EDUCATION DEPARTMENT.

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION,
M A D R A S.

TO

THE SECRETARY TO GOVERNMENT,
Education and Public Health Department,
Fort Saint George, M a d r a s.

R.C. NO. 1780-K2/48 dated 1st September 1948.

SIR,

SUB: COLLEGES - Lady Willingdon Training College, Madras
Conversion of the post of Assistant Lecturer in
Mathematics into that of a Lecturer in the Madras
Educational Service.

ASST. SECRETARY TO GOVERNMENT
7 - SEP 1948
66341

In connection with Part II of the Budget Estimate for 1949-50 the Principal, Lady Willingdon Training College, Madras, has submitted proposals for the conversion of the post of Assistant Lecturer in Mathematics into a post of Lecturer in the Madras Educational Service. In the college there is provision for teaching 9 optional subjects for the B.T. course viz., English, History, Primary Education, Physical Science, Tamil, Mathematics, Natural Science, Geography and Music. There are now 6 Gazetted posts i.e. for English, Psychology, History, Primary Education, Physics -- and Tamil and the other subjects are taught by Assistant Lecturers. It is reported that the number of students offering Mathematics is on the increase and that there are at present 21 students who have offered this subject. Considering the importance of and the growing demand for the subject, the Principal states that the person handling the subject should be of a Lecturer's status in the Madras Educational Service. The existing post of Assistant Lecturer in Mathematics was sanctioned by way of converting one post of School Assistant - Vide G.O. No. 702 Education dated 1st April 1946. In this connection the Principal points out that in the re-organised Scheme it may be desirable to amalgamate Natural Science with -- Physics and Geography with History. This question may be considered when the occasion arises.

In the circumstances stated by the Principal I am convinced that there is a real need for a Lecturer in Mathematics in the College. In the Teachers' College, Saidapet, all the posts are borne in the Madras Educational Service cadre. There is no difference between the work done by the Lecturers and Assistant Lecturers in the Lady Willingdon Training College. In fact each one is the head of department in the particular subject. As B.T. is a post graduate course and Mathematics is an important subject I recommend the conversion of the post of Assistant Lecturer in Mathematics into a post of Lecturer in Mathematics in the Madras Educational Service with effect from the academic year 1949-50.

The extra cost to Government on account of the above proposal will be Rs.2,900/- per year.

I am including the necessary provision in Part II of the Budget Estimate for 1949-50.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

		5708 Or 5700	2,600		

Explanatory Note

The D.P. has proposed the conversion of the post of Asst. Lecturer in Maths. in the Lady Willingdon Trg. college in S.E.S. to that of a Lectr. in M.E.S. He has explained the necessity for the proposal as follows:-

" In the college there is provision for teaching 9 optional subjects for the B.T. course viz., English, History, Primary Education, Physical Science, Tamil, Mathematics, Natural Science, Geography and Music. There are now 6 Gazetted posts i.e. for English, Psychology, History, Primary Education, Physics - and Tamil and the other subjects are taught by Asst. Lecturers. It is reported that the number of students offering Mathematics is on the increase and that there are at present 21 students who have offered this subject. Considering the importance of and the growing demand for the subject, the Principal states that the person handling the subject should be of a Lecturer's status in the Madras Educational Service. The existing posts are as follows:-

In the circumstances stated by the Principal I am convinced that there is a real need for a Lecturer in Mathematics in the College. In the Teachers' College, Saidapet, all the posts are borne in the Madras Education

Service Cadre. There is no difference between the work done by the Lecturers and Asst. Lecturers and in the Lady Willingdon Training college. In fact each one is the head of department in the particular subject. As B.T. is a post graduate course and Mathematics is an important subject I recommend the conversion of the post of Asst. Lecturer in Mathematics into a post of Lecturer in Mathematics in the Madras Educational Service with effect from the academic year 1949-50.

This Department supports the Director's recommendation and suggests that ~~as shown in the summary~~ provision may be made ~~with~~ Budget Estimate for 1949-50.
