The revised proposals called for from the Inspectress - vide my letter cited ~~xxxx~~ - have not been received from her so far. The matter of preparing rough plans and estimate would appear to take some time and is still under correspondence with the Inspectress and the Executive Engineer. As such it may not be possible to submit the proposals, to government, before 1-11-48, after examining the Inspectress proposals which have yet to be received. In the circumstance there is no other alternative than postponing the scheme for consideration, next year i.e. in connection with part II of the B.E. for '50-51.

This postponing of the matter is much regretted.

SIR,

Sub: BUILDINGS - Government Secondary and Training  
School for women, Erode - Transfer of the  
building in the compound of the Dt. Superintendent  
of Police's quarters, now used as office by  
the Dt. Superintendent of Police.

-LCL-

In their Order Ms. 67 Home Department dated 7/1/1948  
Government were pleased to allot the quarters of the District  
Superintendent of Police, Erode to this Department for the  
use of the Government Secondary and Training School for women,  
Erode. Accordingly the above building has been taken possession  
of by this Department. The Inspectress reports that there is  
another building in the same compound and that it is now used  
by the District Superintendent of Police as his office. As  
it is not desirable to have the District Superintendent's Office  
in the compound where a women's hostel is located, I request  
that Government may be pleased to order the shifting of the same  
elsewhere, and allot that building also, for the use of the school.  
As it is proposed to construct new buildings for the school  
in the above compound, -- Vide para 3 of the G.O. referred to above--  
it is absolutely necessary, to shift the District Superintendent's  
Office from the compound. The Inspectress states that the above  
building can be used as a laboratory for the school.

in the matter.

Ref:- Chief Office memorandum Rc.No.2167/HB/48, dated 22nd Novr. 1948.

The Deputy Superintendent of Police, Erode, who was consulted in the matter has stated that the office building is separate itself and does not in any way cause any inconvenience to the inmates of the hostel. This office building is detached from the main building and is about 242 feet away from it. A rough sketch is herewith attached. He further reports that no convenient building is available for locating the office of the Deputy Superintendent of Police at Erode owing to the scarcity of dwelling accommodation and there is no space to provide his office in his residential quarters. He has also stated that he had explained this in person to the Hon'ble the Education Minister on 18-8-48 during his visit to Erode.

G.O. No. 192, Government dated 19.5.48

Schools - Government Secondary and Training School for women, Erode - Office of the Deputy Superintendent of Police in the compound building - Shifting of - Government -

From the Director of Public Instruction, G.O. No. 192 dated 19.5.48

In O.O. No. 192, dated 19.5.48, the Government ordered the transfer of the Deputy Superintendent of Police, Erode, to the Government Secondary and Training School for women, Erode, subject to the following conditions:-

(1) That one of the buildings occupied by the school as a hostel should be handed over to the Police Department, and

(2) That the Deputy Superintendent of Police should occupy the building formerly occupied by the school as a hostel and the Police Department should occupy the building formerly occupied by the school as a hostel.

Accordingly, one of the hostel buildings of the school has been transferred to the Police Department and the office of the Deputy Superintendent of Police is located in that building.

3. It has now been reported to Government that if it is very convenient to have the office of the Deputy Superintendent of Police within the compound of the school, and that the office may, easily, be shifted to some other building as it is a small one. The Government have accordingly considered the matter and direct that the office of the Deputy Superintendent of Police be shifted to the building at Erode. The Inspector-General of Police is requested to take necessary steps for securing a suitable building for the office of the Deputy Superintendent of Police as that the building may be available for use by the school.

4. The Director of Public Instruction is informed that proposals for the construction of additional buildings for Government Secondary and Training School for women, Erode, are being considered in connection with the budget for 1950-51.

G.m. 13047-B/48.

Secretary, E. & P.H.

Please see herewith a letter from Mr. M.A. Taswaran, M.L.A.

It is true that in the compound of the Govt. Secondary Training School for women, there is a small shed in which the Office of the Deputy Superintendent of Police is situated. It has two or three small rooms and it can be easily shifted elsewhere. It is very inconvenient to have this Police office within the compound of a women's institution. The Home Department may be consulted over it and may be requested to remove that office outside the compound.

H.M. Education.

Edn & P.H. (CB) Department

Please see the Correspondence in the current file on pages 1-6 and the minutes of J.M.C.E.D. above.

2. In para 3 of G.O. No. 1266 Edn D 19.5.48, the D.P.O. was requested to submit proposals for the construction of buildings for the Govt. Secondary and Training School for women, Erode, restricting it to the immediate and absolute necessity, as the quarters of the Dy. Superintendent of Police can only accommodate the hostel of the school. The Director previously reported that he would submit proposals as soon as they are received from the Inspectress of Girls' Schools concerned and included the scheme as one of the Part II Schemes for 1949-50. But he now reports that proposals cannot be submitted before 1.11.48 and that there is no other alternative <sup>than</sup> to postpone the scheme for consideration in connection with the B.E. for 1950-51. ~~If the D.P.O.'s proposals are not received before 1.11.48, the scheme can not be considered as a Part II scheme for 1949-50. The D.P.O.'s view that it may be deferred to 1950-51 may therefore be concurred in.~~

3. With reference to the minutes above, it is

P.T.O.

Submitted that the Government ordered the transfer of the quarters of the Dy. Superintendent of Police, Erode, to the Govt. Secondary and Training School for Women, Erode, subject to the following conditions:-

(1) that one of the buildings occupied by the school as a hostel should be handed over to the Police Department, and

(2) that the Dy. Supdt. of Police shd occupy the ~~Prohibition Dy. Supdt's~~ <sup>quarters</sup> at the place and that the latter officer should occupy the hostel building to be handed over to the Police Department on payment of full rent.

Instructions were issued to the D.P. to make necessary arrangements to take over the Dy. Supdt's quarters, to accommodate the hostel of the school in it and to transfer the rented building of the hostel to the Police Department. From the letter on page 6 cf., it appears that the Dir has transferred the hostel building of the school to the Police Department and the Dy. Superintendent of Police has been accommodated in it. <sup>Presumably the office of the Dy. Supdt is also in the same building.</sup> If as suggested by J.M.C.E.M., the hostel building is to be vacated, alternative accommodation will have to be secured for the Dy. Supdt. It is not known whether it will be possible to secure another building for the purpose.

The remarks of Home Department may be invited v.o with reference to para 3 above.
