G.O. No. 967, 4th April 1949

War—Educational concessions to children and dependents of soldiers—Power of sanctioning fee concessions to pupils in schools under local bodies—Vested in District Educational Officers and Inspectresses.

READ—the following paper :—

From the Director of Public Instruction, dated 22nd December 1948, Roc. No. 2750-W 3/48.

Order—No. 967, Education, dated 4th April 1949.

The educational concessions sanctioned to children and dependents of soldiers in G.O. No. 610, Education, dated 20th April 1945, are of two kinds, viz.,

- (1) Book allowances.
- (2) Fee concessions.

The book allowances to children and dependents of soldiers reading in schools under local bodies are sanctioned by the District Educational Officers or Inspectresses and the expenditure is met from Provincial funds. But the fee concessions are at present being sanctioned by the local bodies since Government did not compensate them for the loss of fee income till the short-term of 1946-47.

With the issue of orders in G.O. No. 975, Education, dated 10th May 1947, local bodies have become eligible for compensation for the loss of fee income sustained by them on this account. The expenditure on this item is now met from the Provincial funds. The Government therefore, direct that with effect from 1949-50 the power of sanctioning fee concessions to children and dependents of soldiers vested with the local bodies may be withdrawn from them and vested with the District Educational Officers or the Inspectresses as the case may be.

tioning the fee concessions to pupils read-
ing in Local Body Schools - Withdrawal from
the Local Bodies - R e c o m m e n d e d.

REF: Government Order No. 610 Education dated 20-4-45.

The Educational concessions referred to in the G.O.
quoted above are of 2 kinds:

(i) Book allowances;

(ii) Fee concessions.

The Book allowances to the children and dependants
of soldiers reading in Local Body schools are sanctioned
by District Educational Officers or Inspectresses and
the expenditure is met from Provincial Funds. The fees
concessions to the pupils referred to above were sanc-
tioned by the Local Bodies since the expenditure in this
regard was met out of their own funds and since Govern-
ment did not compensate local bodies for the loss of fee
income from Provincial funds till the school term of
1946-47.

2. As per G.O. No. 975 Education dated 10-5-1947,
Secondary Schools maintained by Local Bodies have been
brought into line with Aided Secondary Schools in res-
pect of Teaching grants/secondary schools under Local
Bodies are assessed grants in the same manner as Sec-
ondary schools under private managements. The Local -
Bodies who are empowered to grant fee concessions to
pupils studying in the schools under their control have
become eligible for compensation for loss of fee in-
come for the award of the above concessions from the
short term of 1946-47. The expenditure in this regard
is now being met by Government. Since Government are
now paying compensation to Local Bodies for the loss
of fee income on account of fee concessions to sol-
diers children and dependants I submit that it is --
appropriate that the power vested with them in Govern-
ment Memorandum No.13063-1C Education dated 3-6-1943
should now be withdrawn from them and vested with the
District Educational Officers or Inspectresses. If
my suggestion is approved, I request Government to
issue the necessary orders in the matter.

Yours faithfully,

for Director of Public Instruction.

As the Government do not compensate local bodies for
the loss in revenue consequent on the grant of these fee
concessions, it is appropriate that the local bodies should
have the power of sanctioning the concessions in individual
cases. The Director of Public Instruction is therefore
informed that it is not desirable to issue an order giving
this power of sanction to other authorities.

War - Educational concessions to children and dependents of soldiers - Power of sanctioning fee concessions to pupils in schools under local bodies - vested in District Educational Officers.

1) G.O.No.967 Education dated 4-4-1949.

In the G.O. referred to above it is ordered that the power of sanctioning educational concessions to children and dependents of soldiers who took part in the last war is vested in District Educational Officers with effect from 1949-50. It is not clear whether the power for granting concessions from 1949-50 alone is vested in the Educational authorities or the power of granting all concessions including the cases of previous years if any which remain to be granted, is vested in the Educational Authorities. I request that necessary instructions may be issued in the above matter.
