend the same concession to Hindustani teachers in aided secondary schools also. The extra cost to Government on the basis of two thirds net cost if the expenditure in giving Pracharak training to Hindustani teachers in aided secondary schools is treated as an approved item of expenditure will be as follows...

Sir,

Sub: Hindustani Teachers in Secondary Schools - Training to obtain the pracharak Diploma - Treating the period of Training as Duty and paying half-pay

Ref: T.M. dated 2-12-48 from Government with ref. to Director's U.O. reply No.898-G.2/47 dated 21-4-48

G.O.No.460 Edn dated 11-3-47 allowed D.A. to the teachers deputed for Physical Training on the ground that the half pay they get during the period of their deputation is insufficient to maintain their families at their Headquarters. The same reason holds good in the case of Hindustani teachers deputed for Parachark training and hence it is recommended that D.A. also may be allowed for the Hindustani teachers deputed for Pracharak training. The cost to Government on this account will be as follows:-

Hindustani teachers in Local Body Secondary Schools:

169	x	22	x	3	=	11,154
(No. of Hindustani teachers)		(D.A.)		(Period of deputation is 3 months)		

Hindustani teachers in Aided Secondary Schools:

153	x	22	x	3	=	10,098
-----	---	----	---	---	---	--------

Total: 21,252

Half of this amount (i.e) 10,626 will be the extra cost to Government on this account.

As regards the query regarding the date from which the concessions under question have to be given it is submitted that Government have in their Memo.No.42021-B.1/47-18 Edn dated 17-8-48 stated that the proposal to admit the expenditure incurred by Local bodies on the deputation of teachers for undergoing training as Physical training Instructors and pracharak training etc. for purposes of ~~annual~~ assessment of teaching grant will be considered as a Part II scheme in connection with the Budget Estimate for 1949-50. But there are cases wherein Hindustani teachers underwent pracharak training during 1947-1948 and perhaps even during 1946-47 (definite information is not available in this office) and these teachers have to be paid some sort of salary etc. by the Local Bodies concerned for the period of their training irrespective of whether or not this expenditure of teaching grant. It was in G.O.No.2098 Edn dated 2-11-46 that Govt. insisted that the Hindustani teachers should qualify themselves by undergoing the pracharak training within 2 years of the date of the G.O. and hence the concession under reference (half pay, D.A. and the other concessions etc.) have to be paid to the teachers who were deputed for pracharak training subsequent to the date of the said G.O. (i.e) 2-11-46. Government may, therefore, be pleased to pass orders accordingly.

As regards the date from which such expenditure incurred by Local Bodies should be admitted for purposes of assessment of teaching grant, Government may be pleased to pass such orders as they deem fit but it is nevertheless submitted that it is

Re. No. 898-G2/47. dated 18th December 1948.

Order—No. 910, Education, dated 29th March 1949.

The Government have considered the representations made by Hindustani teachers employed in secondary schools under local bodies in regard to the facilities to be afforded to them to undergo training and obtain the Hindustani Pracharak Diploma and they have decided that District Boards and Municipal Councils should be authorised to incur expenditure on the deputation of teachers in their employ for undergoing training as Hindustani Pracharaks if they can afford to meet the expenditure involved entirely from their own funds. As in the case of teachers deputed for training as Physical Training instructors etc., the period of absence of Hindustani teachers in connection with Pracharak training may be treated as duty and they may be allowed to draw during the period of training half the substantive pay or half the pay they were drawing immediately before proceeding for Pracharak training as the case may be and dearness allowance at the rates admissible to them. They may also be paid

travelling allowance for their journeys to and from the place of training at the rates admissible under the Madras Travelling Allowance Rules and also a sum of Rs. 130 towards incidental charges as detailed below :—

	RS. A. P.
(1) Registration (application) fee	1 0 0
(2) Examination fees	7 0 0
(3) Students, Association fees	2 0 0
(4) Mess charges for three months at Rs. 35 105 0 0 per mensem.	
(5) Books	15 0 0
	130 0 0

2. Before incurring expenditure on the training of a Hindustani teacher as Pracharak he should be required to execute a bond binding himself to serve the local body

with 18/2

as a Hindustani teacher for a period of atleast two years after completion of the training. The bond should be signed by one or two sureties and should include a penalty clause providing for the refund of the expenses incurred by the local body in case the teacher fails to fulfil the terms of the bond.

3. The concessions referred to in paragraph 1 above will be admissible only to the teachers who may be deputed

for training after the issue of this order. The order will have no retrospective effect.

4. The expenditure incurred by local bodies on training of Hindustani teachers as Pracharaks will not be admitted for purposes of assessment of teaching grants. This decision will also hold good in respect of expenditure incurred on the deputation of teachers for B. T. or B. Ed. training and for training as Physical Training Instructors.

Petitions from certain Hindustani teachers undergoing 'Pracharak' training, dated 12-5-47, 11-8-47 etc. Endt. of the D.P.I. R.C.No.898 G2/47, dated 20-10-47. Endt. of the Examiner of L.F.Accounts, L.F.7320, dated 28-1-48 *** Schools - Secondary & Local bodies - Hindustani teachers - Grant of study leave. ***

Hindustani teachers who were appointed in recognised schools on or after 9-6-1939 and who do not possess the training diploma of 'Hindi Prachark' should obtain it in two years. Certain Hindustani teachers, undergoing the 'Pracharak' training have petitioned that they may be granted study leave on full average pay for the period of training. They also request that in view of the high cost of living in the city of Madras, they may be granted an allowance of Rs.20/- per mensem. As the qualification has been newly prescribed and as the teachers may not have enough leave to cover the period of training, the Director has recommended that the teachers may be granted study leave for the purpose so that they may get half average pay for the entire period of the ~~xxxx~~ course and the leave may not be debited to their leave account. He does not recommend the grant of stipends.

2. In the case of pandits in other languages who have petitioned for grant of study leave for undergoing pandits' training, the D.P.I. also suggested that they might be granted study leave. The Exr. of L.F.Accts. has pointed out in that connection that the training in question will not fall within the scope of F.R. 84 for purposes of granting study leave to cover the period of absence in connection with the training and that there is no justification to treat the period of training as duty. ~~He expressed his opinion that the same will hold good in the case of Hindustani teachers also. They need not be granted study leave for undergoing the training.~~

3. In the case of teachers in schools under local bodies who are deputed for training as Physical Training Instructors in the Y.M.C.A. College of Physical Education, Saidapet, the Govt. have directed that the period of their absence

absence may be treated as duty and they may be paid half pay during the period of training. They have also been allowed other concessions. The Examiner of L.F. Accounts who was consulted whether the same concessions may be allowed to Hindustani teachers who undergo Pracharak Training, has no objection to the proposal. The D.P.I. may be consulted whether he is agreeable to the proposal

and ~~what~~ ^{what} concessions may be allowed to Hindustani teachers - Unless some concessions are allowed, it may not be possible to provide qualified teachers in all schools.

4/2- The Director may also be consulted whether the period of two years fixed in G.O. No. 2088 on 2.11.46 should be extended as the Hindi Prachar Sabha, Madras, alone is providing for the training and it may not be possible for all the teachers who do not possess the training diploma to undergo the course to obtain the diploma within the prescribed period.

19-2-48

I agree to the proposal that the same benefits as are now allowed to the teachers employed in Local Body secondary schools for undergoing physical training may also be extended to Hindustani teachers undergoing Pracharak training, but I suggest that as against the three categories into which the former were classified (i.e.) permanent, approved probationers and probationers, the latter may be classified into only two categories (i.e.) permanent and non-permanent since the question of probation will not arise in the case of Hindustani teachers undergoing Pracharak training - vide Government Memo. No. 49017-B1/47-2, Edn., dated 8-11-47 according to which Hindustani teachers who were appointed after 9-6-39 and who do not possess the Hindi Pracharak Diploma should be considered as unqualified teachers till they acquire Pracharak Diploma. Permanent teachers may be allowed to draw half of their substantive pay while undergoing training and the period of their training and days spent in transit may be treated as duty while the teachers who are not permanent may be permitted to draw during the period of their deputation half the pay they were drawing immediately before they were deputed for the purpose. The entire period of their deputation may be treated as duty but since they are unqualified teachers the question of counting this period for probation will not arise. Both the permanent and non-permanent teachers may be allowed travelling allowance as in the case of teachers deputed for Y.M.C.A. training.

As regards the concession to be allowed to them, the Pracharak training course which is conducted periodically lasts for about three months and the expenditure likely to be incurred by the trainees is estimated at Rs.130/- as detailed below:

1. Registration (application) fee	Re.1	0	0
2. Tuition fee	...	nil	
3. Special fees.	...	nil	
4. Examination fees.	7	0	0
5. Students' Association fees.	2	0	0
6. Mess charges (35 X 3)	105	0	0
7. Books.	15	0	0
	130	0	0

Taking the above amount as the maximum, the Local Bodies may be permitted to incur expenditure on the Pracharak training of Hindustani teachers in their schools and this may be treated as an admissible item of expenditure for purposes of assessing the teaching grant.

As in the case of teachers deputed for Y.M.C.A. training it may be insisted that the books which have not been used up or are unsuitable for further issue should be returned to the Local Bodies by the teachers concerned after the completion of their training. The Local Bodies concerned may also be required to obtain a bond from the deputed candidate binding himself to serve the local body as a Hindustani teacher for a period of three years after he completes the period of training. The bond should be signed by one or two sureties and include a penalty clause providing for the refund of the expenses incurred by the Local body in case the candidate fails to fulfil the terms of the bond.

I also agree to the proposal in para 4 of the U.O. note and suggest that Hindustani teachers who are now in service may be permitted to acquire the Pracharak Diploma within a period of two years from the date of the order proposed to be issued if they have not already acquired the qualification.

[Handwritten: Please see the Director's remarks on pp 3-4 ante. Under the existing orders, all the expenses connected with the deputing of teachers for undergoing training as Physical Training Instructors should be met from the funds of the local bodies concerned. It is not clear why the same procedure should not be adopted for giving Pracharak Training to Hindustani teachers who have not undergone that training. If the expenditure on Pracharak training is admitted as an approved item of expenditure for purposes of assessment of teaching grant, the same course will have to be adopted for Physical Instructors Training also. Further it will be necessary to grant the Concessions to Hindustani teachers in aided secondary schools also. Re No 898 G.2/47 d 1.6.48 - H/35-36cf

Please see the letters from the D.P.I. on H/35-38cf. He has furnished an estimate of extra cost involved in admitting the expenditure in giving Pracharak training for assessment of teaching grant. A similar estimate has to be furnished in respect of expenditure on deputation of teachers for training as Physical Training Instructors. As it may take sometime for a final decision to be reached on the question whether the expenditure on these two items should be admitted for purposes of assessment of teaching grant, local bodies may be instructed to show the extra expenditure on training of teachers separately in the financial statements to be submitted by them. The scheme of instructions for the preparation of financial statements need not be delayed on this account. The D.P.I. may be informed accordingly.

on H/31-32, 35-36 & 41-42 cf. It is observed that in the case of secondary schools under private management, the expenditure on the deputation of teachers for undergoing L.T. & B.Ed training and training of Physical Instructors is treated as admissible items for

by the D.P.S under rule 32 of the Grant in Aid Code

purposes of grant. As the teaching grant to secondary schools under local bodies has also to be assessed with reference to rule 32 of the grant-in-aid code, the expenditure in respect of the above items referred to above should, it seems, be reckoned as admissible items of expenditure for purposes of teaching grant from 1947-48 onwards in the case of secondary schools under local bodies also as suggested by the D.P.I. The Director also recommends that the expenditure incurred by local bodies and private managements on the deputation of Hindu and teachers for Pracharak training may be admitted as an approved item of expenditure. Particulars of the extra cost involved is roughly estimated as follows:-

Deputation of teachers for undergoing Physical training as Physical instructors.

Local bodies Sent share of the cost per annum

Rs 26,000 p.a. Rs 13,100.

Deputation of Hindu teachers for Pracharak training

Local bodies Rs 35,870. Rs 17,935

Private managements Rs 32,474 Rs 21,650

As regards the cost to be sent by way of teaching grant in respect of secondary grade teachers undergoing B.T. & B.Ed training, the D.P.I. states that information regarding the number of teachers is not available. He, however, states that the extra cost on that account will be very negligible. The recommendation of the D.P.I. may be supported in this Dept.

The file relates to a proposal to admit as an item of approved expenditure incurred by local bodies and private managements on the deputation of Hindustani teachers for Pracharak training, and on the deputation of teachers for undergoing training as Physical Instructors.

The extra cost to Government by way of additional grants involved in the proposal is roughly estimated as below:--

(1) Deputation of teachers for training in Physical education	Rs.13,100 (local bodies)
(2) Deputation of Hindustani teachers for Pracharak Training	17,935 (local bodies)
	and 21,650 (private managements).

As regards the extra cost on account of Secondary grade teachers undergoing B.T. or B.Ed. training, the D.P.I. has stated that the number undergoing training will be very small and that the additional expenditure will be negligible.

2. In view of the fact that in the case of secondary schools under private management, the expenditure on the deputation of teachers for B.T. or B.Ed. and Physical Instructors' training, the expenditure is treated as one of the admissible items for purposes of grant, the D.P.I. recommends the proposal. E & P.H. propose to accept it. In the circumstances, Finance also may agree to the proposal.

However, as there is no great urgency involved in the proposal, Fin. may suggest that this may be brought forward as a Part II scheme for 1949-50. If E & P.H. do not agree and wish to press their proposal for introduction in the current year itself, the proposal will have to be treated as a 'new service' and the proposal will also have to be placed before the S.E.C. and the Cabinet. A Supplementary grant should also be obtained from the Legislature in due course, if it is decided that the scheme should be introduced in the current year. In any case, it does not seem necessary to give effect to the proposal from the year 1947-8. It seems sufficient to introduce the scheme with effect from the 1st April of the year in which it is sanctioned.

The Finance Deptt's note from page 8 ante may be perused. The proposal may be given effect to from 1948-9. As the teaching grant for 1948-9 is payable only in 1949-50, it seems sufficient to put forward the proposal as a Part II scheme for 1949-50.

Explanatory Note.

Owing to the dearth of qualified candidates for appointment as Physical Training Instructors or as Physical Training Instructresses in secondary schools under local bodies, the Government have authorized district boards and municipal councils to incur expenditure on the deputation of teachers in their employ for training as Physical Training Instructor in the Y.M.C.A. College of Physical Education, Saidapet, and as Physical Training Instructresses in the Physical Training Class for Women, Saidapet, from their funds. In the case of teachers in secondary schools under private management undergoing physical training in the Y.M.C.A. College of Physical Education, their full salary at rates not exceeding those admissible to Government servants of similar grade and additional expenditure not exceeding Rs. 250 on tuition fees, cost of books, etc., are taken into account for purposes of assessment of teaching grant under the Grant-in Aid Code. The question of taking into account the expenditure incurred by district boards and municipal councils on the deputation of teachers for undergoing physical training for purposes of teaching grant did not arise so far, as local bodies were hitherto paid only lump-sum subsidies towards the cost of maintenance of secondary schools under the block grant system. This system has been abolished as from 1st January 1947 and teaching grants are now paid to all recognized secondary schools under local bodies based on one-half of the approved net cost of maintenance of the schools in the preceding financial year. It is now proposed to admit the expenditure on the deputation of teachers in secondary schools for physical training as an approved item of expenditure for purposes of assessment of teaching grants with effect from 1948-9, as is already being done in respect of schools under private management. The Director of Public

Please see the letter from the D.P.I. on page 45 C.F. The proposal to admit the expenditure incurred by local bodies on the deputation of teachers for training as Physical Training Instructors and for Pracharak training as an approved item of expenditure for purposes of assessment of teaching grant is considered as a Part II scheme for 1949-50. The D.P.I. recommends that pending the issue of orders on this proposal, orders may be issued in regard to the grant of pay and other concessions to teachers while undergoing Pracharak training as certain candidates have already undergone training. Attention is in this connection solicited ^{to} para 1 of D.P.I.'s ^{on 3 ante} note wherein he has suggested the concessions to be allowed ^{to teachers proceeding to Pracharak training} based on the concessions allowed to teachers deputed for training as Physical Training Instructors. In addition to half the substantive pay or the actual ^{pay} drawn immediately before proceeding for training as the case may be the teachers will have to be allowed to draw dearness allowance during the period of deputation. The D.P.I. has not recommended the grant of this allowance. Further the D.P.I. has not also stated whether the concessions should be allowed from 1-4-48 so that those who ^{are} undergoing training in 1948-9 may be benefitted by the grant of the concessions or whether it should be allowed even to those who underwent ~~training~~ training in 1947-8. The Director may be consulted.

A draft T.M. is submitted below for approval.

P490/ [from the D.P.I. Rc. no. 898-G2/47 dated 18-12-48]
Please see the above note. The D.P.I. recommends that dearness allowance also may be allowed to the Hindustani teachers deputed for Pracharak training, on the analogy of the concession granted to teachers undergoing training as Physical Training Instructors. The extra cost involved on this account is estimated as Rs. 20,100.

Instruction has estimated that about forty teachers from secondary schools under local bodies can find admission in the Y.M.C.A. College of Physical Education every year and the cost has been worked out on the basis that Government will have to meet one-half of the cost of training forty teachers every year.

Under the existing orders, Hindustani teachers in secondary schools should, in addition to the academical qualification in Hindustani, possess the diploma of 'Pracharak' conferred by the Dakshina Bharat Hindustani Prachar Sabha, Madras, which can be obtained after undergoing training for a period of three months. It is reported that there are about 169 Hindustani teachers in secondary schools under local bodies and 153 in secondary schools under private management who have not acquired the training qualification of Pracharak. As it is necessary that these teachers should be given training and as local bodies and private managements will not depute the teachers for training if the expenditure is to be met entirely from their funds, it is proposed to treat the expenditure on the deputation of the Hindustani teachers for Pracharak training as an item of approved expenditure for purposes of assessment of teaching grant as in the case of Physical Training Instructors. With a view to encourage the existing private schools to coach up teachers for the Pracharak Diploma examination, the Government have undertaken to pay grants-in-aid to those institutions for conducting the training classes. It has been reported that forty-four teachers are undergoing Pracharak training in the current year and the cost in 1949-50 will be only in respect of these teachers, as grants for 1948-9 will be assessed and paid in 1949-50. The basis of assessment of teaching grants to secondary schools under local bodies and private management is one-half and two-thirds respectively of the net cost of maintenance of the schools in the preceding financial year and grants towards the expenditure incurred on the deputation of Hindustani teachers for Pracharak training will also be assessed on the same basis.

The ultimate extra cost to the Government on account of the proposal is estimated at Rs. 52,700 and the cost in 1949-50 at Rs. 20,100 as shown in the summary at the top. This department recommends that an additional provision of Rs. 20,100 be made in the Budget Estimate for 1949-50 on this account.

1) Deputation of teachers in Secondary schools under local bodies	Asst to local bodies Rs 11,154	Govt. share of the cost per Angkorh. 5577
2) Deputation of teachers in aided Secondary schools	10098	5049
	<u>Total 21,252</u>	<u>10626</u>

2 The D.P.I. suggests that teachers who were deputed to undergo the Pracharak training after the issue of G.O. no. 2098 Edm dated 2-11-46 (i.e. the one which made it obligatory on the part of the teachers to undergo the training) should be allowed the concessions and that the expenditure on the deputation of teachers in 1946-47 and 1947-48 should be met by the local bodies concerned irrespective of the fact whether or not that expenditure will be admitted by the Govt for purposes of assessment of teaching grant. The Director suggests add that it is desirable to admit the expenditure from 1947-48 onwards because the request for the concessions were made by the teachers in that year. The

3 Attention is directed to the orders in circ on p 9 ante. This proposed to admit the expenditure on training as Physical Training Instructors & Pracharak for purposes of assessment of teaching grants only from 1948-9. The extra cost on account of dearness allowances has not been taken into account in the Director's estimate of cost on p 25-26. He now recommends that it may also be taken into account as grant is made towards one-half of the expenditure incurred by local bodies on the deputation of teachers. The D.P.I. has separately recommended that Hindu teachers who have served for 5 years in Secondary schools may be exempted from undergoing training and that if this recommendation is accepted, the number of teachers to be given Pracharak training will be reduced & there will be a reduction in the estimated cost. It seems therefore unnecessary to make any alterations to the Part II Scheme

A by 28/1/48

note on account of the extra cost in respect of dearness allowance

2 It is doubtful whether any teachers would have been deputed by local bodies to undergo Pracharak training in 1946-7. It is for consideration whether local bodies should be permitted to incur expenditure on the deputation of teachers for Pracharak training from 1947-8 onwards. This will mean the payment of arrears of salaries etc for 1947-8.

3 The remarks of Finance may be invited in this regard.

In 1947-48, the teachers who underwent training met the expenditure out of their pockets. If the period of training is now treated as on deputation, the teachers will get arrears of salaries from local bodies. This concession does not seem necessary.

Principle of taking into account the expenditure on the payment of dearness allowance in assessing the grant payable to local bodies and private managements in the case of deputation for Hindi Pracharak Training on the analogy of what is done in the case of deputation for X.M.C.A. Training or Physical Education & Finance may agree to the proposal.

The cost involved in the proposal is Rs 10,626/- (Govt. share).

It is considered that this amount will get reduced as the cost of training will be exempted from the training. They therefore consider that it is not necessary to make any alteration in the Part II scheme note.

Notes from page 11 ante maybe perused. The proposal is to allow the payment of dearness allowance to Hindustani teachers during the period of Pracharak training as is being done in the case of teachers deputed for training as Physical Training Instructors and to take the expenditure into account in assessing the teaching grant to schools under local bodies + private managements from which the teachers are deputed for training. - The extra cost to Govt involved in the proposal is estimated at Rs 10,626 ultimately. for purposes of assessment of teaching grant under the Grant-in-Aid Code. The question of taking into account the expenditure incurred by local district boards and municipal Councils on the deputation of teachers for undergoing Physical Training for purposes of teaching grant did not arise so far as local bodies were hitherto ^{paid} only lump sum subsidies towards the cost of maintenance of secondary schools under the block grant system. This system has ^{been} abolished as from 1.1.47 and teaching grants are now paid to all ^{recognised} secondary schools under local bodies based on one-half of the approved net cost of maintenance of the schools in the preceding financial year. It is now proposed to admit the expenditure on the deputation of teachers in secondary schools for Physical Training as an approved item of expenditure for purposes of assessment of teaching grants with effect from ~~1948-9~~ 1948-9, as it is already being done in respect of schools under private management.

and secondary schools under local bodies have been brought into line with secondary schools under private management in the matter of grants.

The D.P.S. has estimated that about 40 teachers from secondary schools under local bodies can find admission in the Y.M.C.A. College of Physical Education every year and the cost has been worked out on the basis that Govt will have to meet one half of the cost of training 40 teachers every year.

Under the existing orders, Hindustani teachers in secondary schools should, in addition to the ~~qualification~~ ^{academic} qualification in Hindustani, possess the diploma of 'Pracharak' conferred by the Dalshinabharat Hindustani Prachar Sabha, ^{which can be obtained after undergoing training} for a period of three months. As it is necessary that these teachers should be given training and as local bodies & private managements will not defute the teachers for training if the expenditure is to be met entirely from their funds it is proposed to treat the expenditure on the deputation of the Hindustani teachers for Pracharak training as ~~an~~ an item of approved expenditure for purposes of assessment of teaching grant as in the case of Physical Training. ^{Instructors.} With a view to

encourage the existing private schools to coach up teachers for the Pracharak diploma examination, the Govt ^{have} undertaken to pay grants-in-aid to those institutions for conducting the training classes. Please see the notes & orders in circulation on page 16 ante and above. The question of admitting the expenditure incurred on payment of dearness allowance to teachers during the period of training as Physical Training Instructors and Hindustani Pracharaks for purposes of assessment of teaching grant need not be taken up separately now in view of the recommendation of the S.F.C. that the expenditure incurred on the training itself need not be taken into account for purposes of assessment of teaching grant. This decision should also be followed in respect of P.T. & P.R. training also.

5-2-49

14/1/49

3. The point for decision now is whether local bodies should be permitted to allow to Hindustani teachers who want to undergo Pracharak training the following concessions as is being done in the case of teachers who are deputed to undergo training as

Physical Training Instructors if the local bodies can afford to bear the expenditure involved entirely from their own funds without any retrospective effect.

- (1) Half the substantive pay or half the pay the teachers were drawing immediately before proceeding for Pracharala training treating the period of absence in connection with training as duty.
 - (2) Dearness allowance at the rates admissible to them.
 - (3) Travelling allowance at the rates admissible under M.T.A. Rules
 - (4) Incidental charges not exceeding Rs 130 for each teacher.
- (Registration & tuition fees, special fees, Examination fees Students Association fees, Mess charges & books - vide p 3 ante).

3 The D.P.D has reported that in the case of secondary schools under private managements the expenditure under the following items is now treated as admissible expenditure for purposes of grant:-

- (1) In the case of secondary grade teachers undergoing L.T or P.B.D training, half the salary admissible to govt servants of similar grade.
- (2) In the case of teachers undergoing Physical Training in the Y.M.C.A college of Physical Education their full salary on the rates admissible to govt servants of similar grade together with an additional expenditure not exceeding Rs 250 on tuition fees, cost of books etc.

In view of the fact that it is not proposed to admit such expenditure incurred by local bodies for purposes of assessment of teaching grant, it is for consideration whether the concession may be withdrawn. It seems that there should be uniformity in recognizing the approved items of expenditure both in respect of schools under local bodies & private managements.

The file may be circulated to M (Edn) for orders on the points raised in paras 2 & 3 above.

In view of the paucity of teachers in local board schools also, we may have to extend this concession to the local boards. In view of the present financial stringency, it has not been allowed. The matter of allowing these concessions to the local boards also is a matter of time and so, nothing

It is possible that such expenditure is admitted for purposes of grant based on Govt. orders. Private managements may refuse to depute candidates if the concession is withdrawn. I do not know what will be the result. I am not sure if the concession is withdrawn. I am not sure if the concession is withdrawn.

may be done with regard to the concessions obtaining now to the aided agencies.

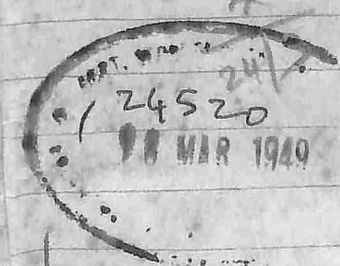

(E) 2

Please see the orders in circulation above. In the case of teachers deputed for training as Physical Training Instructors, the selected candidates are required to execute a bond binding to serve the local body as a teacher in the relevant capacity for a period of three years after completion of the training. Vide para 6 of Go no 1626 Edn 3 1.11.44. The period of training for Hindustani Pracharala is only three months and the expenditure to be incurred by the local bodies on training will be comparatively less. It is therefore for consideration, whether Hindustani teachers may be required to execute a bond agreeing to serve for two years in that capacity. As even probationers will be deputed for training it is necessary to insist on execution of the bond in consideration of the expenditure incurred on training.

2 Subject to orders on the point raised in para 1 above, a draft order is submitted below for approval. It may be sent to L.A. for acceptance before issue.
