Since it is necessary to have more basic trained graduate teachers to man the Basic Training Schools and to employ them in the inspectorate in places where basic schools are organized, I recommend that during 1949..50 two batches of L.Ts. 35 for each batch - may be trained at Periyanaickenpalayam instead of one L.T. batch and one batch for elementary school teachers as at present. In their order No.1506, Education dated 8th June 1948, the Government approved my proposal to have four sections in the Basic Training School, Pentapadu (1 senior secondary grade and 3 senior Higher Elementary Grade) in addition to one section of re-trainees. The Senior secondary section has since been transferred to the Government Training College, ~~Rajah~~ Rajahmundry, and no fresh admissions were made in the current year either in the Junior Secondary or Junior Higher Elementary sections. So there will be no senior sections in the school during 1949-1950. I request the sanction of Government for the opening of two sections in the Higher Elementary Grade with 80 students from the year 1949-1950 onwards so that 80 students ~~from the year 1949-1950~~ may be admitted in the Junior Higher Elementary Section every year. SUB:- Basic Education - Lengthening of normal training  
course of Senior Students in Basic Training  
Schools for purposes of giving them basic train-  
ing - Proposals - Part II for 1949--50.

During the year 1948--49 nine training schools have been  
converted into Basic Training Schools. The Senior students  
therein will be appearing for the ordinary T.S.L.C. Examina-  
tion of 1949 of the respective grades.

In order that the senior trainees also may have ground-  
ing in basic education, I had instructed that instead of the  
non-examination subjects like drawing, Manual Training etc.,  
these trainees should receive instruction in basic education  
in the following subjects:

- (1) Spinning (not weaving)
- (2) Garden and Kitchen work
- (3) Other school activities like Sanitation,  
Health Service and Community work.
- (4) Principles of Basic Education.

After taking the T.S.L.C. Examination of 1949, these senior  
students of the higher elementary grade will have to be allowed  
to continue to receive training in the above subjects for an  
additional period of 4 weeks. At the end of the course they  
will be tested by the Headmasters concerned who will issue  
certificates of having successfully undergone the additional  
training in basic education. Successful completion of this  
course will put the trainees on a par with those trained  
teachers who have undergone the 5 months further training in  
a Basic Training School. By adopting this method all the  
561 seniors (higher) would be available in new basic schools  
to be opened in 1949--50. The cost of retraining of these  
trainees will be Rs.18 per student for one month. As there  
are 561 Higher Elementary Grade Seniors in these newly con-  
verted Basic Training Schools the additional amount by way  
of stipends for one month would ~~be~~ amount to Rs.10,098/- or  
Rs.10,100/-..

On account of the above, I am including a provision of  
Rs.10,100/- towards the payment of stipends to the senior  
(higher) trainees in Part II of the Budget Estimate for 1949-50.  
I request Government to approve of my proposal.

Yours faithfully,

Ref: Your P.O. of T.M. dated 20-9-48 re: the opening Junior Sections of the Higher Elementary Grade in the Basic Training School, Pentapadu.

The two higher elementary Junior sections to be opened during 1949-50 are in the place of 3 Higher Elementary Senior sections sanctioned for the school in G.O. 1506 Edn dated 8-6-48. Since the sanction accorded in the said G.O. have 3 senior higher elementary sections expires by the end of the school year 1948-49, I have made provision under stipends in Part II of the Budget Estimate for 1949-50 for 2 Junior Higher Elementary Sections to be opened during 1949-50 instead of making provision under Part I of the Budget Estimate for 1949-50.

# EXPLANATORY NOTE

The Director of Public Instruction has submitted the following proposals for re-training of teachers in Basic Education :—

- (1) Deputation of 20 teachers to Wardha.
- (2) Re-training of 70 L.T. Teachers (50 from Government schools and 20 from schools under private management) in two batches of 35 each in the Basic Training School at Periyanaickenpalayam.
- (3) Re-training of 35 L.T. Teachers in Government service in the school at Pentapadu.
- (4) Re-training of 35 Secondary Grade teachers in Government service for staffing the model schools attached to Basic Training Schools.
- (5) Opening of two training sections for the Higher Elementary Grade in the Basic Training School at Pentapadu.
- (6) Short course of training in Basic Education to teachers passing out of training schools.

Item (1) above.—The cost of deputation has been worked out on the following basis :—

- (i) Contribution to the Hindustani Talimi Sangh at Rs. 270 per candidate,
- (ii) boarding and lodging charges at Rs. 30 per mensem per candidate, and
- (iii) clothing allowance at Rs. 30 per candidate.

The teachers deputed will draw travelling allowance for their journeys to Wardha and back.

Items (2) to (4) above.—The proposals are designed to secure as many teachers as possible for opening Basic Training Schools and Basic Schools in the Province. All the teachers will be granted a stipend from provincial funds. In the case of teachers deputed from Government Schools for re-training, the expenditure on pay and allowances of the substitutes will be met from provincial funds. As regards substitutes appointed in the place of teachers deputed from schools under private management a grant will be paid from provincial funds towards the pay and allowances of the teachers.

Item (5) above.—The Director of Public Instruction reports that it will be possible to admit for training 80 more candidates in the Basic Training School at Pentapadu. The candidates will be allowed stipends at Rs. 18 a month.

Item (6) above.—With a view to secure as many teachers as possible for opening Basic Schools, the Director suggests that 561 teachers who may be passing out of the ordinary training schools in March 1949 may be given a short course of training for a month in Basic Education. This training will equip them with the knowledge required for conducting Basic Schools. The candidates will be allowed a stipend of Rs. 18 each during the period of training.

2. As the proposals of the Director are designed to accelerate the introduction of the scheme of Basic Education in the province, they may be approved. This Department recommends that the provision required for the purpose may be included in the Budget Estimate for 1949-50 as indicated in the summary at the top.

2. There are 76 Secondary Grade Seniors in the Basic Training Section attached to the Teachers' College, Saidapet and in the Basic Training School, Ranipet. They will appear for the ordinary T.S.L.C. Examination of the Secondary Grade in March 1949. Just like the higher grade seniors in the Basic Training Schools converted as such during 1948--49 these secondary grade seniors also receive instructions in the subjects referred to in paragraph 2 of my letter RC.No.236/M/48 dated 30th August 1948 instead of non-examination subjects like drawing, manual training etc. Now I suggest that these senior secondary grade teachers also may be given instruction in Basic Education for 4 more weeks after the T.S.L.C Examination of 1949 as in the case of Higher Elementary Seniors referred to in my letter RC.No.236/M/48 dated 30th August 1948 so that those who successfully complete the course may be considered as Basic Trained teachers of the Secondary Grade.

From

The Director of Public Instruction,

To

The Secretary to Government,  
Education and Public Health Department.

Sir,

Subject: Basic Education - Deputation of teachers for re-  
training in Basic Education to Sevagram, Wardha.

R e f: G.O.No.964 Education dated 4-4-1949.

The Government in their order referred to above sanctioned the deputation of 20 teachers during 1949-50 for retraining in the methods of Basic Education in the course organised by the Hindustani Talimi Sangh, Sevagram.

2. The Secretary of the Sangh has written to say that they will admit 16 candidates for training, four from each of the four linguistic areas in the Province - vide the copy of his letter dated 27-6-49 (enclosed). He states that the candidates selected for training are expected to undergo preliminary training for 3 months in one of the Basic Training Schools in the Province before joining the course at Sevagram and that after the training at Sevagram, practice teaching has to be arranged for these trainees for a month in Basic Schools, in our Province.

3. I recommend that candidates to be selected for deputation to Sevagram may be deputed for preliminary training for two months in Basic Training Schools in this Province. I also recommend that after the training at Sevagram is over the trainees may be deputed to selected Basic Training Schools in this Province for teaching practice. They may be considered to be on deputation on the whole for a period of nine months from 1-8-1949 to 30-4-50. During the periods of (i) preliminary training and (ii) practice teaching they may be paid a stipend of Rs.25/- p.m. in addition to their pay and allowances. The Basic Training Schools where the selected candidates will be deputed for preliminary training and afterwards for teaching practice after the training will be fixed by me on receipt of government orders approving my proposal. The names of candidates recommended for selection will be furnished to Government shortly.

4. Since only 16 candidates as against 20 for whom provision has been made in the Budget Estimate for 1949-50 are to be deputed to Sevagram there will be a saving in expenditure which can be utilised for the payment of stipends to the candidates referred to above, for the extended period. The extra expenditure on account of the proposal will be as follows:-

Pay of substitutes to be appointed during the 3 months  
of preliminary and practice teaching periods:

Stipends for 16 candidates for 3 months at Rs.25/-

Copy of letter of the Secretary of the Hindustani Talimi Sangh:

Received your letter enquiring as to how many candidates we can admit this year for undergoing training as Instructors and Instructors in Basic Teachers' Training Institutions.

We had to postpone replying until our return from tour in South India and Ceylon. Kindly excuse the delay. We shall be glad to admit four trainees from each of your four linguistic areas. We would like you to depute if convenient, two women trainees from each of the linguistic areas in order that an adequate number of women teachers can be trained for Basic Schools.

The new session will commence from 1st October 1949 and close on 25th March 1950. The candidates selected for training are expected to undergo preliminary training for three months in one of the Basic Training Schools in the Province before joining training course at Sevagram.

At the close of the course on March 25th candidates will return to their Province and shall be given practice teaching in the Basic Schools for one month.

We hope you will accept these proposals and be able to implement the same.

The proposal of the D.P.T. to treat as a Part II Scheme for 1949-50 the retraining of ~~the~~ teachers in Basic schools, may be accepted.

The question, however, arises whether it is necessary to send ~~at the~~<sup>160</sup> teachers for training ~~this year~~<sup>in 1949-50</sup>. The proposal in this file is to depute 20 officers to Wardha for training in the principles of Basic Education and to retrain 140 teachers in the existing Basic Training Schools in the province during 1949-50. The Finance Dept. accept the proposals on principles. They however question the necessity of training as many as 160 teachers during 1949-50.

Submitted that the policy of Govt. is to introduce the scheme of Basic Education in the province in as short a time as possible. It will not be possible to introduce the scheme unless a large number of teachers are trained <sup>in Basic Education</sup>. In the circumstances, the proposals of the Director seem justified. The file may be circulated to H.M (Edn) and H.M (Fin) for orders whether the proposals may be considered as a Part II Scheme for 1949-50.

In the letter on p-13-CF, the Director reported that 561 Higher Elementary Grade seniors were receiving training in the training schools which had been converted into Basic Training Schools and suggested that these seniors might be given instruction in Basic Education for one month after the T.S.E. The D.P.S. now reports that there are 76 Secondary Grade Seniors in the Basic Training Section attached to the Teachers' College, Soidapeli, and in the Basic Training School, Ranipet, and suggests that a course of training in Basic Education for one month may be organised for these teachers also after they complete the ordinary T.S.W.C. Examination of 1949 to enable them to qualify themselves fully in Basic Education. It is stated that those who complete the course may be considered as Basic Trained Teachers of the Secondary Grade. I understand that out of the allotment of 32 students or so for the Basic Training at Perianayakan Palyam, the Director has been able to depute only 8 or 9 students. I want the entire quota to be deputed immediately within a week so that they may not lose the whole year. Please instruct the D.P.I. that action must be taken immediately to send the full quota. I should like to get a reply urgently.

This is a matter of regret. We may point out to the D.P.I. that govt attach great importance to training in basic education and that the sanctioned number should always be deputed. We may ask the D.P.I. also to consider if the shortage in the deputation this term cannot be met by some increase in the number proposed for the next term.

It is understood that the Basic Education officer met H.R. (Edn) yesterday, and explained to him the whole matter, relating to the deputation of teachers, for re-training in Basic Education in the Basic Tg. School at Perianaichem-palayam and that H.R. has eventually expressed the view that the matter need not be further pursued, as and no further action need be taken. The file may be submitted to H.R. C.No.53450/49. From the D.P.I., R.O.C.No.362-M/48, dated 9--7--1949.

BASIC EDUCATION - Deputation of teachers for re-training in Basic Education to Sevagram, Wardha.

The Govt. sanctioned the deputation of 20 teachers for training for six months at Wardha in the course organised by Hindustani Talimi Sangh. The D.P.I. now reports that the Sangh proposes to admit only sixteen candidates. The Director, therefore, suggests that only sixteen candidates need be sent for training. His suggestion may be accepted.

2. The Hindustani Talimi Sangh has imposed a condition that the candidates to be admitted for training at Wardha should undergo preliminary training for a period of 3 months in a Basic Training School in the Province and that after the training at Sevagram, 'practice teaching' should be arranged for them in Basic Schools in the Province for a month. The D.P.I. proposes to restrict the preliminary training to two months. As the course at Wardha is to commence on the 1st Oct. 1949 it may not be possible to have the preliminary training for three months. The proposals of the Director to give preliminary training for the trainees for a period of two months may be accepted.

3. The Director proposes that during the periods of preliminary training and 'practice teaching' the trainees may be granted a stipend of Rs.25/- a month in addition to the pay admissible to them. Substitutes may have to be appointed in the place of trainees for three months (2 months preliminary training and 1 month practice training). The extra expenditure on account of the proposal has been estimated at Rs.5,280/-. Against this the Director anticipates savings of Rs.3,840/- on account of the reduction in the number of candidates from twenty to sixteen. The net extra expenditure will be Rs.1,440/-. As the proposal is designed to promote Basic Education it may be accepted. A draft Memorandum is submitted.
