Sir

Sub. Basic Education - Basic Training School Ranipet - Proposals to have one additional section in the Junior Class from 1949-50 - Submitted.

cc

In their Order No. 1506 Edn. dated 8-6-48 the Govt. approved my proposal to have four sections during 1948-49 in the Basic Training School Ranipet (one Junior Higher, 2 Senior Higher and 1 Senior Secondary). Since there is only one Junior section of the Higher Elementary Grade with 35 students in the current year in the school, there will be only one senior higher Elementary Grade section in the year 1949-50, in addition to the one Junior Section of the Higher Elementary Grade that will be formed during 1949-50. Necessary provision under stipends etc. will be made for those 2 sections in Part I of the Budget Estimate for 1949-50. Since there is need for more basic trained teachers and since there is accommodation in the school, I consider that 40 candidates may be admitted into the Junior Section during 1949-50. Instead of 35 and that an additional higher elementary section may also be opened from the school year 1949-50 so that 80 candidates may be admitted into the two junior sections every year. No additional staff is required as the additional staff already sanctioned in G.O.No. 1506 Edn. dated 8-6-48 is considered adequate. The additional expenditure during 1949-50 and the ultimate cost will be Rs. 6480 and 9720 respectively as shown hereunder.

I am making necessary provision in Part II of the Budget Estimate for 1949-50. I request the Government to approve my proposal.

C.No. 419-M/48 dated 31st August 1948.

BASIC EDUCATION--Basic Training School, Moodibidri--  
sanction of additional staff.

In their Order No.862 Education dated 12.4.1948, the Government sanctioned the opening of an additional section and the appointment of certain additional staff for each of the Basic Training Schools at Pelayad and Moodibidri. For want of adequate accommodation in both the schools, the additional section as well as the L.T. post sanctioned for each of the two schools was not utilized during 1948-49.

2. Therefore, the admission in the Junior class in the Basic Training School, Moodibidri during the current year was restricted to one section only with 35 students. During 1949-50 there will be two sections in the school (1 senior section and 1 Junior section with 35 pupils). Necessary provision under stipends etc. will be made in Part I of the Budget Estimate for 1949-50. The Government have approved the construction of buildings during the current year for the location of the Basic Training School at Maipadi, Kumbha Firka in the South Kanara District. Hence it may be possible to transfer the Basic Training School Moodibidri to the new buildings at Maipadi from the beginning of the school year 1949-50. Since there is a great demand for Basic Trained teachers for the conversion of the existing elementary schools into Basic Schools and since there will be enough accommodation in the new buildings I recommend that 40 students may be admitted instead of 35 in the existing Junior section and that an additional section (with 40 students) may be opened from the school year 1949-50 so that 80 students may be admitted every year in the two junior sections (40 in each section). Since there are only 2 L.Ts. in the school at present and since there will be 3 sections in the school during 1949-50 (1 senior and 2 Junior), the post of an additional L.T. Assistant and that of a secondary grade teacher will be necessary from the 1st July 1949 for the school. For the model section there are only two teachers for the standards 1 and 2. Since it is necessary to open III standard in the school, the post of an additional secondary grade teacher is necessary from the school year 1949-50. I, therefore, recommend that the post of an additional L.T. and two posts of Secondary Grade teachers may also be sanctioned with effect from 1.7.1949. The additional cost on account of the proposal during 1949-50 and the ultimate cost will be Rs. 7,880/- and Rs. 12,984/- respectively as shown hereunder:

|                                                              | Cost in 1949-50<br>for 8 months. | Ultimate<br>cost |

C. NO. 422-M/48 dated 31st August 1948.

SIR,

Sub: Basic Education - Basic Training School for men,  
Cuddalore - Training of teachers during 1949-50.

REF: ---

The Government have in their order No.1182 Education dated 12-5-1948 approved my proposal to have 4 sections as noted below during 1948-49 in the Basic Training School for men, - Cuddalore:

- (a) Two Sections for Juniors (70 students).
- (b) One Section for Seniors (35 students).
- (c) One section for retrainees (30 candidates).

During 1949-50 there will be two sections in the senior class and two sections in the Junior Class (on account of new admissions during 1949-50). & I am making necessary provision under stipends etc. for the 4 sections in Part I of the Budget Estimate for 1949-50.

2. In addition to the 4 sections, I propose to have one section for retrainees during 1949-50 in the school as in the current year. The course for retraining will be 5 months. It will be arranged for 2 batches of 35 teachers each - one batch ~~from~~ from the Middle of June to November 1949. During the period of training each of the trainees may be paid a stipend of Rs.18/- p.m. Subsidy or grant will also have to be paid towards salary and dearness allowance of teachers deputed for training.

Including the post of an additional L.T. sanctioned in G.O.No.1251 Education dated 17-5-1948 there are only 4 L.Ts in the School. Since there will be five sections in the school during 1949-50, it is necessary to have 5 L.Ts. in the school. Hence I request Government to sanction the post of an additional L.T. for the school from 1-7-1949 for a period of two years to begin with.

30 The cost on account of the proposal during 1949-50 and the total cost will be Rs.15,500/- and Rs.25,500/- respectively. ~~It is estimated that out of 35 candidates.~~ It is estimated that out of 35 candidates to be deputed for each batch, 25 will be from Local bodies and 10 from aided schools. Of these 25 teachers from Local Bodies, 20 will be Higher Elementary Grade and 5 - Secondary Grade teachers. Of the 10 teachers to be deputed by private managements 6 will be Higher Elementary Grade and 4 Secondary Grade teachers. I may be permitted to depute a few Government servants (teachers) if necessary, but the total number of retrainees on this account will not exceed 35.

## EXPLANATORY NOTE.

The Director of Public Instruction has proposed that an additional section may  
be opened in each of the Basic Training Schools at Ranipet and Mudabidri to  
provide for the training of 45 more students in each school. The staff required  
for the purpose is indicated below:—

| Name of school.                | Number of<br>section to be<br>opened. | Number of<br>additional<br>trainees. | Number of additional<br>staff required. |
|--------------------------------|---------------------------------------|--------------------------------------|-----------------------------------------|
| Basic Training School, Ranipet | 1                                     | 45                                   | One L.T. and two                        |
| Do. Mudabidri                  | 1                                     | 45                                   | Secondary Grade<br>teachers.            |

The candidates admitted for training will be granted the usual stipend of Rs. 18  
a month.

2. The Director of Public Instruction has also proposed that 70 teachers may be  
trained in basic education in the Basic Training School at Cuddalore in two batches  
of 35 each. He has suggested that 50 teachers from schools under local bodies and  
20 teachers from aided elementary schools may be selected to undergo the training.  
The employment of an additional L.T. Assistant will be necessary for this purpose.  
It is usual to grant subsidies to local bodies and grants to aided managements  
towards the pay and allowances of teachers deputed for basic training. These  
trainees will be granted the usual stipend of Rs. 18 a month in addition to the pay  
to be allowed to them by the managements.

3. As the proposals of the Director are quite necessary for the expansion of the  
scheme of basic education already introduced, this department recommends that  
necessary provision may be made in the Budget Estimate as indicated in the  
summary at the top.

EDUCATION DEPARTMENT.

From The Director of Public Instruction, Madras. To The Secretary to Government, Education Department, Madras.

Roc. No.333 M/52 Dated 5.9.52.

Sir,

Basic Education - Retraining in Basic Education for Non-Basic Teachers - Deputation of lower Elementary Grade Teachers.

-o-

Only secondary Grade and Higher Elementary grade teachers are admitted for the 3 months' course of retraining for non-basic teachers but not lower Elementary grade teachers. Some of the Lower Elementary Grade teachers have represented that they may also be admitted to this retraining as otherwise they may be trans-ferred out of their present stations to Non-Basic Schools elsewhere or thrown out of employment. Some of the Lower Grade teachers are reported to be taking steps to improve their general and professional qualifications i.e. Elementary Grade, but others are either poor or too old. There are some who are 40 years and below in age. In my letter to Government Rc.146M/50 dated 1.3.50, I had suggested that these lower Elementary teachers may also be given retraining in Basic Education and absorbed in Basic Schools but Government, in memorandum No.765/C/50-1 Education dated 9.3.50 approved only the deputation of a particular lower Grade teacher and did not pass orders on the general question of deputing lower Grade teachers for retraining. In the circumstances now represented by the Lower Grade teachers I recommend for the approval of Government that in the usual retraining courses for non-basic teachers, such of those lower grade teachers who are not very old and who for some reason or other are not able to improve their professional qualifications may also be admitted.

Yours faithfully,

From the Director of Public Instruction,  
No. 333 M/52 dt. 6.10.1952.

In G.O. No. 965, Edn. dt. 4.4.1949, the Govt. approved the proposal of the DPI for the conduct of retraining courses in Basic Edn. for a period of 3 months for 70 teachers. In that order the Govt. directed that higher elementary grade teachers and secondary grade teachers might be selected for retraining. In March 1950, the DPI reported that considering the cases of a few lower elementary school teachers in service, he had permitted the retraining of one lower elementary grade teacher. The action of the DPI was approved by Govt.

The DPI now states that some of the lower elementary grade teachers have represented that they might be deputed for retraining in Basic Edn. and therefore the Director requests that general orders of the Govt. for admitting such of those lower elementary grade teachers who are not very old and who for some reason or other are not able to improve their professional qualifications.

As the Govt. have permitted the retraining of one lower elementary grade teacher previously there appears to be no objection to permitting the lower elementary grade teachers as reported by the DPI.
