Explanatory note of the Commissioner on the Budget Estimate of the
Elementary Education Fund of the Council for the year 1949-50.

1. The Budget Estimate of the Elementary Education Fund of the council for the year 1949-50 together with the Revised Estimate for the current year (1948-49) is placed before the current year (1948-49) is placed before the Council for consideration and sanction.

2. Before coming to the Budget it is necessary to refer briefly to the actual position at the commencement of the current year i.e. on 1-4-1948 and the anticipated position at the close of the year.

3. When the Budget Estimate for the current year was prepared the year 1947-48 was expected to close with a balance of Rs. 17830, but the actual closing balance on 31-3-1948, which is the opening balance for the current year, was Rs. 19095. The reason for the surplus is that there was a saving of Rs. 4032 in the allotments for ordinary and capital expenditure through the actual receipts fell short of the Revised Estimate by Rs. 2766. Revised Estimate for 1948-49.

4. The actual opening of the year was Rs. 19095.

5. Marked variations between the actuals for the year 1947-48, the Revised Estimate for the current year and the Budget Estimate for the year 1949-50 are explained in the annexure to this note.

6. In G.O. No. 1347 L.A. dated 8-7-1948 the rates of dearness allowance paid to teachers etc. have been increased with effect from 1-1-1948. Necessary provision has been made in the Revised Estimate for the consequent additional expenditure under the heads "Staff-salaries and allowances-Masters" and "2 contingencies and equipment-contingencies-- other items." The provision made in the Budget Estimate for the year and in the Revised Estimate for payment of dearness allowance are as follows.

Memorandum explaining marked variations between the actuals for 1947-48, Revised estimate for 1948-49 and Budget Estimate for 49-50. (2)

Head of Account

Explanation for variation.

Receipts:

1. Education Tax.

There is no change in the rate of property tax with the exception that the vacant lands are to be assessed on their capital value from 1-10-48 instead of on their areas as hitherto. Expected increase in demand on account of the change in basis of levy has been taken into consideration in the Revised Estimate for 48-49 and Budget Estimate for 1949-50.

9. Government grant under section 37 of the Elementary Education Act.

The actual collection during 1947-48 fell short of the percentage anticipated in the Revised Estimate ~~for~~ of that year. Hence the fall in the ~~px~~ ^{equivalent} equipment. Intimation for the contribution due in the current year (1948-49) has not yet been received from the Government. The

~~the~~ credit taken in the Revised estimate for 48-49 is with reference to the actual collection of Education tax on buildings during 47-48. Based on the anticipated collection under property tax on buildings and lands appurtenant thereto during the current year necessary credit has been taken in the Budget Estimate for 49-50.

Contribution to Provident fund.

Several teachers have been confirmed during the year from their dates of appointment in 1945 and 1946. Provision has been made for payment of the arrears provident fund contributions on their behalf.

2. Contingencies.

House rent.

The new school proposed to be opened during the current year has not been opened. Hence there is a saving in the provision under this head. The Budget Estimate for 49-50 provides for the rent of the new school to be opened during that year.

Sub. B.E. for 49-50 - E.E. Ed - M.L. cl. Karaikudi.

p. 3. of. Ref: From the Comm. Karaikudi M.L. No. 12-767/48 d/14-12-48

p. 1. of. From the D.P.I. No. B3/48 dated 21-1-49.

The R.E. for 48-49 and the B.E. for 49-50 of the E.E. Ed of the M.L. cl. Karaikudi call for the following remarks:

2. R.E. for 48-49: (i). The Credit taken for a Govt. grant of Rs. 17110 under Section 37 of the E.E. Act should be reduced to Rs. 15613 which is the

p. 9. of. actual amount of Subsidy sanctioned.

ibid. (ii). Provision has been made for a standard contribution of Rs. 17350 from the Govt. Funds.

(iii). The expenditure 'Ordinary' is in excess of the sanctioned expenditure. This is mainly due to the investment of a sum of Rs. 15000 as a fixed deposit in a bank and the grant of D.A. at enhanced rates.

p. 11. of.

(iv). Revised with reference to the suggestion in para (i) above, the R.E. will close with a 'minus' balance of Rs. 1462. The Cl. may be asked to avoid the deficit by realising an equal amount from the 'Investments' made.

15000
1462
13538

3. B.E. for 49-50: (i). The Credit taken for a Govt. grant of Rs. 19100 under section 37 of the E.E. Act should be reduced to Rs. 15613 which is the probable amount of Subsidy which the cl. is eligible for.

p. 9. of.

(ii). In view of para 2 (iv) above the item of 'Receipt' under 'Investments realised' should be reduced from Rs. 15000 to Rs. 13538.

p. 9. of.

(iii). Provision has been made for a capital expenditure of Rs. 31000 towards the nine

p. 11. of.

Bud II

Schemes mentioned at p. 16 c.f. This sum represents half the total estimated cost of the schemes. The other half, viz. Rs 31000/- is proposed to be met from the Govt. Subsidies. It has been decided to provide a sum of Rs 10 lakhs in the B.E. for 49-50 for building grants for ele. schools. The question of selection of actual building schemes will be ^{selected} ~~be~~ ^{on} population basis. It is also proposed to select the building schemes for 49-50 for the whole province in consultation with the D.P.I. The final selection will take ~~for~~ some time. In view of this, the M.C. Kankundi ~~may not~~ ^{may} not be eligible for a Provincial subsidy of Rs. 31000.

As per the Council estimates the B.E. will close with a deficit of Rs. 4739. Therefore provision made for a capital expenditure of Rs. 31000 may be reduced to Rs. 26000. Provision has also been made for a contribution of Rs. 11750 from the General funds towards the capital expenditure in addition to the contribution of Rs. 17350 made towards the expenditure ordinary. L.A. have agreed to the proposed contributions and they may stand.

(V) Revised with reference to the suggestions above the B.E. will close with a small surplus balance of Rs. 261.

An extract of the remarks of the D.P.I. in paras 6, 7 and 9 of his endt. at p. 1 c.f. may be communicated to the Comm. for necessary action.

The file may be sent to L.A. for remarks.
