Explanatory note on the revised estimate for 1948-49 and the budget estimate for 1949-50 of the elementary education fund of the South Arcot District Board.

The actual opening balance on 1-1-1948 was Rs.74,137. This includes a sum of Rs.6,945 the unspent subsidy under compulsion paid to the district board during 1947-48 which has to be refunded to the provincial funds this year in accordance with the instructions issued in Government Memo No.74435-B2-48-1 Education dated 28-10-1948.

2. Education tax.

Education tax is levied at the rate of 15 pies per rupee with reference to G.O.No.77809-B2-47-1 Education dated 8-10-47, and credit is taken for the same as per figures furnished by the District Collector in his letter No.F.Dis.251 Pdl.42 dated 25-11-48 both in the revised budget for 1948-49 and in the budget estimate for 1949-50. The financial resources available under elementary education fund are limited and are not elastic enough to meet the growing expenditure year after year. A perusal of the revised budget figures for 1948-49 will show that the normal expenditure exceeds the normal receipts by Rs.1,15,000 while the budget for 1949-50 closes with a deficit of Rs.4,15,700. Unless drastic steps are taken, the Board will have to face a deficit budget on the elementary education side. It has therefore become necessary to resort to some drastic proposals to balance the budget. Before putting up these proposals we shall briefly narrate the causes that have contributed to this state of affairs.

They are:-

(1) Introduction of revised scales of pay with advance increment according to length of service,

(2) Introduction of annual increment instead of biennial increment,

(3) Payment of dearness allowance at the enhanced rates.

The following proposals are therefore submitted for adoption with a view to balance the budget.

They are:-

(1) the education cess may be increased from 15 pies to 24 pies

(2) subsidy may be asked to be sanctioned by Government on account of expenditure incurred towards payment of dearness allowance.

A sum of Rs.4,28,784 is taken credit in the budget of 1949-50 under education tax at the rate of 15 pies per rupee. If the cess is increased to 24 pies per rupee the District Board will get an additional income of about 2,00,000. Even after this increase, there is a deficit of Rs.2,15,700. Unless the Government sanction a liberal subsidy towards the payment of dearness allowance, it may not be possible to balance the budget. The expenditure under this item alone comes to Rs.4,26,500 for 1949-50, in view of the increase in the rates under dearness allowance. A separate reference is being made to the Government for sanction of subsidy on this account.

3. Government grant under Section 37 of the Elementary Education Act.

As regards the Government grant under Section 37 of Elementary Education Act credit is taken at the rate of 4 1/2 pies in the rupee on the total education cess collected during 1947-48 and a sum of Rs.1,34,389 has been adjusted during the year 1948-49 and a sum of Rs.1,23,900 is shown in the budget estimate for 1949-50 on the basis of the figures furnished by the Revenue Department.

4. Government grant under proviso to section 37 of Elementary Education Act

A sum of Rs.3,82,630 is taken credit of in the revised estimate of 1948-49 as well as in the budget estimate for 1949-50.

5. Government grant for compulsory education.

Government have in their order No.2852(Education) dated 15-11-48 sanctioned a subsidy of Rs.2,36,695 towards expenditure under the compulsory elementary education scheme introduced in 1945-46, 1946-47 and 1947-48, in select rural centres in this district and continued this year. Detail for the above are as follows:-

	Rs.
Salaries of masters ..	1,32,300
Dearness allowance	84,708
Peons & Conductresses	1152
Contingencies	6,696
Rent ..	7,339
Books and slates ..	4,500
Total ...	2,36,695

The probable expenditure under compulsion for 1948-49 comes to Rs.2,71,600. Deducting the subsidy already sanctioned above, credit is taken for a further subsidy of Rs.34,095 under this head.

Government grant for construction of sheds.

No expenditure has been incurred till 30th September 1948 due to unavailability of rates, cost of labour, etc. A sum of Rs.2,000 being the balance of subsidy towards cost of construction of sheds in 1947-48, in centres where compulsion was introduced in 1945-46, was adjusted during the year 1948-49.

Government grant for furniture.

No expenditure under this head was incurred up to 30-9-1948, but a grant of Rs.548 towards supply of furniture in 1947-48 to centres relating to 1945-46 was adjusted this year to the District Board.

A sum of Rs.7238 has been spent subsequently towards the purchase of furniture under compulsion scheme and orders for further supply of furniture to the extent of Rs.4762 are yet to be carried out this year. The Government will be addressed for the sanction of a subsidy towards the amount. Thus, a sum of Rs.2,71,142 has been taken credit in the revised budget for 1948-49 for regular schools supply of furniture has been incurred to the extent of Rs.7000 and it is proposed to place orders for further sum of Rs.11,000 during this year for which tenders are being called for.

6. Subsidy for basic training.

Government in their order No.MS.2320 (Education) dated 16-9-48 sanctioned a subsidy of Rs.1,723 towards salaries and dearness allowance of certain teachers deputed for training in the basic training schools in 1947-48. Further sum of Rs.2,777 is taken credit in the revised budget towards the payment of salaries and dearness allowance for another set of 10 teachers deputed for basic training during the current year.

Contribution from general funds.

Credit has been taken for a sum of Rs.4,85,270 which includes a sum of Rs.1,27,300 from the arrear tolls compensation grant.

Expenditure.

Salary of the District Board Educational Officer.

(i) Provision has been made for payment of salary according to revised scales of pay i.e. Rs.175 per mensem. ~~Chukras and servants~~

Clerks and servants(Office).

(ii) Provision has been made for 1 Superintendent, one accountant, one upper division clerk, 23 lower division clerks and one attender.

9. Salaries of masters.

A sum of Rs.4,41,123 has so far been spent from 1-4-1948 to 30-9-48 and a sum of Rs.4,56,977 will be necessary to meet out the pay of the teachers from 1-10-1948 to 31-3-1949. Adding Rs.1,42,700 under compulsion scheme the total cost works out to Rs.10,40,800 for 1948-49. In the budget estimate for 1949-50, a sum of Rs.8,93,300 for teachers in regular schools and Rs.1,60,300 for teachers employed under compulsion scheme have been provided. The total comes to Rs.10,53,600.

10. Dearness allowance.

The Government in their Memo No.54172-B2-48 Education dated 8-9-1948 ordered the payment of enhanced dearness allowance due for the period from 1-1-1948. It was also mentioned in the above Government order that funds will be provided for by the Government to meet extra cost in due course. Anticipating the sanction of additional funds by the Government in this behalf, a sum of Rs.1,00,000 was diverted temporarily from the general funds for immediate payment of salaries to teachers ordered in the Government Order.

A sum of Rs.2,05,205 was incurred up to 30-9-1948 for the regular schools and a further sum of Rs.2,86,195 will be required for the remaining period this year. A sum of Rs.34,136 has been spent under compulsory education scheme and a further sum of Rs.56,712 will be required for the remaining period. Thus a total amount of Rs.492000 under regular and Rs.90,900 under compulsion scheme, will be required for 1948-49.

A sum of Rs.4,26,500 for regular schools and Rs.96,900 under compulsory education scheme is provided for in the budget for 1949-50.

11. Clerks and servants.

A sum of Rs.9,100 for peons employed in the regular schools and Rs.400 under compulsion scheme is provided for 1948-49. For 1949-50 a sum of Rs.9,150 for regular schools and that Rs.600 under compulsion scheme have been provided. In addition, a sum of Rs.11,000 and another of Rs.650 are provided towards their dearness allowance for 1948-49 and 1949-50 respectively.

12. House rent.

A sum of Rs.35,600 towards rent for regular schools and Rs.9,300 under compulsion scheme is provided for 1948-49 while a sum of Rs.31,700 for regular schools and Rs.12,000 under compulsory education scheme is provided in the budget estimate for 1949-50.

13. Contingent and other items.

A sum of Rs.42,200 for regular schools and Rs.9,300 for compulsion education scheme is provided in the revised budget for 1948-49 while Rs.44,650 for regular schools and Rs.10,450 for compulsion schools is provided in the budget for 1949-50. The small increase for 1949-50 over that of 1948-49 is due to the increased wages of sweepers and of part time menials. ~~Repairs~~

14. Repairs to buildings.

A sum of Rs.25,000 is provided in the budget estimate for 1948-49 while Rs.35,000 is provided in the budget estimate for 1949-50. The increase for 1949-50 is due to non-execution of repairs this year on account of dearth of materials and labour.

82
Capital.

15 Lands and Buildings.

A sum of Rs.10,500 is provided in the revised budget for 1948-49 and Rs.20,000 in the budget for 1949-50. Under compulsion scheme, a sum of Rs.2,000 is provided in the budget estimate for 1948-49 for construction of sheds, and Rs.3,000 in the budget for 1949-50.

16 Furniture and apparatus.

Many of the elementary schools are not provided with required furniture and most of them do not have any clock or timepiece. A sum of Rs.13,000 ~~1,000~~ for regular schools, and Rs.12,000 under compulsory education is provided in the revised budget for 1948-49, while Rs.40,000 and Rs.5,000 respectively provided in the budget estimate for 1949-50. The increase for 1949-50 is intended to meet the needs of schools like geographical maps, globes and charts which are deficient in all schools and science apparatus and materials, particularly for the higher elementary schools, in which elementary science has been made a compulsory examination subject for the VIII standard public examination from 1949-50 and no equipment of any sort is available in them at present for teaching the same.

17 General.

The revised budget for 1948-49 closes with a deficit balance of Rs.1,15,000 and this is due to the giving effect of the revised scales of pay with advanced increments according to length of service, annual increments instead of biennial, and enhanced rate of dearness allowance, with arrears for 1947-48.

The budget estimate for 1949-50 closes with a deficit balance of Rs.4,15,700 which goes to prove that the financial position of the Elementary Education account continues to be poor and requires to be augmented by (1) increasing the rate of education cess from 15 pies to 24 pies, (2) by increased contribution from the general funds of the district board as is being done every year and (3) by a liberal subsidy from the Government to balance the budget on account of the substantial increases in the rates of pay and dearness allowance of the teachers.

Sir,

Sub:- Education - Elementary - South Arcot District
Board - Position of Elementary Education Fund -
Explained -

Ref:- This office Roc. D2-9743-DB-49., d/25-4-49.

As already reported, the position of the Elementary Education Fund of this Board is worsening and it has to await the adjustment of Government subsidies and Education Cess every month, in addition to the relief afforded from the General funds of this Board for the salaries of teachers to be disbursed. Out of an estimated contribution of Rs.3,57,470 from the General Funds, the Elementary Education Fund has so far drawn to an extent of Rs. 2,00,000 and it is not desirable to expect more from some months to come, since the General fund might find it difficult to advance without determining its own financial position clearly.

The Government subsidies for the maintenance of Elementary Schools opened prior to and after 1-4-1921, have since been sanctioned and the same will be drawn. This will facilitate the payment of salaries of Elementary School teachers

p.t.o.

46

--2--

for the month of June 49, payable in July 49.

It is feared that it may not be possible to make payment of salaries of masters for the month of July 49, to be paid in August 49, since there will be little left after the disbursement of June 49 pay.

The enhanced rate of Education Cess at annas two in the rupee has not been sanctioned by the Government yet. Necessary particulars regarding the opening balance under Elementary Education Fund for 1949-50 have been furnished in this office Roc. D16-29445/48 dated 30-5-1949, as directed in Government Memorandum Ms.No. 912, Edn. dated 29-3-49.

Further, the Government have not yet sanctioned the Advance Subsidy for Compulsory Elementary Education and the Board has already paid the salaries of teachers working under this scheme for the past three months. The particulars regarding the adjustment of Government Subsidy for 1948-49 and requirement for 1949-50 were forwarded to the Director of Public Instruction in this office Roc. D1-13671/DB-49., dated 23-5-49.

In the above circumstances, I request that the Government may be pleased to sanction early the levy of increased rate of Education Cess recommended, and also to sanction the advance Government Subsidy for Compulsory Elementary Education for 1949-50.

Sub:- BUDGET ESTIMATE = 1949-50 = Elementary
Education Fund = District Board, South Arcot.

Ref:- From the Special Officer, District Board,
South Arcot, No.D.16-29445/48, dated
18-12-1948.
Endorsement of the D.P.I., No.11-B3/48-49,
dated 21-1-1949.

The D.P.I. has forwarded with his remarks the
Revised Estimate for 1948-49 and the Budget Estimate
for 1949-50 of the Ele. Edn. Fund under the control
of the District Board, South Arcot. The estimates
are examined below:-

2. Provision has been made in the budget for
the expenditure connected with the scheme of compul-
sory elementary education. Credit has been taken
for a subsidy from provincial funds towards the cost
of the scheme. The transactions relating to this
special scheme are noted in para.6 below.

3. Excluding the transactions relating to the
scheme of compulsory elementary education, the normal
receipts and charges of the Ele. Edn. Fund of the
District Board are as shown below:-

	Revised Estimate for 1948-49.	Budget Es- timate for 1949-50.
	Rs.	Rs.
Opening Balance	74,137	- 1,17,548
Receipts-Ordinary	13,76,575	12,29,400
Receipts-Capital	47,000	69,000
TOTAL	14,97,712	11,80,852
Charges-Ordinary	15,86,760	15,39,100
Charges-Capital	28,500	60,000
TOTAL	16,15,260	15,99,100
Closing Balance	- 1,17,548	- 4,18,248

4. Revised Estimate for 1948-49:- Credit has
been taken for the following items of receipts:-

- (1) An amount of Rs.3,57,470, being the contri-
bution from the General Funds to the E.E. Fund.
- (2) An amount of Rs.1,27,800 as Arrear Toll

Compensation grant.

(1) above:- The amount taken credit for, has already been agreed to in G.O.Ms.No.1189-Edn., dated 12-5-48. This may be allowed to stand.

(2) above:- The Board has taken credit for a sum of Rs.1,27,800 as A.T.C. grant. Though, in G.O. Ms.No.1189-Edn., dated 12-5-48, the Board was permitted to adjust only a sum of Rs.88,000 to the E.E. Fund out of the A.T.C. grant, the amount taken credit for, has been agreed to by L.A. Dept. when examining the general fund Budget. This may also be allowed to stand.

The R.E. closes with a deficit of Rs.1.175 lakhs. This is due to the expenditure of Rs.5.91 lakhs on account of the payment of the enhanced rates of dearness allowance to teachers. The Board has not taken credit, in this connection, for a subsidy of Rs.1.15 lakhs sanctioned in G.O.No.251-Edn., dated 3-2-1949, for the payment of the enhanced rates of d.a. If this is taken into account, there will be a deficit of Rs.2,500 only at the end of the current year. In the current year, a sum of Rs.2,07,910 has been sanctioned to the Dt. Bd. as A.T.C. Grant, out of which the Board has adjusted only a sum of Rs.1,27,800. In view of the anticipated deficit of Rs.2,500 at the end of the current year, the Board may be directed to adjust an addl. amount of Rs.2,500 to the E.E. Fund out of the A.T.C. grant. In this case, the deficit at the end of the current year will disappear. L.A. may see on this point.

5. B.E. for 1949-50:- If the B.E. for 1949-50 opens with a nil balance, there will be a deficit of Rs.3.01 lakhs at the end of 1949-50. This huge deficit is due to the expenditure of Rs.4.37 lakhs on account of the payment of the enhanced rates of dearness allowance to teachers. In view of this large deficit, the entire provision of Rs.60,000 made for the capital expenditure may be deleted. If this is done, the deficit will be reduced to Rs.2.41 lakhs. L.A. Department may be requested to state whether

any additional contribution can be made from the general funds.

Whatever L.A. may say regarding 'A' above, it seems that orders may now be passed on the budget ^{leaving} a deficit and that the question as to whether a subsidy should be paid or as to how otherwise, to how this deficit should be met, may be considered after the actual closing balance on 31-3-1949 is known. The Special Officer may be asked to submit a report in this behalf.

It is proposed to raise the rate of education tax, now levied, from 15 pies to 24 pies to meet the large deficit anticipated at the end of 1949-50. The general question of revision of the method of levy, and the rate, of education tax is under the consideration of the Govt. and no decision has yet been taken. Pending a decision, the proposal to increase the education tax need not be considered now. It may be considered along with the question of what subsidy should be paid - vide 'B' above. For this purpose, the S.O. may be asked to report the actual closing balance on 31-3-1949 before the end of May 1949 so that necessary orders may be passed in time (before the end of June 1949) for raising the rate of education tax from fasli 1359. Also, by that time, the Govt. also might have passed orders on the general question referred to at 'C' above.

6. Compulsory Elementary Education:- As the Govt. have undertaken to sanction a full subsidy towards the cost of the scheme, the transactions relating to this scheme will not affect the position of the E.E. Fund. For the present, the expenditure provided for and the subsidy taken credit for, may be allowed.

7. L.A. may see for remarks.

Please see the notes of Edn. & P.H. Dept. on pp. 1-3 above. Provision is made in the General Budget of the District Board for a contribution of Rs. 357,470 to the Ele. Edn. Fund in each of the two years 1948-49 and 1949-50. In view of the deficit in the E.E. Acct. in 1948-49 this Dept. may agree to the adjustment of a sum of Rs. 1,30,300 from the A.T.C. sanctioned in the current year. The question of making additional contributions to the from the General Account to the E.E. Acct. towards the deficit in the latter account in 1949-50 may be considered after the actual closing balance for the current year is known. The file may be passed on to Finance Dept.

Ref: From S.O. D.I. Bd., South Arcot No. 216-29445 DB/49
dated 30.5.49

With ref. to G.O. No. 912 Edn. dated 29.3.49, the S.O. D.I. Bd., South Arcot, has reported in his letter cited above, that the actual closing balance in the E.E. fund on 31.3.49 is Rs. 45,931-7-0 or Rs. 45,931 roundly. The deficit at the end of 1949-50 was fixed at Rs. 2.41 lakhs, assuming that the fund would open with a nil balance. If account is taken of the surplus of Rs. 46,000 now reported, the deficit at end of 1949-50 will get reduced to Rs. 1.95 lakhs. This deficit is mainly due to the expenditure of Rs. 4.37 lakhs on the payment of diaries allowance to teachers. (L.A. Dept. may be requested to say with ref. to the rates at M n p 4 n. t. C, whether any additional contribution can be made from the general funds to the E.E. fund during the current year over and above the contribution of Rs. 2.57 lakhs, already provided for.

The file may first be sent to L.A. for remarks.
