R.C.A. 13 No. 13600/48 dated 25-5-48.

Sir,

Subject: SECONDARY EDUCATION - Board Girls' High School -
Pattukottai - Retention of conductress during
the years 1942-43 to 1947-48.

26 MAY 1948
CN. 1188 Ruluf
MADRAS

The Board Higher Elementary School for Girls, Pattukottai was converted into a Middle School with effect from the School-year 1942-43 with the sanction of the Director of Public Instruction, Madras - accorded in his proceedings R.C.No.910-G/42 dated 29-7-42. There were two conductresses in the Higher Elementary School. In view of the backwardness of the locality, it was found absolutely necessary to retain at least one conductress to conduct young girls of classes I to V of the Primary Section to the school. The Inspectress of Girls Schools, III Circle, Madras was therefore addressed for according sanction for the continuance of the conductress in this office R.C.No. 11684/42 dated 22-8-42. Sanction was also obtained for the entertainment of one conductress in E.C.122 dated 7-9-42 of the Standing Committee for Education. But no reply was received from the Inspectress.

Since the Girls High School is located in a very busy part of the town where traffic is very heavy, the services of a conductress for conducting girls of 8 to 11 to school and home was indispensable. A conductress was therefore employed till the end of the school year 1947-48. As class V has been abolished with effect from the school year 1948-49, the services of the conductress have been dispensed with in the last working day of the school year 1947-48.

I request that in view of what has been said above the action of the District Board in having employed a conductress even after the conversion of the Higher Elementary School into a Secondary School may kindly be ratified.
