DEVELOPMENT DEPARTMENT

G.O. No. 1748, 7th April 1948

Post-war Reconstruction—Indian National Army personnel—Resettlement facilities—Orders passed.

Order—No. 1748, Development, dated 7th April 1948.

For purposes of appointment to war reserved vacancies and recruitment to public services, the Government have decided that Indian National Army personnel should be treated in exactly the same way as ex-servicemen and that they should have equal claims for appointment to the reserved vacancies. Orders embodying the above decision were issued in G.Os. No. 821, Public (Services), dated 15th March 1947, and No. 48, Public (Services), dated 7th January 1948.

2. The Government have had under consideration the question as to what other privileges and concessions which are available to ex-servicemen should be extended to the members of the Indian National Army. The following resettlement facilities are at present available to ex-servicemen:

- (1) Co-operative Land Colonization Schemes.
- (2) Training Schemes.
- (3) Ex-servicemen's Centres.
- (4) Co-operative Workshop Schemes.
- (5) Employment Exchanges.

As the schemes mentioned above are in receipt of contributions either from the Government of India or from the Post-War Services Reconstruction Fund or from both, the Government of India and the Director of Resettlement and Employment were addressed, the latter to ascertain the views of the Committee for the Administration of the Post-War Services Reconstruction Fund as to whether they would agree to grant contributions towards the Resettlement Schemes to which Indian National Army personnel are admitted.

3. The Director of Resettlement and Employment replied that the Committee in its meeting on 31st January 1947 had decided to admit Indian National Army personnel who were members of the Defence Services before their entry into the Indian National Army to the benefits of the Fund and that as regards the admissibility of other categories of Indian National Army personnel to the benefits of the Fund, the question was referred by the Committee to the Government of India.

4. In their reply to this Government, the Government of India have classified Indian National Army personnel into two categories, viz.—

- (a) Those who went from the Indian Armed Forces.
- (b) Those who were recruited from Civilians outside India.

In respect of the second category, the Government of India have categorically stated that they cannot accept the proposal made by this Government by which such

personnel can be considered as eligible for benefits under the schemes for resettlement of ex-members of the Indian Armed Forces and discharged war workers which are financed partly or wholly by the Government of India, or from the Post-War Services Reconstruction Fund.

5. As regards the first category of Indian National Army personnel, the Government of India have stated that in regard to the items relating to Training Schemes and Employment Exchanges the policy followed is that all ex-servicemen (including the members of the Indian National Army) are eligible as such for resettlement and employment assistant through the Employment Exchanges except those who have been dismissed from service by a competent authority. They have also stated that the Exchanges do not make any discrimination between Indian National Army men and other ex-servicemen. Regarding Land Colonization Schemes the Government of India have stated that they are prepared to extend the facilities to members of the Indian National Army provided they fulfil the conditions prescribed for the eligibility of candidates for Land Colonization Schemes in G.O. No. 488, Public (Resettlement), dated 13th February 1947, according to which members should be, among others, ex-servicemen of 'exemplary' or at least 'good' character and should have served in the Armed Forces between 1st September 1939 and 31st August 1945.

6. As regards assistance from the Fund the Government of India have stated that they have no objection to ex-Indian National Army personnel who went over from the Indian Armed Forces deriving benefit from the Fund.

7. It would thus follow from the foregoing that the Government of India are agreeable to extending the benefits of resettlement schemes financed wholly or partly by them or from the Post-War Services Reconstruction Fund to only such of the ex-Indian National Army personnel as had gone over from the Indian Armed Forces and not to those recruited from Civilians outside India, the criterion being whether a particular individual is an ex-member of the Indian Armed Forces or not.

8. The question was considered whether the policy of this Government in respect of their schemes mentioned in paragraph 2 should be brought into line with that of the Government of India or whether, in conformity with their previous decision in regard to Public Services, all Indian National Army personnel, irrespective of whether they once belonged to the Indian Armed Forces or not, should be admitted to the benefits of the Resettlement Schemes undertaken by this Government. After careful consideration this Government have come to the decision that Indian National Army personnel belonging to category (b) of paragraph 4 above should be admitted only to those concessions which are within the competence of this Government to grant and in respect of which no financial

19/4

help is received either from the Central Government or from the Post-War Services Reconstruction Fund. The following are a few examples of such concessions:—

- (i) Membership in Motor Transport Co-operative Societies for ex-servicemen;
- (ii) allotment of isolated plots of land for cultivation; and
- (iii) assignment of house-sites.

The Departments of the Secretariat are requested to take action in accordance with the above decision, in consultation with the heads of departments concerned, if necessary, and report to this Department urgently what concessions and privileges at present enjoyed by ex-service personnel can be made available to the ex-Indian National Army personnel of the kind referred to above. The concessions envisaged in these proceedings will not be admissible to persons who are guilty of acts of brutality.

Orders were issued in G.O.No.1748 Dev.,

dated 7-4-48, that the resettlement facilities available for ex-servicemen should be extended to the I.N.A. personnel who went over from the Indian Armed Forces. The Govt. of India, however, did not agree to the benefits which were financed partly or wholly by them or were met from the P.W.S.R. But this Govt. have decided to give to the I.N.A. personnel recruited from civilians outside India the resettlement benefits which are within the competence of this Govt. and in respect of which no financial help is received from the Central Government or from the Post-War- Services Reconstruction Fund. In accordance with this decision the Government now direct that the concessions and privileges specified in the appendix to this proceedings which are at present enjoyed by the ex-service personnel should be granted to the ex-I.N.A. personnel who were recruited from civilians outside India.

The concessions will not be admissible to persons who were guilty of acts of brutality.

From Dev G.O. no. 1748 (Dev) d 7.4.48.

Post war Reconstruction — Indian National Army personnel — Resettlement facilities.

In G.O. no. 1748 (Development) d 7.4.48 the Govt have decided that Indian National Army men who were recruited from civilians outside India should be admitted ~~only~~ to those concessions which are within the competence of this Govt to grant and in respect of which no financial help is received either from the central Govt or from the Post war Services Reconstruction Fund.

In this connection, Dev. have requested what concessions and privileges at present enjoyed by ex-service personnel can be made available to the ex-Indian National Army personnel referred to above. Among the reports received from the Heads of Departments under E&PH, only the reports of DPI, DPH and C.E. need examination.

2. The DPI in his letter on pp 15-16 cf states that the concessions and privileges enjoyed by the ex-service personnel may be extended to the ex-Indian Army personnel, probably meaning the Indian National Army men who were recruited from civilians outside India and are not guilty of acts of brutality. The concessions and privileges which may be made available to this category of ~~enjoyed by the ex-service personnel~~ are given in I NA men are given in full detail by the DPI in his letter on pp 15-16 cf. and (no financial aid is received on behalf of these concessions as

P.T.

privileges from the Govt of India or from the Post-war Services Reconstruction Fund.)

After enumerating the concessions and privileges now enjoyed by the ex-service personnel, the DPE states, that the proposal to train ex-service personnel as physical training and manual training instructors, which is under consideration, may also be extended to the I.N.A. personnel referred to above. For orders whether the concessions and privileges enjoyed by the ex-service men may be extended to the I.N.A. personnel referred to above.

3. The DPE in his letter on p27c states that the same concessions that are granted to ex-service personnel in G.O. 114 P.H. 9/11-1-46 may be made available to the, ex-I.N.A. personnel.

As financial aid is being asked from the Central Govt towards the training of health visitors, midwives, health officers and health inspectors in Nutrition work and Mercantile pupils, they cannot be extended to the I.N.A. personnel who were recruited from civilians outside India as per para 7 of G.O. 1748 Dev D 2-4-48.

Other training facilities may be extended to the I.N.A. personnel. The C.E. in his letter on p27c suggests that the following concessions may be granted to the I.N.A. men:-

(1) In case there is not sufficient number of qualified men for reserved posts I.N.A. men may be considered provided they have the required qualifications.

(2) They may be permitted to compete for posts for which they are qualified with concession for age is concerned.

These suggestions may be accepted. May be sent to Dev too.

No. 610 Edn. 12-6-45 to the children and dependants of all Indian National Army personnel - those who went from the Indian forces and those who were recruited from civilians outside.
