In G.O. No. 599 E.S.P.H. dated 5-3-49, orders were issued by E.S.P.H. for the supply of waste paper collections in the Govt. offices during 1949-50 to the Andhra Paper Mills, Rajahmundry. The Dte was asked to make arrangements for the actual collection and despatch of waste paper to the Andhra Paper Mills, Rajahmundry, in consultation with the Heads of offices concerned.

✗ X m p 1. of

The Dte has now reported that this method of collection, will involve a separate collecting agency which will be very uneconomical and will increase the cost of waste paper and ultimately the production cost. In order to overcome this, he has suggested that the Govt. may direct the heads of Depts. to issue instructions to their subordinate officers to have all the waste paper collections in their offices packed in gunny bags and despatch them to the Andhra Paper Mills, Rajahmundry, and to debit the incidental charges to the Mills.

As the Dte considers that this procedure will facilitate the quick transport of waste paper to the Andhra Paper Mills, Rajahmundry, his suggestion

at 'A' overleaf may be accepted.

The file may be sent to E.P.H. for the issue of necessary orders modifying para 2 of G.O. No. 599 E.P.H. dt 5-3-49.

At the instance of Devt., orders were issued in paragraph 2 of G.O. 599 Edn., dated 5-3-49, that the D. I & C. should make arrangements for the actual collection and despatch of waste paper to the Andhra Paper Mills, Rajahmundry, in consultation with the Heads of Offices concerned. Now the D. I & C. states with reference to this order that his Department should arrange to collect the waste paper collections from all Government offices and transport the same to the Andhra Paper Mills, Rajahmundry.

On the face of it it has not been contemplated by the Government that the D. I & C. should get all the collections of waste paper to Madras and then transport them to Rajahmundry. But it was only intended that the D. I & C. should make arrangements for the actual collection and despatch of waste paper to the Andhra Paper Mills, Rajahmundry in consultation with the Heads of Offices concerned. It does not appear that the D. I & C. has consulted the Heads of Departments in the matter before addressing the Government for a modification of the order in G.O. 599 Education dated 5-3-1949.

Before issuing orders in paragraph 2 of the above G.O. with reference to Development's request, this Department pointed out the procedure hitherto followed for the collection and removal of waste paper from the Government offices under the contract system. It was also suggested that, if this procedure might be followed with suitable alterations, Attention is invited to paragraphs 11-13 of the notes on pages 26-27 of the G.O. So far as Rajahmundry town is concerned, the waste paper collected may be transported locally to the Rajahmundry Paper Mills. As for the collections outside the Rajahmundry town, the procedure in paragraph 18 may be adopted and the incidental charges may be debited to the Mills. The V.P.P. system need not, however, be followed. (Vice D.S. Finance dt 26-3-49)

ORDER No. 971 Edn. dated 5-4-49
(Mis)

In paragraph 2 of G.O.599 Edn., dated 5th March 1949, the Government directed that the Director of Industries and Commerce should make arrangements for the actual collection and despatch of waste paper to the Andhra Paper Mills, Rajahmundry, in consultation with the heads of offices concerned. In modification of this order the Govt. direct that in respect of Government offices ^{within the town of} Rajahmundry the head of the office should purchase the ~~required~~ number of sacks required for packing the waste paper, fill them with waste paper and despatch them to the Andhra Paper Mills, Rajahmundry, debiting the incidental charges for transport to the Mills, ^{including the cost of sacks}.

2. As for the Government offices in the town of Rajahmundry, when sufficient ^{quantity of} waste paper is accumulated, the head of the office should intimate in writing to the Special Officer, Andhra Paper Mills, Rajahmundry, the
