No. F3-14/45-ODIV
Government of India,
Ministry of Education,

NEW DELHI, the 21st, January, 1948.

MEMORANDUM

Subject:- Advanced Studies Overseas in respect of
Mr. K.R. Kar, 1945-46 Assam Government sponsored
scholar.

Under this Ministry's scheme for advanced studies
overseas Mr. Kamada Ranjan Kar was awarded a scholarship by
the Government of Assam for studies in "Industrial Chemistry
with reference to Physical Chemistry".

Admission has been secured for Mr. Kamada Ranjan
Kar to the Carnegie Institute of Technology, Pittsburgh,
United States of America for subject "Industrial Chemistry"
and the scholar is now awaiting passage. The Government
of Assam have intimated to this Ministry that they cannot sponsor
Mr. Kar's training abroad since they do not require the services
of a person of that type of training because of certain changes
in their developmental schemes due to the partition of the Province.

3. This Ministry would therefore like to know whether the
Madras Govt. are likely to require a trained man in this
subject for which Mr. Kar has been selected and if so whether
they would like to sponsor Mr. Kar on the usual terms (i.e.
on the basis of 50 : 50 cost of training) with the view to
employ Mr. Kar on his return. This Ministry will as usual
make necessary arrangements for his passage and training abroad.

4. Copies of Mr. Kar's application and other documents
showing his qualifications etc. are attached.

5. It may also be stated that Mr. Kar belongs to that part
of Sylhet which now forms part of East Bengal but he has
expressed a desire to live and serve the Indian Union.

6. A reply is requested very urgently, in any case before
February, 8th, 1948.

DK Hingorani

for Secretary.

To All Provincial Governments of the Indian Dominion,
2. All Ministries of the Government of India.

APPLICATION FORM

(Note- This form must be filled in by the candidate in his own handwriting).

1. Name and Address (in block letters) KAMADA RANJAN KAR
12 K.B. Rüdra Road, Dacca Bengal
2. Age and Date of Birth: 33 years on 1st June 1945, date of birth 1st June 1912.
3. Place of Birth and Nationality. Village Sukohar, P.O. Putijuri, Sylhet, Assam.
(where necessary a certificate of domicile must be attached) Indian, Bengali.
4. Religion and Caste. Hindu Kayastha.
5. Educational Institutions attended & Examinations passed

Name of High School College, University etc.	Dates of Examinations entering & leaving passed.	Class or Division.	Subjects taken in the Degree & subsequent Examinations.
1. Shillong Govt. H.E. School.	1928-30	Matriculation	First.
2. M.C. College Sylhet	1930-32	I.Sc.	-do-
3. Dacca University	1932-35	B.Sc.	-do- Physics Mathematics & Hons. in Chemistry.
4. -do-	1935-36	M.Sc.	-do- Chemistry
5. -do-	--	Ph.D.	- Physical Chemistry.

6. Post-graduate training or research experience, if any together with details of any published work. Reprints of such work should also be submitted.
 1. Appeared in M.Sc. with a thesis on physical Chemistry in 1936.
 2. Held D.U. Research scholarship during 1937-38 and worked under Prof. J.C. Ghosh, D.Sc., F.N.I.
 3. Continued Research as a University employee on a problem in Physical Chemistry and Submitted a thesis entitled-" studies on dechroism in Colloid and Diazo Compounds and was awarded Ph.D. in 1942.

7. Industrial or professional experience, if any and any additional qualifications not covered in columns 5 & 6 (if the space is not sufficient attach a separate sheet).

I have been teaching higher Physical Chemistry in B.Sc. and Post-graduate classes and also carrying on Research work in Physical Chemistry since 1936.

8. Present occupation. Lectur r in Chemistry, Dacca University
9. (a) Name of Parent (with relationship) (a) Late Kamalcharan Kar. In the absence of my father my eldest brother Mr. Kamad Ranjan Kar is the head of the family.

=2=

- (b) Business or profession of Guardian. (b) My eldest brother's profession - Govt. Service.
- (c) Monthly Income of Parent or Guardian. (c) Rs. 350/- per month.
- (d) Capacity of Parent or Guardian to supplement students, stipend or salary (d) Nil.
10. Particular branch of scientific or technical work in which training is required. Industrial Chemistry (with reference to Metallography)

(Note.- A Candidate may offer himself for selection in one or more (but not exceeding three) of the subjects which he should specifically mention). (In addition, if authorities think fit I may take training in chemical Technology or Applied Physical Chemistry)

11. Minimum period of training desired. One year being minimum.

12. Institutions, if any suggested for training. Imperial College of Science & Technology LONDON.

13. If in Government service, state nature of appointment (i.e. of the work you are doing at present) salary and scale, if any and term of service with reference to leave. No. does not arise.

14. If not in Government service whether you wish to go for a course of study at your own expense if you are not selected as a stipendiary student. Not in a position to do so.

15. Have you applied to a Provincial Government for a stipend? If so, state the course(s) of study which you have proposed to undertake. Yes. Industrial Chemistry with reference to Metallography.

16. Names (& Status) of persons from whom you attach testimonials.

- (1) Prof. J.C. Ghosh, D.Sc., F.N.I., Director, Indian Institute of Science, Bangalore.
- (2) Prof. J.K. Chowdhury, Ph.D., F.N.I., Head of the Department of Chemistry, Dacca University.

17. Give below the names of two persons who are in a position to testify from their personal knowledge to your fitness for the proposed course of study. (They must not be related to you)

(Please see on next page.)

PTO

=3=

- (1) Name Sir Jnanchandra Ghosh Kt, D.Sc., F.N.D.,
Status Director Indian Institute of Science, Bangalore
Address P.O. Malleswaram, Bangalore.
- (2) Name Prof. J.K. Chowdhury, Ph.D., F.N.I.
Status. Head of the Department of Chemistry, Dacca University.
Address. Chemical Laboratory, Dacca University, Ramna, Dacca.

18. Any general remarks which you have to offer. (If the space below is not sufficient attach a separate sheet)

Date 7-9-45
Place Dacca.

Sd/- Kamada Ranjan Kar
Signature of Applicant.

Forwarding Note by the Authority concerned.

(Please state as definitely as possible your opinion as to the applicant's fitness for the proposed course of study. If the space below is not sufficient, a separate sheet may be attached and an endorsement to the effect be made). The applicant has a very good academic career and is a highly successful research worker and teacher of physical and inorganic chemistry. He is diligent and intelligent and has an ideal character. I strongly recommend him for an overseas stipend.

From: J.C. Ghosh
Dacca Hall
&
Head of the Department of
Chemistry, Dacca University.

Dacca Hall
17th June 1939

I have much pleasure in certifying that I know
Mr. Kamda Ranjan Kar, M.Sc., very well. He joined the honours
School of Chemistry as a resident student of the Dacca Hall
in July 1932 and obtained a first class Honours Degree in
1935. He has passed the M.Sc. examination in 1936 in Physical
and Inorganic Chemistry group with thesis and was placed
First in First class.

The external examiners who read his thesis and conducted his viva-voce examination have formed a high opinion of his abilities and attainments.

He was awarded a post-graduate Research Scholarship in recognition of his merit, which he held for a year and a

P.T.O.

-2-

half. He is now engaged as an assistant to the Professor of Chemistry on a salary of Rs. 80/4/100. I have formed a very high opinion of his abilities and attainments. The researches which he has carried out under my supervision require technical skill of a high order and the results that he has obtained are of considerable value.

He has taken a very active part in the affairs of the Dacca Hall students' Union. As an elected member of the Hall Union Council and as Secretary responsible for the Annual Hall magazine, he has rendered very useful service. As an Assistant House Tutor, he has discharged his duties to my complete satisfaction. His conduct has been very satisfactory. I recommend him very strongly for appointment as a teacher in a College.

DACCA UNIVERSITY
CHEMICAL LABORATORY
P.O. RAMNA, DACCA.

THE 7th April, 1945.

I have great pleasure in stating that Dr. Kawada Ranjan Kar temporary lecturer in Chemistry, is known to me very well. He took his B.Sc. degree with first class honours in Chemistry in the year 1935 and stood first in the first class in the M.Sc. examination with thesis in Physical and In-organic Chemistry group in 1936. He was awarded a University Research Scholarship in 1937 and carried out research work under the supervision of Prof. J.C. Ghosh on certain Physico-Chemical problems with conspicuous success. In 1942 he was awarded the Ph.D. degree of the Dacca University.

In 1938, Dr. Kar was appointed a laboratory Assistant in the Department of Chemistry and as such he took P.T.O.

60

=2=

practical classes with B.Sc. Pass, Honours and M.Sc. students. In addition he affiliated as a Lecturer on several occasions and has been entrusted with lecture work in Physical and In-organic Chemistry in large B.Sc. Classes. As a teacher he has proved to be very successful and has been discharging his duties to my complete satisfaction.

In my opinion, Dr. Kar has a sound knowledge of chemistry and is able to tackle theoretical and industrial problems. He is a young man of excellent character and pleasant personality. I strongly recommend him for any responsible position in life.

Government of India,
Ministry of Education,

New Delhi 3, the 11th February, 1948. (10)

MEMORANDUM

Subj: Advanced studies overseas in respect of Mr. Arjan Das Verma, 1946-47 ex-North West Frontier Province Government Sponsored Scholar.

Under this Ministry's scheme for advanced studies overseas 1946-47, Mr. ARJAN DAS VERMA was awarded a scholarship by the Government of North West Frontier Province for studies in "Industrial Chemistry with reference to Power Alcohol".

His qualifications are B.Sc(Second Class), in Chemistry and Physics; B.Sc(Hons.) in Chemistry and M.Sc (Second Class) in Industrial Chemistry (Punjab University), Mr. Verma has opted for service in the Indian Dominion.

This Ministry would like to know whether,

) are likely to require a trained man in the subject for which Mr. Verma has been selected and if so whether they would like to sponsor him, on the usual terms (i.e. on the basis of 50 : 50 cost of training) with a view to utilizing his services on his completion of advanced studies abroad and return to India. This Ministry will as usual make necessary arrangements for his passage and training abroad.

An early reply is requested.

GOVERNMENT OF INDIA.
MINISTRY OF EDUCATION.

New Delhi 3, the 9th February 1948.

From
Sir S. S. Bhatnagar,
O.B.E., D.Sc., F.R.S.,
Secretary to the Government of India.

All Provincial Governments

Subject:- ADVANCED STUDIES OVERSEAS - UTILIZATION
OF SCHOLAR'S SERVICES.

Sir,

I am directed to state that under this Ministry's Overseas Scholarship Scheme the Governments of Sind and N.W.F.P. had selected some non-Muslim sponsored scholars for advanced studies abroad, the expenditure on whom was to be shared equally between the Central and Provincial Governments. Some of the scholars have already proceeded abroad and are studying in Overseas institutions while some others are still in India awaiting admission or passage as the case may be.

The Provincial Government are aware that in accordance with the decision of the Partition Council, all Provincial Sponsored Scholars were asked to indicate their choice of service in the Dominions of India and Pakistan. Some of the sponsored non-Muslim scholars who had been selected by the Governments of Sind and N.-W.F.P. under the late Central Government's 1945, 1946 and 1947 Schemes, opted for service in the Indian Dominion.

In this connection, I am directed to forward herewith a list giving detailed particulars regarding the ex-Sind and N.-W.F.P. Governments' sponsored Non-Muslim scholars who have now become the concern of

P.T.O.

the Indian Dominion, and to request that the Provincial Government may kindly consider the possibility of taking some of them over as their sponsored scholars on the usual terms viz. the expenditure on their studies abroad being shared equally between the Central and Provincial Government concerned. It is possible that the Provincial Government might have lost certain of their sponsored scholars (Muslims) cause of their option for Pakistan and might be willing to fill up those gaps by taking in some of the scholars whose particulars are given in the enclosure.

The Provincial Government may kindly let this Ministry know the names of the scholars from the attached list whom they would like to take over as their responsibility.

This may kindly be treated as very urgent.

I have the honour to be,
Sir,
Your most obedient servant,

S. H. G. G. G.
for Secretary.

of services.

22199

Sir,

I am directed to refer to this Ministry letter No. F.2.27/4
45 O.D.IV dated 9/23 February 1948, in so far as it concerns Mr.
Aminchand and to state that the University of Madras is reported
to have vacancies in the posts of Professor and Reader in Leather
Technology & Leather Technology Processing. The question of utili-
zing Mr. Amin Chand's services on his return may, if necessary, be
considered from this point of view. Any detailed particulars
and progress report etc. which may be required in respect of this
scholar may be obtained from this Ministry.

I have the honour to be,
Sir,
Your most obedient servant,

Dr. Hingorani
For Secretary.

NO. 1.2-52/48-CD IV
GOVERNMENT OF INDIA
MINISTRY OF EDUCATION.

NEW DELHI 3, THE 23rd MARCH '48.

From The Secretary to the Govt. of India.

To All Provincial Governments in the Indian Dominion.

23148

ASSISTANT SECRETARY, OVERSEAS SCHOLARSHIPS 1946-47 - MR. R.P. VASWANI,
AN INDIAN GOVERNMENT 1946-47 SPONSORED SCHOLAR.

8 MAR 1948

I am directed to state that Mr. Vaswani was awarded a scholarship by the Government of India for advanced studies in Textiles, Post Graduate training in branches of applied chemistry such as dyeing, printing etc., under this Ministry's 1946-47 Overseas Scholarships Scheme. His qualifications are:-

Licentiate of Technical Chemistry Second Class
(63% Marks, First rank),
Victoria Jubilee Technical Institute, Bombay.

Mr. Vaswani has opted for service in the Indian Dominion and has therefore been taken over as the responsibility of the Government of India.

This Ministry would like to know whether the Government of Madras etc., are likely to require a trained man in the subject for which Mr. Vaswani has been selected and if so whether they would like to sponsor him on the usual terms (i.e.) on the basis of 50 : 50 cost of training with a view to utilizing his services on his completion of advanced studies abroad and return to India. This Ministry will as usual make necessary arrangements for his passage and training abroad.

An early reply is requested.

I have the honour to be,
Sir,
Your most obedient servant,

SUB: OVERSEAS SCHOLSHIPS 1946-47 - MR. ARJAN
DASS VERMA, AN EX NORTH WEST FRONTIER PROVINCE
1946-47 SPONSORED SCHOLAR.

I am directed to refer to this Ministry Memorandum of even number dated 12th February 1948 on the above subject, (copy enclosed) and to state that the Indian Embassy at Washington has informed this Ministry that Messrs. Joseph L. Seagram & Sons, Louisville, Kentucky are prepared to accept Mr. A.D. Verma for one year's practical training, in Fermentation Alcohol Technology. Seagrams is one of the largest manufacturers in the fermentation industry and run a special training programme which is unique in the United States of America.

The training provides for specialization in any of the following aspects of the fermentation industry:-

1. Yeast Protein
2. Penicillin
3. Industrial Alcohol
4. Agricultural By-products.

In particular, there is provision for training in the production of alcohol from waste or surplus agricultural crops, or in the production of amino acids from cereals.

The training will begin in December 1948.

The scholar could specialise in any of the branches mentioned above in which the Provincial Government may be particularly interested in, and in which they anticipate a demand for trained personnel. The Provincial Government may kindly inform this Ministry preferably before 1st July 1948, whether in the light of the above they would wish to sponsor Mr. Verma as one of their scholars on the terms intimated to them in paragraph 3 of this Ministry Memorandum of even number dated 12th February 1948.

I have the honour to be,
Sir,
Your most obedient servant,

SUBJECT:-ADVANCED STUDIES OVERSEAS IN RESPECT OF MR. AMIR CHAND
EX. NORTH WEST FRONTIER PROVINCE SCHOLAR TAKEN OVER AS
A CENTRAL GOVERNMENT SCHOLAR - UTILISATION OF SERVICES.

Sir,
I am directed to refer to your letter No. 7447/48-C2-10
dated 11th June 1948 and to enclose herewith a copy of a
Progress Report and ^{an} Information sheet in respect of the scholar
received through the Indian Embassy, Washington. I am to request
that the same may be forwarded to the University authorities
for consideration.

As stated in this Ministry letter of even No., dated
14th May 1948, the scholar is expected to return to India in
September 1949.

If there are any further particulars about the scholar
that the "University authorities" would require, this Ministry
may kindly be informed.

Yours faithfully,

(K.P. Lukose)
for Secretary.

Y-f.

Copy of letter No. F.2-27/45.O.D.IV. dated 2/23rd February 1948
from the Secretary to the Government of India, Ministry of
Education, New Delhi, addressed to All Provincial Governments.

Sub:-Advance Studies overseas - Utilisation of scholar's
Services.

49427

I am directed to state that under this Ministry's
Overseas Scholarship Scheme the Governments of Sind and N.W.F.
P. had selected some non-Muslim sponsored scholars for advanced
studies abroad, the expenditure on whom was to be shared
equally between the Central and Provincial Governments. Some
of the scholars have already proceeded abroad and are studying
in Overseas institutions while some others are still in India
awaiting admission or passage as the case may be.

The Provincial Government are aware that in accordance
with the decision of the Partition Council, all Provincial
Sponsored Scholars were asked to indicate their choice of
service in the Dominions of India and Pakistan. Some of the
sponsored non-Muslim scholars who had been selected by the
Governments of Sind and N.W.F.P. under the late Central
Government's 1945, 1946 and 1947 schemes, opted for service
in the Indian Dominion.

In this connection, I am directed to forward herewith
a list giving detailed particulars regarding the ex-Sind
and N.W.F.P. Governments sponsored Non-Muslim scholars who
have now become the concern of the Indian Dominion, and to
request that the Provincial Government may kindly consider
the possibility of taking some of them over as their sponsored
scholars on the usual terms viz. the expenditure on their
studies abroad being shared equally between the Central
and Provincial Government concerned. It is possible that
the Provincial Government might have lost certain of their
sponsored scholars (Muslims) because of their option for
Pakistan and might be willing to fill up those gaps by taking
in some of the scholars whose particulars are given in the
enclosure.

The Provincial Government may kindly let this
Ministry know the names of the scholars from the attached
list whom they would like to take over as their responsibility

This may kindly be treated as very urgent.

(True copy)

K. S. Singh
Superintendent.
2/2/48

Copy of letter No. F.2-27/45 O.D.IV. dated 23rd February 1948 from the Secretary to the Government of India, Ministry of Education, New Delhi, addressed to All Provincial Governments.

Sub: Advanced Studies Overseas - Utilisation of scholars' services.

I am directed to state that under this Ministry's Overseas Scholarship Scheme the Government of India and N.W.F.P. had selected some non-Muslim sponsored scholars for advanced studies abroad, the expenditure on whom was to be shared equally between the Central and Provincial Governments. Some of the scholars have already proceeded abroad and are studying in Overseas institutions while some others are still in India awaiting admission or passage as the case may be.

The Provincial Government are aware that in accordance with the decision of the Partition Council, all Provincial sponsored scholars were asked to indicate their choice of service in the Dominion of India and Pakistan. Some of the sponsored non-Muslim scholars who had been selected by the Government of India and N.W.F.P. under the late Central Government's 1946, 1946 and 1947 schemes, opted for service in the Indian Dominion.

In this connection, I am directed to forward herewith a list giving details of scholars regarding the ex-India and N.W.F.P. Government sponsored non-Muslim scholars who have now become the concern of the Indian Dominion, and to request that the Provincial Government may kindly consider the possibility of taking some of them over as their sponsored scholars on the usual terms viz. the expenditure on their studies abroad being shared equally between the Central and Provincial Government concerned. It is possible that the Provincial Government might have lost certain of their sponsored scholars (Muslims) because of their option for Pakistan and might be willing to fill up those gaps by taking in some of the scholars whose particulars are given in the enclosure.

The Provincial Government may kindly let this Ministry know the names of the scholars from the attached list whom they would like to take over as their responsibility.

This may kindly be treated as very urgent.

Utilisation of Scholar's Service

Ref: Memorandum No. 49427-1/48-1 dated 5-5-48 from
Govt. Development Department

A/ There is no vacancy to absorb the non-muslim scholars of Pakistan Provinces in this Province as none of the muslim students sent from this Department has opted to go to Pakistan. If the Madras Government is inclined to consider their case, whether there is a vacancy or not, the student who is undergoing training in Food Technology (item 6 in the list) may be taken to this Province, as the student (Mr. Krishna Menon) selected for such a training is still not able to secure a seat. He may be posted on return to the Malt Factory.

The student who is undergoing training in soil chemistry may also be taken to fill up the post of the Soil Physist in the Department.

Sd. C.R. Srinivasa Ayyangar,

DEPARTMENT OF INDUSTRIES AND COMMERCE

Letter No.1995 E1/48 dated 5-7-1948

From

The Director of Industries and Commerce,
Chepauk, Madras.

To

The Secretary to Government
Development Department,
Madras.

Sir,

Sub: Education - Advanced Studies - Overseas
ion of Scholars Services.

Ref: (1) My letter No.1995 E3/48 dated 1-6-48.
(2) Government Memo No.49427 DI/48-3 Development
dated 18-6-48.

In the letter cited Mr. Chablani was neither stated to be fully qualified for the post of Head of a Technical Section in the Polytechnics nor was he suggested for regular appointment in such a post immediately; but I had only indicated therein that he would be useful for the post. Therefore there arises no discrepancy in the statements made. However the question of his qualification was also not altogether ignored. It may be seen from the statement enclosed with Government Memo No.49427 DI/48-1 Development dated 5-5-48 that Mr. Chablani got the B.E. degree in March 1944. From then he underwent training for one year and 4 months in Aeronautical Engineering at the Indian Institute of Science, Bangalore and in November 1945 he was deputed to England for advanced studies in Electrical Engineering. He is expected to complete his training by 1st March 1949. It may therefore be seen that from April 1944 to March 1949 when he is due to return to India he would have training of an advanced nature of nearly five years which would be more useful than the experience contemplated in the draft rules..

GOVERNMENT OF INDIA
MINISTRY OF EDUCATION

Overseas Scholarships (Central) - Application for Employment of Scholars

N.B. - This application must be submitted (in quadruplicate) at least FOUR months before a scholar's stay abroad is to come to an end.

1. Full Name (in block letters)	AMIR CHAND
2. Date of birth	11th Feb., 1922
3. Father's Name	Mr. Lall Chand
4. Full address in India to which correspondence should be addressed to the scholar on his return	Will be intimated letter on, as we have been transferred from N.W.F.P. to India.
5. (i) Subject of Scholarship	Hides and Skin
(ii) Exact Branch	Processing
6. Year of selection	1945
7. Date of commencement of scholarship (Date of arrival in the country of study)	August, 1946
8. Date on which the course of his studies is due to terminate	July - August 1949
9. Approximate date of return in India	July 1949

10. Qualifications prior to Selection

	Name of College, Institute or University attended	Examination Passed	Division obtained	Year	Subjects Taken
(a) Academic					
(i) Degree & post-graduate examinations only	St. Stephen College	B. Sc.	11. 3rd in University in order of merit	1944	Chemistry
(ii) Post-graduate training or research	Did some work on proteins with Dr. Bashir Ahmed (P.U.) for my Ph.D. prior to my selection for studies abroad				
(iii) Published Works (give names of the papers published, if any.)	Worked with Dr. S. Siddique on Bakayan for my M. Sc. and work is under publication.				

	Institution, Co., or Office where trained or employed	Post or capacity in which employed	Pay if any drawn (with scale)	Period
(b) Practical training and industrial or professional experience gained (including apprenticeship)	Allied Chemicals (Ind) Ltd.,	Consulting Chemist Rajgarh Road Lahore	Pay in the form of T.A. about Rs. 150/-/- per month	Two years

(c) Additional qualifications not covered in (a) and (b) above	Lecturer in Chemistry in S. D. College Lahore from 1944 - 46.
--	---

(d) Post held at the time of selection:	
(a) Name of the Post	Lecturer
(b) Pay last drawn and the scale of pay	Rs. 115/-/-, scale Rs 120-10-250 Note: my case was recommended to S.D. College Managing Committee for the scale Rs 150/10/250 and the case was being considered when I came to America.
(c) Office or Government where employed	S.D. College Managing Committee I was informed afterwards that the Committee sanctioned my grade and hence my pay would have been Rs 170/-/- plus allowance if I had not resigned.
(d) Did you resign, or go on study leave terms or on extraordinary leave?	Resign

11. Overseas Qualifications Acquired:

14. Tutor's Remarks:

Mr. Amir Chand has done very excellent work during his stay here at Lehigh University. Not only is his record one of the best, but his industry is very commendable. He has put in many long and fruitful hours in his work. Certainly, the expenses incurred in his education here have been used well. He is one of our best scholars.

No. 5 Note:

I was selected for leather technology, but unfortunately, the only training Lehigh University offers in this field is Leather Research. Over and above the research courses there is no academic training offered. Moreover, most of my course and research work was of a general nature, as can be seen from the list of courses enclosed.

The Educational Officer was informed of this when I first entered Lehigh University, but I received no response from him.

I would like the Government to consider these facts while appointing me to any specific post. Thank you for your consideration.

OVERSEAS SCHOLARSHIPS - 1945-46 - MR. K. R. KAR,
ASSAM GOVERNMENT SPONSORED SCHOLAR.

From the Govt. of India No. F.3-14/45-OD IV,
dated 21-1-48.

Please see the letter from the Govt. of India and its enclosures on pp.1-11 C.F. Under the Overseas Scholarships Scheme of the Govt. of India, this province was allotted only 35 scholarships in 1947-48. Applications were called for only from British-Indian subjects belonging to this Province ~~candidates~~ and also from temporary Govt. servants of this Govt. as well as from the Central Govt. servants - vide paras 2 to 4 of the copy of the Advertisement at 'B'; candidates belonging to other provinces were excluded from applying for the scholarships awarded by this Govt.

The 35 scholarships were distributed among the subjects mentioned in the annexure to the Advertisement ~~copy~~. This Govt. recommended to the Govt. of India 3 to 4 candidates in the order of merit for each of the 35 subjects. The Govt. of India accepted only 21 candidates for 21 subjects and refused to accept the candidates for the remaining 14 scholarships on the ground that these scholars recommended were not suitable for the advanced studies proposed. Though subsequently 3 stipendiary scholars were selected with the concurrence of the Govt. of India for three more subjects previously left over, this Govt. had to lose 7 scholarships out of a total of 35 scholarships excluding 4 scholarships for which Provincial Government Servants were ~~at~~ selected. When an attempt was made subsequently to utilise the lapsed scholarships for fresh subjects different from those previously recommended to the Govt. of India, ~~the latter~~ refused to utilise those scholarships for fresh subjects on the ground that it was then too late to accept the proposal. They even refused to allow this Govt.'s request to substitute a scholar in the place of one (Mr. C. S. Ballal) who was at first selected but was subsequently found unfit by the Medical Board to undergo the ~~re~~ rigours of the foreign climate.

p.t.o.

21
3
24

3 This Govt. recommended the award of three scholarships out of the 35 scholarships allotted to this Province ^{for} on the subject "Industrial and Applied Chemistry", (the subject for which Mr. K.R. Kar was selected by the Assam Govt. in 1945-46) under the different branches noted below:-

- (i) Industrial and Applied Chemistry.
- (ii) Printing and Reproduction.
- (iii) Tanning, Currying and Leather Technology.

Pl: see position marked in pencil on p 2 of (B)

The Govt. of India accepted only two scholars for the subjects mentioned in items (i) and (iii) above and rejected ~~all~~ the other scholars recommended for item (ii) on grounds of unsuitability or otherwise. ~~in the~~

The question whether a person trained in 'Industrial Chemistry' is required, is for consideration in Dev.

The file may be sent to Devt. & Fin. for remarks.

Dev. Dept

To AS

Please see the letter from the Govt of India ^{and its enclosures} at pp 1-11 ⁴⁶ and the notes of the E & P H Dept at pp 1-2 above. It may be seen from the notes of the E & P H Dept. above that a number of students of this province were refused scholarships mainly because the Govt of India objected on the ground that the scholars recommended were not suitable for the advanced studies proposed. It may not now be fair to accept the scholar when candidates of this province were not given a chance. Further if the scholar were to ^{be} ~~accepted~~ the question may arise as to

B

how the scholar will be utilised on his return from abroad and this may give room to unnecessary complications later.

It is for orders whether this Dept may advise that the Govt of India may be informed that this Govt do not propose to sponsor the scholarship of Mr. Kar. (Reference to the D I C seems unnecessary.)

After orders are passed the file may be passed on to Fin.

Vm

Issued as Letter No: TNU/12/148-3 Edn 12-3-48
From the Court of India, No F.2-27/48-0 DND 9/23-2-48

Please the letter from the C.G.D. and its enclosures on pp 21-30 CF. Attention, in this connection, is invited to the notes in paras 1 and 2 on p 1 ante. If at all this Court want more men to be trained abroad under the Overseas Scholarships Scheme, it may be for subjects which have not been left over in 1947-48 as, in the case of other subjects, suitable candidates from this province have already been selected, some of whom are already in the Foreign Countries and the others are still waiting for either admission or passage. The subjects for which this Court wanted to award Scholarships in 1947-48 and which were not accepted by the C.G.D. for the reasons that the candidates recommended by this Court were not suitable for the advanced courses studies proposed are the following:-

- (1) Physical Education
- (2) Forestry (Two Scholarships were recommended for the subject but only one was accepted by the C.G.D.)
- (3) Industrial and Applied Chemistry - Printing and Reproduction
- (4) Textile Text Technology
- (5) Civil Engg - General Architecture
- (6) Vocational Education - Manual training Subjects with special emphasis on weaving
- (7) Navigational Research.

It will be seen from the statement on pp 23-30 CF that none of the scholars except Mr S. J. Wadhwanji had been selected for advanced studies in any one of the subjects mentioned above. Mr Wadhwanji has been selected for advanced studies in Forestry by the Sind Court in 1946-47 and his admission is being tried in any one of the suitable institutions in the U.K. His academic qualifications and practical experience are detailed at 'A' on pp 27-28 CF. It may be noted, in this connection,

item 14 on p 27 CF

that this Court recommended to the C.G.D. for the award of two Scholarships in 1947-48 on the subject "Forestry" but the C.G.D. accepted only one Scholar (Mr S.M. Krishnan) as a result one of the two Scholarships lapsed. Unfortunately, the one Scholar selected had also to forego the Scholarship as he was found unfit by the Medical Board to undergo the foreign rigours of the foreign climate. Though there were other candidates waiting for selection for the award of a Scholarship on the subject, this Court did not press for a selection of a substitute in the place of Mr. Krishnan only for the reason that the C.G.D. refused on two previous occasions to accept substitutes on the ground that it was then too late. In the circumstances, it does not seem desirable to sponsor Mr. Wardhwani even though he appears to be a suitable candidate for the subject (Forestry). Div. may, however, decide the case.

With ref. to 'T' on p 22 CF, it is submitted that only one scholar, Mr T. Abdulla Hussain who was selected by this Court in 1945-46 for advanced studies in "Mechanical Engineering - Heat and Hydraulic Engineering" has opted for service in Pakistan. It is seen from the statement on pp 23-30 CF that nobody can be selected from that list as a substitute in the place of Mr. Hussain. Mr L.D. Manghir Malani, a 1945-46 Sind Court Scholar appears to have had good practical training on an allied subject to Heat and Hydraulic Engg. but he is undergoing foreign studies in Marine Engg and Naval Architecture. Besides he does not possess any Engg degree which is an essential requisite to be a member of the teaching staff in any one of the Court Engg. Colleges in which post Mr. Hussain was proposed to be absorbed on return to India. In the circumstances, he cannot be considered for selection in the place of Mr. Hussain.

and P.D.
Div. may see for remarks

To A.S.

The letter from the Govt of India and its enclosures at pp 21-30 c.f. may be perused and the notes of E & P.H. Dept at pp 6-8 above may be perused for the reasons stated at 'M' on p 7 above. This Dept may agree with the views of E & P.H. Dept at 'A' on p 7 above.

Dev. may agree.
It is agreed that the
candidate has not
left India yet.
C.P.P.
5.4.48

With regard to 'M' above it is submitted that Mr. H.S. Shahani said scholar noted as Item 7 on p 25 c.f. possesses good academic qualification. He is selected for chemistry, industrial chemistry. It may be noted in this connection that Mr. C. Venkatesan was selected in the year 47-48 for advanced studies in "industrial and applied chemistry" and he is awaiting admission in the U.K. In the circumstances there is no need to sponsor Mr. H.S. Shahani.

Regarding other items on pp 23-30 c.f., it is submitted that previously when the DA came up with proposals to depute Govt servants for advanced studies in Agricultural sciences, the Govt negated the proposal stating that no proposal had been received from the Govt regarding the continuance

With ref. to 'M' above (on p 8), take a list of candidates selected for subjects with which this Dept is concerned and consult the heads of departments. The file may be passed on to P.W.D. after taking necessary extracts for separate consideration in reply to E & P.H. in due course.

Mr. Fagun Chand-keola

Papers not put up

2. The Chief Engineers reported recently that the present system of selecting candidates by the Education Department and sending them for education overseas, was not suited for the requirements of the Engineering Department. They suggested that none should be selected for the scholarship from among the raw Engineering graduates and who did not work in the Public Works Department and that the selected candidates

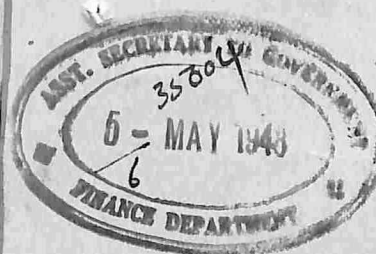

should go abroad not for higher ~~academic~~ degrees which had no practical value but to particular institutions where they could acquire knowledge ~~of a kind~~ useful to the department. They also suggested that the candidates meant for eventual absorption in the P.W.D. should be selected in consultation with the Chief Engineers concerned. The question was examined in detail in consultation with the E & P.H. Deptt. and the C.Es. informed that their suggestions clash with the objects of the overseas scholarship scheme, which was essentially an educational one, and did not aim at training mere technicians or at improving the technical skill of those already in trade or profession, by providing for them further practical training abroad. They were also informed that the overseas scholarship scheme was not likely to be continued in 1948-49 and even if it was continued, no candidate need be selected for Engineering subjects if the C.Es. did not desire that this Government should participate in the scheme. Further, ~~in~~ in connection with the absorption of two overseas scholars who have returned to India, in the P.W.D. (Messrs. T.T. Shenoy K. Ramesh Rao) the C.E(I) has reported that the dearth of technical personnel in the department exists only in subordinate ~~rank~~ ~~service~~ and not in gazetted posts. The C.E. is therefore not in favour of absorbing any of the overseas scholars in Gazetted posts. It has, however, been held that the candidates who returned from overseas studies should be absorbed in the respective departments relaxing all service rules. This question is separately under consideration. If the candidates in question ~~have~~ ^{are} to be absorbed in the department, half the cost of their training will have to be borne by this Govt.

3. In the circumstances explained above, this Department may suggest, that, so far as ~~the subjects pertaining to~~ this Department is concerned, none of the candidates are required for absorption in the P.W.D. It does not appear necessary to consult the C.Es. in the matter. E & P.H.

may be requested to take orders in circulation including H.M.(P.W). The file may be passed on to Finance.

South India produce excellent engineers. ~~we~~ we are exporting them to other provinces. we are not interested in the 3 men from the N.W. & Hind. They may be misfits in the south because they will be always looking longingly to the North. They may also have language difficulties.

D.V. 16/6/48

45850

The file relates to the proposal of the Govt. of India whether this Govt. will sponsor the scholars selected for overseas studies by the Govt. of India. Mr. W. B. Province (Govt. who have now opted for service in the Indian Dominion). A list of these scholars is on pp 22-30 c.f. This Dept., Dev and P.W.D. have examined the proposal whether any of the scholars will be useful for their depts. It has been decided that the following 4 scholars cannot be sponsored by this Govt.

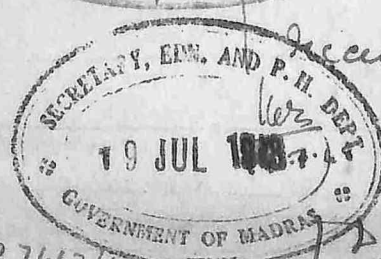

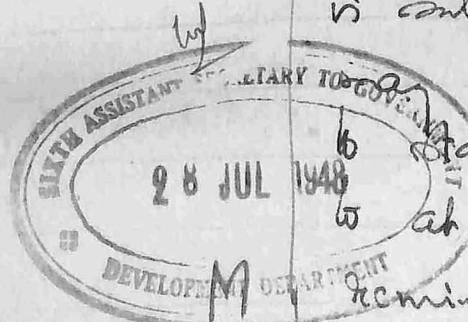

Mr. M. D. Mehta

Mr. P. C. Malkani

Mr. L. D. Manghar Kalani

And Mr. Faquir Chand Kohli

Regarding the other scholars Dev have taken necessary extracts from this file for consideration in consultation with the heads of depts. - vide p on p 9 ante. Dev's decision has not yet been communicated to this Dept. The Govt. of India have recommended for a reply in respect of these scholars. They may be informed that this Govt. regret their inability to sponsor the 4 scholars named above and that a further reply will be sent to them in regard to other candidates. A draft letter is submitted for approval. After issue, the file be sent to Dev who may be requested to state the present stage of the matter referred to at 'A' above. Dev may also be requested to remind the D.I.C. if his reply has not yet been received.

OVERSEAS SCHOLARSHIPS - 1945-46 - Mr. K. R. Kar, Assam Government Sponsored Scholar.

From the Government of India No. F.3-14/45-OD IV, dated 21-1-48.

Please see the letter from the Government of India and its enclosures on pp.1-11 c.f. Under the Overseas Scholarships Scheme of the Government of India, this province was allotted only 35 scholarships in 1947-48. Applications were called for only from British-Indian subjects belonging to this Province and also from temporary Government servants of this Government as well as from the central Government servants - vide paras 2 to 4 of the copy of the Advertisement at 'B' candidates belonging to other provinces were excluded from applying for the scholarships awarded by this Government.

2. The 35 scholarships were distributed among the subjects mentioned in the annexure to the Advertisement. This Government recommended to the Government of India 3 to 4 candidates in the order of merit for each of the 35 subjects. The Government of India accepted only 21 candidates for 21 subjects and refused to accept the candidates for the remaining scholarships, on the ground that the scholars recommended were not suitable for the advanced studies proposed. Though subsequently three stipendiary scholars were selected with the concurrence of the Government of India for three more subjects previously left over, this Government had to lose 7 scholarships out of a total of 35 scholarships excluding 4 scholarships for which Provincial Government servants were selected. When an attempt was made subsequently to utilise the lapsed scholarships for fresh subjects, different from those previously recommended to the Government of India, they refused to utilise those scholarships for fresh subjects on the ground that it was then too late to accept the proposal. They even refused to allow this Government's request to substitute a scholar in the place of one (Mr. C. S. Balaiah) who was at first selected but was subsequently found unfit by the medical Board to undergo rigours of foreign climate.

Please see the letter from the Government of India and its enclosures on pp. 21-30 cf. Attention in this connection is invited to the notes in paras land 2 on p. ante. If at all this Government want more men to be trained abroad under the Overseas Scholarships Scheme it may be for subjects which were left over in 1947-48 as in the case of other subjects, suitable candidates from this province have already been selected, some of whom are already in the foreign countries and the others are still waiting for either admission or passage. The subjects for which this Government wanted to award scholarships in 1947-48 but which were not accepted by the Government of India for the reason that the candidates recommended by this Government were not suitable for the advanced studies proposed are the following:

1. Physical Education.
2. Forestry (Two ~~sch~~ Scholarships were recommended for the subject but only one was accepted by the Government of India.)
3. Industrial applied chemistry - Printing and Re-production.
4. Textile Technology.
5. Civil Engineering - General Architecture.
6. Vocational Education - Manual Training subjects with special emphasis in weaving.
7. Navigational research.

It will be seen from the statement on pp. 23-30 of that none of the scholars except Mr. S. J. Wadhvani had been selected for advanced studies in anyone of the subjects mentioned above. Mr. Wadhvani has been selected for advanced studies in Forestry by the Sind Government in 1946-47 and his admission is being tried in anyone of the suitable institution in the U.K. His Academic qualifications and practical experience are detailed at 'A' on pp. 27-28 cf. It may be noted in this connection that this Government recommended to the Government of India for the award of two scholarships in 1947-48 on the subject "Forestry" but the Government of India accepted only one scholar ~~xxxxxx~~ (Mr. S. M. Krishnan) as a result one of the two scholarships lapsed. Unfortunately, the one scholar selected had also to forego the scholarship as he was found unfit by the Medical Board to undergo the rigorous of the foreign climate. Though there were other candidates waiting for selection for the award of a scholarship on the subject, this Government did not press for a selection of a ~~xxxxxx~~ substitute in the place of Mr. Krishnan, only for the reasons that the Government of India refused on two previous occasions to accept substitutes on the ground that it was then too late. In the circumstances it does not seem desirable to sponsor Mr. Wardhwani even ~~xxxxxx~~ though he appears to be a suitable candidate for the subject (Forestry). Gov. may however decide the case.

With reference to 'T' on page 22 of it is submitted that only one scholar Mr. T. Abdulla Hussain who was selected by this Government in 1945-46 for advanced studies in 'Mechanical Engineering- Heat and Hydraulic Engineering has opted for service in Pakistan. It is seen from the statement on pp. 23-30 of that no body can be selected ~~xx~~ from that list as a substitute in the place of Mr. Hussain. Mr. L. D. Manghir Malani, a 1945-46 Sind Government scholar appears to have had good practical training on the subject allied to Heat and Hydraulic Engineering but he is undergoing foreign studies in Marine Engineering and Naval Architecture. Besides he does not possess any Engineering Degree which is an essential requisite to be a member of the teaching staff in anyone of the Government Engineering Colleges

in which post Mr. Hussain was proposed to be absorbed on return to India. In the circumstances he cannot be considered for selection in the place of Mr. Hussain ~~XXXXXXXXXXXXXXXXXXXX~~

Development and Public Works Department may see for remarks before circulation. The may be requested to examine the cases of the scholars in the subjects in which they are interested.

SLBM. 24.5.48
Development Department.

To A.S.

The letter from the Government of India and its enclosures at pp.21-30 of and the notes of E.&P.H. Department at pp.6-8 above may be perused. For the reasons stated at 'M'

on page 7 above this ~~dept~~ department may agree with the views of E.&P.H. Department at 'A' on page 7 above.

With regard to 'M' above it is submitted that Mr. H.S. Shahani Sind Scholar noted as item '7' on page 25 of possesses good academic qualifications. He is selected for chemistry, Industrial Chemistry. It may be noted in this connection that Mr. C. Venkatesan was selected in the year 1947-48 for advanced studies in 'Industrial and applied chemistry' and he is awaiting admission in the U.K. In the circumstances there is no need for sponsor Mr. H.S. Shahani.

With reference to 'M' above (on p.8) take a list of candidates selected for subjects with which this Department is concerned and consult the heads of departments. The file may be passed on to P.W.D. after taking necessary extracts for separate consideration in reply to E.&P.H. in due course.

26.5.48
26.5.48

p234 From the D.I.C. No 1995-2/48-1-6.48

To AS

p13-144 As ordered by AS at 'A' on p4 above, the heads of depts were consulted regarding the possibility of taking the non-muslim scholars of the Pakistan provinces as the Madras Govt. sponsored scholars. The replies from the heads of depts are at pp 18, 19, 21 & 23.

The CEF and DAH have replied that the services of the scholars mentioned as items 11 & 12 at p 926 are not required to their dept as there are no suitable posts to offer them.

The DA in his reply at p 214 has stated that there is no suitable vacancy in the Agricultural Dept to absorb the ^{muslim} non-muslim scholars of Pakistan Provinces as none of the Muslim students sent from ^{his} Dept has opted to go to Pakistan. He has however suggested that the student Mr J.K Jagatiani who is undergoing training in Food Technology may be taken to this province as Mr. K.M. Krishna Menon, who was selected for deputation in the year 1945, is not able to secure admission, and Mr P.M. Michandani, a Sind Govt Scholar who is undergoing "Soil chemistry" may also be taken to fill up the post of 'Soil Physist' in the Agricultural Dept.

The proposal of the DA calls for the following remarks:

It is not known whether it is the intention of the DA to drop the deputation Sri K.M.K Menon. The correspondence with the Govt of India has been going on all along till very recently and the information required by the India Supply Mission, Washington has been forwarded to the Govt of India with a request to address the India Supply Mission, Washington to arrange for the necessary facilities. Arrangements may be made in the training of Mr Krishna Menon shortly and there is perhaps no need to sponsor the

CNO 53683 2/8

CAP 15/6/48

Pakistan scholar, Mr J.K Jagatiani. Forwards. ii) With regard to the post of 'Soil Physist' it is submitted that one Dr C Dakshinamurti who was awarded a scholarship in the year 1946-47 for advanced studies in 'Soil Physics' is expected to return to India this month, and the question of appointing him as the 'Soil Physist' in the Agricultural Research Institute Coimbatore is under consideration and the DA's reply in this connection is awaited. Mr. Dakshinamurti is intended for absorption in industries (Govt & private) when we have got a qualified person in our province and when it is our responsibility to provide ^{suitable} appointments to the scholars of this province ^{as far as possible} it is not perhaps necessary to sponsor Mr Michandani, a Sind Govt Scholar. Forwards.

The DICE states that Mr Chablain (item 3 in the list) will be useful as head of a section in one of the Polytechnics. The ^{Sept.} 22nd may address the Govt of India to instruct the candidate to contact the DICE, ^{Madras} two months before his return to India.

After orders are passed, the file may be returned to EEPH.

With regard to A. Ash DICE how he can recommend this recommendation with the draft rules proposed by him in which he wants practical experience of six years or so for direct recruitment as Heads of

Please put up a self contained note for order of Secy.

CPG

13.7.48

To A.S.

In their letter at page 1 c.f., the Govt. of India have forwarded a list giving detailed particulars regarding the non-muslim scholars, sponsored by the Sind and North West Frontier Province Governments who have opted for service in the Indian Dominion, and requested the provincial Government to consider the possibility of taking some of them over as the provincial Govt. sponsored scholars on the usual terms of sharing the expenditure equally between the provincial and the Central Governments. The heads of Departments under Development were consulted in the matter and the replies received

from them are at pp 15, 19, 21, 23 c.f.

The C.C.F. and D.A.H. have replied that the services of the scholars mentioned in items 11 and 12 at page 9 c.f. are not required by them as there are no suitable posts in their departments to be offered to them.

The D.A. in his reply at page 21 c.f. has stated that there is no vacancy in the Agricultural Department to absorb the non-muslim scholars of Pakistan Provinces as none of the Muslim students sent from the Agricultural Department has opted to go to Pakistan. He has however suggested that the student Mr. J. K. Jagatiani who is undergoing training in 'Food Technology' may be taken to this province as Mr. K. M. Krishnan Menon who was selected for deputation in the year 1945 is not able to secure admission and that Mr. P. M. Michandani, a Sind Government scholar, who is undergoing training in 'Soil Chemistry' may also be taken to fill up the post of 'Soil Physicist' in the Agricultural Department.

The D.A.'s. proposal calls for the following remarks.:

(i) It is not known whether it is the intention of the D.A. to drop the deputation of Sri K. M. Krishna Menon. The correspondence with the Govt. of India has been going on all along, till very recently and the information required by the India Supply Mission Washington has been forwarded to the Govt. of India with a request to address the India Supply Mission, Washington to arrange for the necessary facilities. Arrangements for the training of Mr. K. M. Krishna Menon will be made shortly and there is perhaps no need to sponsor Mr. J. K. Jagatiani, the Pakistan scholar. For orders.

(ii) With regard to the post of 'Soil Physicist' it is submitted that one Dr. B. Dakshinamurthi who was awarded a scholarship in the year 1946-47 for Advanced Studies in 'Soil Physics' is expected to return to India, shortly and

P.T.O.

the question of appointing him in the Agricultural Deptt. is under consideration of the Govt. Dr. C. Dakshinamurthi is intended for absorption in Industries (Govt. or Private). When we have got a qualified person in our own province, and when it is the responsibility of the Govt. to provide suitable appointments to the scholars of this province as far as possible. it is not perhaps necessary to sponsor Mr. Mirchandiani, a Sind Government Scholar. For orders.

As regards the Industries Department the D.I. & C. states that Mr. Chablani (item 3 in the list) will be useful as Head of a section in one of the Polytechnics and suggests that the candidate may be instructed to contact the D.I. & C. Madras before his return to India. ~~For orders, whether the suggestion of the D.I. & C. may be accepted. If accepted the E. & P. H. Department may be requested to address the Govt. of India to instruct the candidate to contact the D.I. & C., Madras, two months before his return to India.~~ The scholar is returning only in March 49. The posts should perhaps be filled up earlier. The posts will be advertised on an all India basis. The qualification for the posts of Heads of Section are not so rare as to get a scholar specially trained for the purpose, at the expense of the Provincial Government, when there are none of our scholars lost to the Pakistan Govt. It does not therefore appear necessary to share the cost on account of the studies of this particular scholar, who, after all, may not be useful on an examination by the D.I. & C. For orders whether the E. & P. H. may be informed that none of the non-muslim scholars mentioned by India need be sponsored by the Provincial Govt., as far as this department is concerned.

After orders are passed, the case may be returned to E. & P. H. Department.

15/7/48 'A' on page 9. The D.A. has made this recommendation apparently because he has lost all hopes of the departmental candidate ever getting placed abroad.

filed into 53770 for not put up file with A511

B *item 10 in p 10 of*

p 23 48

4
p 23 48

C

There is no basis for this view. Arrangements have almost been completed by now and there is a reasonable prospect of the deputationist sailing shortly. There is no need to sponsor the Pakistan Scholar and undertake further financial liability.

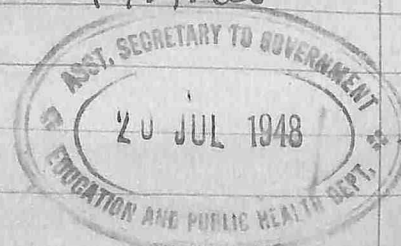

(Copy 10) As Dr. Dakshinamurthi is returning shortly after specialization in Soil Physics, he will have to be absorbed in the vacancy of Soil Physicist if he is suitable in other respects. There is therefore no need to sponsor the Sind Govt. Scholar.

(Copy 10) The scholar, Mr. Chablani, is returning only in March 49 and it is unlikely that the posts of Heads of Section in the Polytechnics can wait until then. The posts will be advertised by the Public Service Commission and Mr. Chablani can apply in response to it. The only advantage of sponsoring the candidate is that he will be earmarked for us, but it does not seem worthwhile to do so, considering the cost and the ~~waiting period~~ long wait involved.
