SUB: ESTABLISHMENT - Office of the Director of Public Instruction, Madras - Collection of Statistics - Additional Staff for - Proposals submitting.

cc:-:cc:-00

In my letter RC. No. 656/F/47, Dated 7/9/1947

disposed of in Government Order No. Ms. 813-Edn., dated 7/4/48, I have explained to Government the need for a special staff to deal with the collection, compilation and tabulation of statistics. I have also indicated how the work in connection with the collecting of numerical data required for gauging the educational progress and for formulating new schemes has to be based on accurate tabulation and how such a work calls for a special staff. The present arrangement of attaching this important part of the work of the office to a section does not conduce to the collection of useful data not to speak of the undue delay in collecting and tabulating them.

2. Government are also aware that it has not been found possible under the existing arrangement for obtaining upto date figures for the use of the department from the subordinate officers; and that the information contained in the Report on Public Instruction has been the sole source of statistical information. Unfortunately, the publication of this report is unavoidably delayed for various reasons and therefore other means should be found to collect twice a year

a year figures which are fundamental. Further, I consider that time has come to enlarge the work in connection with the compilation of statistics so that it may be possible to build up a systematized stock of useful figures neatly arranged which may form a reliable frame of reference. Such a position can be achieved only if a separate staff is assigned the work.

5. I have already suggested in my letter to Government quoted at the beginning, that a Deputy Inspector of Schools may be placed in charge of the work. If in addition to this officer, a lower Division clerk is sanctioned then these two, together with the ~~already~~ existing staff of two clerks detailed for Public Instruction Report Work may be devoted exclusively for the collection and compilation of statistics. The Deputy Inspector of Schools and the lower division clerks will be constituted as a separate section for statistical work. This proposal will cost Government only a small additional sum of Rs.2,500/- per annum as shown below:-

Average pay of the Deputy Inspector of Schools Second Grade	Rs.137/-
---	----------

Average pay of a lower division clerk	Rs. 67.5/-
---------------------------------------	------------

Total	Rs.204.5/-
Cost per annum ... 204.5/- X 12 =	Rs.2,454/- or Rs.2500/- in round figures.

In view of the importance of statistics as an index to the state and progress of education, I have the honour to request that Government may be pleased to approve the above proposal and sanction the transfer to my office of a Senior Deputy Inspector of Schools as a special case and a post of a lower division clerk for forming a separate section as stated above.

As the expenditure does not exceed Rs.2,500/- per annum the proposal need not be a Part II Scheme.

Re.No.636T/47 dated 16th September '48.

Sir,

Sub:--Establishment--Office of the Director of Public
Instruction, Madras--Collection of statistics
Additional staff--Sanction of under Part II of the
Budget Estimate for '49-50--Requesting.

Ref:--Government Memorandum No.44442-A4/Education dated
2-9-'48.

In renewing my request for the sanction of a special
staff to deal with the Collection, compilation and tabulation
of statistics in my Office as one of the items in the list
of Part II Estimates for '49-'50, I invite the attention of the
Government to my detailed letter Re.No.636T/47 dated 12-6-'48
and request that in view of the necessity explained therein, the
staff required, viz., one Deputy Inspector of Schools (Grade II)
and one Lower Division Clerk may kindly be sanctioned with effect
from 1-5-49. The need for the additional staff is urgent and
essential. It will save delays in correspondence in certain matters.

2. The required particulars regarding total cost etc.,
have already been furnished in my letter Re.No.636T/47 dated 12-6-48.

Yours faithfully,

EXPLANATORY NOTE

In connection with Part II estimates for 1948-49 the D.P.I. ^{the} ~~proposed~~ ^{prepared} the creation of a Statistical section in his office by the appointment of an additional Supdt., two U.D. clerks and two L.D. clerks. The proposal was deferred as it was not considered to be urgent.

The D.P.I. ^{has now come forward} ~~has now come forward~~ with a proposal that a Senior Dy. Inspector of Schools, Grade II and one L.D. clerk may be sanctioned for his office for the collection and compilation of statistics. He stated that this staff together with the two L.D. clerks sanctioned for the Public Instruction Report work ^{will} ~~will~~ constitute a separate section for statistical work. H.M.(Edn.) has pointed out more than once that upto date statistics relating to elementary education and number of women teachers employed ^{are} ~~are~~ not readily available and that ^{arrangements} ~~action~~ should be ^{made} ~~taken~~ to get the information promptly.

The Finance Dept. considers that the proposal should be vetoed as the Retrenchment and Reorganisation Committee has recommended that even the existing staff in all Govt. offices should be reduced by 12½ per cent and that if the proposal is to be ~~passed~~ ^{passed} it should be treated as a Part II Scheme for 1949-50.

H.M.(Edn.) and H.M.(Fin) have minuted as follows:-

"The D.P.I's office is terribly overworked. We are not able to get any information from them. We are supposed to spend about eight crores but the statistics we have is very little. I think we must provide at least for this small nucleus of our Statistical section. I would like to press the scheme even for the current year. H.M.(Fin.) may see."

Please see the letter from the D.P.I. on pp.1-3 c.f.

In connection with Part II estimates for 1948-49, the

D.P.I. proposed the creation of a Statistical Section

in his office by the appointment of an additional superintendent, two u.d. clerks and two l.d. clerks.

This Department noted that the proposal was not so urgent and might be deferred.

2. The D.P.I. now recommends that a senior Dy. Inspector of Schools, II Grade and a l.d. clerk may be sanctioned for his office for the collection and compilation of statistics. He says that this staff together with the two l.d. clerks already sanctioned for the Public Instruction Report will constitute a separate section for statistical work. H.M.(Edn.) has pointed out more than once that upto date statistics relating to elementary education and number of women teachers employed, etc. are not available and that ways and means should be devised to get the figures promptly. In the circumstances, this Dept. may support the Director's proposals at 'A' on p.2 c.f. The file may be sent to Finance for remarks.

It is more to a Section is not conducive to efficiency and that if a Dy. Inspector of Schools and an S.D. Clerk are sanctioned, a separate Section will be constituted with its existing staff of 2 clerks detailed for Public Instruction Report work. He has also stated that as the expenditure does not exceed Rs 2500/- the proposal need not be treated as a Part II Scheme. He has not however stressed the need for immediate formation of the Section. As the R.R. Committee had the have recommended that the existing staff itself in its various Govt. offices should be reduced by 12 1/2 per cent. A large additional staff has been sanctioned already for the D.P.I.'s office. It would therefore seem quite inappropriate to strengthen the existing staff further when the need for it is not imminent. In the circumstances this Dept. may advise that the proposal may be negatived.

If it is however finally decided that the staff should be sanctioned, it will have to be treated as a Part II Scheme for 1949-50.
