No.516 D7/49-2 dated 16th March 1949.

Sir,

Sub:- Research - Access to records - Permission to
Srimathi T.Minakshi.

20948

I forward herewith an application from Srimathi T.Minakshi, a research student of the University of Madras, requesting permission to consult books and reports relating to the subject, "Finance of the Madras Government since 1919", available in this office. A letter from the Professor of Economics which accompanied the application is also enclosed. It will be seen from this letter that what the research student desires to see are the "budget memorandum and other reports concerned with it". Copies of the Budget Memoranda for the period 1925-1937 and copies of the Civil Budget Estimates for the period 1923-1937 are available in this office. Of these, the Budget Memoranda of certain years are priced publications and the Civil Budget Estimates are not priced publications. There is however no objection to allowing the research student to consult all of these. In regard to the

reports,

reports, what the Professor evidently means are the Government Orders. But as these Government Orders are Government Orders of the current period access cannot be allowed to any of them. The only exceptions are the Government Orders which have been placed at the disposal of the Press. These are generally thrown open for research. I therefore recommend that Government may be pleased to permit me to allow Srimathi T. Minakshi to have access to the Budget Memoranda and Civil Budget Estimates and to the printed copies of such of the Government Orders on her subject as have been placed at the disposal of the Press. If the Government grant the permission, care will be taken to see that only the papers relating to her subject (from 1919 to 1944) the year upto which records have been transferred to this office) are placed at her disposal and that the notes taken down by her are scrutinized to see that they do not contain any objectionable materials.

Yours faithfully,

M. S. Srinivasan

I acknowledge with thanks your letter. I am enclosing herein the application form duly filled in. As you suggest she will commence her work only after the sanction of the Government is obtained.			
She is not seeking access to any confidential records. It is only the budget memorandum and other

reports concerned with it that she is in need of. Unfortunately they are not available at the Secretariat Library as I believe the old ones are transferred to the Record Office.

Her work is purely of an academic character and I would be thankful for any help that you could give her. She is a stipendiary research student of the University.

Yours faithfully,
